MUCH HAPPINESS AS LINDSAY LAUNDRYMAN JOINED BY FAMILY

There is much happiness these days in the home and business of Jung Sun, Lindsay laundryman located on William St. in the northern town. Reason for the rejoicing in the house of Jung Sun is the great family reunion which took place a few days ago with the arrival of Jang She, Jung's wife, and their three children from China.

Jang She and her family, left their native home in Kwantung province, China, about three months ago and travelling by way of Hong Kong and trans-ocean plane to Vancouver, thence to Toronto arrived in Lindsay about the middle of the month. It was about 13 years since Jang She, her daughter, Kwong Yen, 20, and sons Jung Yee Mok, 19, and Mow Bon, 13, had seen the head of the family.

No person was ever honored for what he received. Honor is the reward of what he gave.

HAUL COBOCONK BOY FROM ICY DEPTHS OF MILL POND

A drowning tragedy was narrowly averted on Friday evening at Coboconk when Fred Brett, son of Rey, and Mrs. Brett, pastor of the Apostolic Church there, crashed through the ice into deep water on the mill pond, while enjoying a skate. Fortunately for him, two boys, Ross Truax and Leo Hannivan heard his cries for help and they speedily ran for assistance.

CATTLE FOR COLOMBIA

A shipment of purebred cattle worth \$26,000 left by air on Feb. 2 from Toronto for Bogota, Colombia, on consignment to the Colombian agriculture ministry to strengthen needs in that country.

On the basis of Government records and American Can Company statistics on can production, the consumption of canned foods in Canada during the past 25 years has increased about 23 times faster than the country's population.

THE MIXING BOWL

By ANNE ALLAN
 Home Home Economist

Hello Homemakers! We have the "grumps" today, and the reason could be that we missed breakfast. In many households the morning meal is a hit-and-run affair—or equally unhappy it is deady monotonous. A different kind of fruit juice is often less expensive and very pleasant, or fruit served on the cereal saves time—and is interesting.

Toast is always good, but who doesn't get tired of the same kind of toast seven mornings every week? There are ever so many different kinds of bread and, of course, we could get up a little earlier occasionally and surprise the family with fresh muffins or griddle cakes.

Come Shrove Tuesday you will be expected to serve pancakes or waffles at one meal during the day. Why not begin a Better Breakfast Campaign next week—serve pancakes for breakfast one day, a whole grain cereal another day and scrambled eggs the following morning. Keep a package of prepared mix on hand, a few different cereals and a few dried fruits—apricots, prunes and figs—to be served alternately with citrus fruit juices.

Tomato Juice Pancakes

- 2 cups sifted pastry flour
- 1 tsp. baking soda
- ½ tsp. salt
- few grains ground mace
- 1 tbsp. granulated sugar
- 1 beaten egg
- 1 tsp. minced onion
- 2 cups tomato juice
- 3 tbsps. melted fat

Measure dry ingredients into a bowl; make a well in the centre and gradually stir in liquids. Mix to a smooth batter. Heat heavy frying pan and add a little fat, enough to run over the surface. (Some griddles do not need to be greased.)

Drop batter by spoonfuls and cook until tiny bubbles appear and break surface. Turn and brown on other side. Serve hot with bacon or sausages.

Wheat Germ Waffles

- 1 cup sifted pastry flour
- 3 tbsps. baking powder
- ½ tsp. salt
- 3 tbsps. sugar
- 1 cup wheat germ
- 2 beaten egg whites
- 2 beaten egg yolks
- 1 ½ cups milk
- 1 tsp. grated lemon rind
- ½ tsp. vanilla
- 5 tbsps. melted shortening

Measure dry ingredients into a bowl and gradually stir in liquids. Fold in egg whites until thoroughly combined. Drop spoonfuls of batter on hot waffle iron. Cook until steam stops flowing from sides of iron.

Cheese Muffins

- 2 cups flour
- 3 tbsps. baking powder
- ½ tsp. salt
- ½ cup grated cheese
- 2 tbsps. melted butter
- 1 egg, well beaten
- 1 cup milk

Mix and sift flour, salt and baking powder. Add cheese. Combine milk and egg and add dry mixture, then add cooled, melted butter. Bake in buttered muffin tins in a moderately hot oven at 400 degrees for 20 to 25 minutes. Makes 9 to 12 muffins.

Take a Tip

1. Make a thin pancake batter by adding a little more liquid, cook pancakes and wrap around sausages.
2. Waffle batter tends to thicken upon standing, so you may add milk, if necessary, to make a "pour" batter.
3. If desired, 1 egg may be used instead of 2 in these recipes. In that case, increase baking powder to 4 teaspoons and add a little more milk.
4. Cooking oil—a vegetable oil—may be substituted for melted shortening in quick cooking batters.
5. Serve waffles, with maple syrup, mock rum syrup, diced fruit, spice sauce, ice cream sauce, or ice cream.
6. Serve pancakes with sausages, bacon, fried mushrooms or scrambled eggs.
7. Plain muffins go well with marmalade, jelly, jam, peanut butter or honey.

"Measles ain't funny!" They start with symptoms similar to an ordinary cold. Watery eyes, a cough, and a slight fever appear in eight to ten days. These symptoms last three or four days, then a rash appears in about twelve or fourteen days after exposure.

AUDLEY

A large red dog has been attending the school here for some days and no one here seems to know where he belongs.

Mrs. Eastwood, our popular music teacher at the school, is laid off duty by illness. We hope for her speedy recovery.

Arch Bell has secured a position with the General Motors in Oshawa and will likely employ some one to assist him on his farm operations in the spring.

Mrs. Henry Westney has accepted a position as teacher in the Ajax schools while her aunt is handling the household end in looking after the children. We would be rather short of school teachers if our married ones did not help out. And this despite the fact that the salaries are three times what they were 40 years ago when there was an over abundance of teachers.

Will Boyes has not been so well recently. J. C. Bryant is improving slowly after his attack of pneumonia.

Congratulations to our council members upon their election. There was a good turn out of voters which is the surest guarantee in our democracy for continued good government.

F. M. Chapman leaves next week to attend the annual meeting of the Canadian Jersey Cattle Club in Vancouver, B.C.

The regular meeting of the Community Club was held at the home of C.W. and Mrs. Sheridan on Wednesday evening last at which about 28 people were in attendance. More would have been present but for the lack of publicity in the local papers, because many did not know of the change of dates. However these who did attend were more than amply paid for it, in the address that was delivered by Mr. McIntyre Hood of the Oshawa Times-Gazette. Mr. Hood who has enjoyed the distinction of being a private secretary to a premier was well qualified to talk on the workings of our democratic legislature. His address was easily understood by the average person and should carry to the voter his responsibility in the government of our country. He gave credit to all parties and praised the work of various departments for their attention to details of information asked for in the many letters of inquiry. He referred to the habit of appointing Royal Commissions of inquiry by various legislators and cited some case where such commissions had taken a long time to report and then had not done so, with expense bills running into the thousands of dollars. He illustrated his remarks about voters responsibility by citing the election of communists to the Ontario Legislature, whereby these men got into places of authority by the very fact that the people failed to go out and vote. These men may be smart men, but their ideologies are not ours and in no case of the majority of the people. As was remarked by some in attendance at this meeting, it was a pity that every man, woman and child in the community could not have heard it. A hearty vote of thanks was proposed by Dick Winter Jr. Bert Guthrie presided and Miss Teresa Jordan acted as secretary. A vote of thanks to host and hostess was followed the usual luncheon. The next meeting is on March 1st in the school house and takes the form of a progressive euchre party.

PROMISES TAX CUT

Winston Churchill's Conservatives have promised to run Britain's welfare state more economically with less rationing and put an end to nationalization if they are elected Feb. 23. The party manifesto, issued a week after that of Prime Minister Attlee's Labor party, pledges to maintain the country's huge national health plan and other social services, but at the same time cutting taxes. The promise to cut
