CAR OF BEET PULP TO ARRIVE THIS WEEK

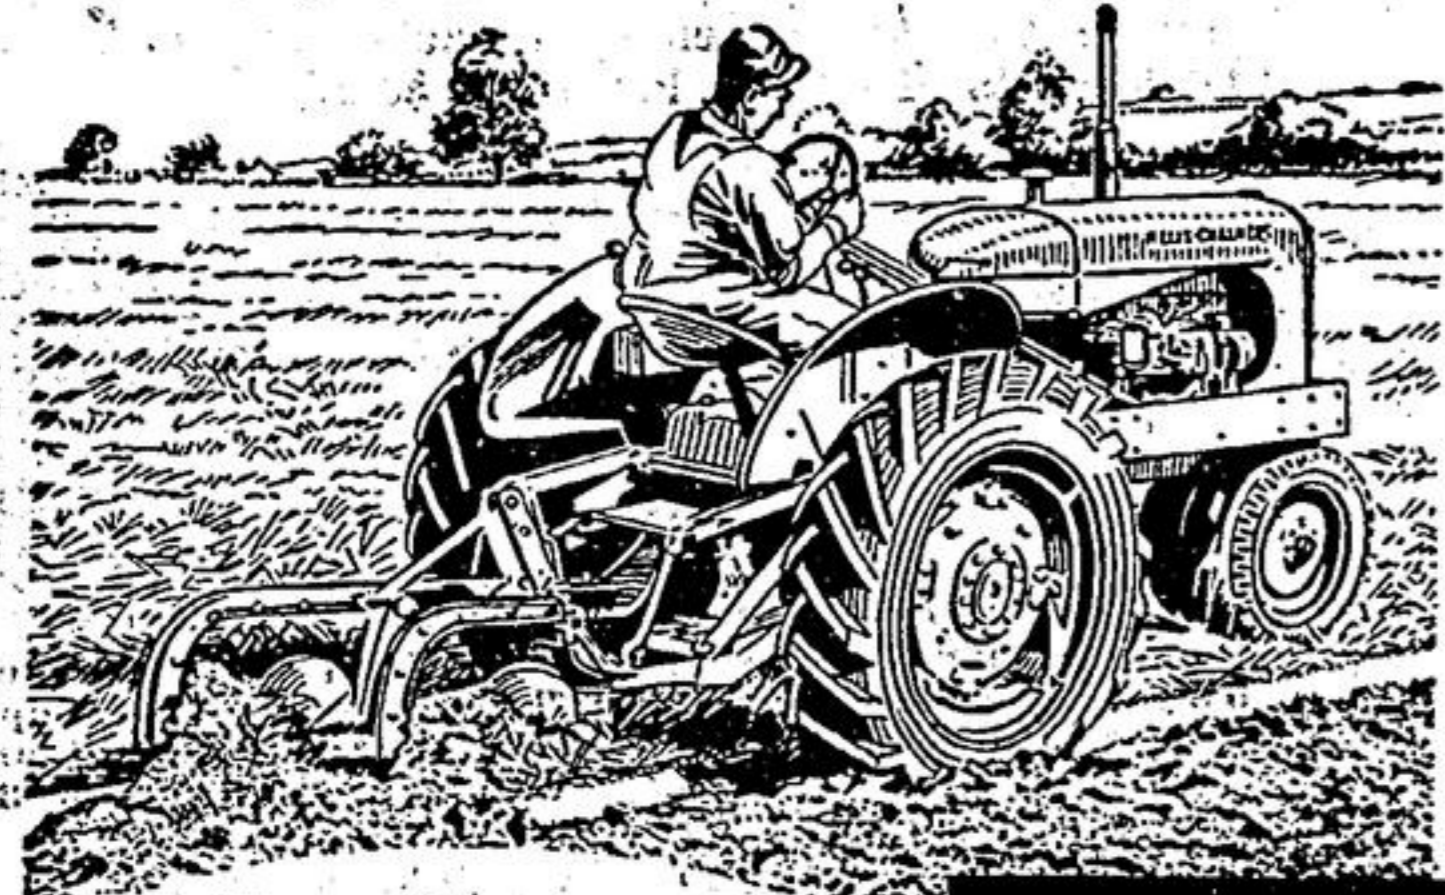

STIVER BROS.

We hear that Mrs. Nicholson is giving up housekeeping and will hold an auction sale on March 25th. Up to the present, Mr. and Mrs. Bert Lickorish have occupied part of the house with Mrs. Nicholson on Second Street, and will take over the whole place when the change is made.

Mr. and Mrs. E. A. Button, Mr. and Mrs. Norman Baker and daughter Bonnie, left last weekend

on a three weeks' motor trip to the Southern States.

The broadcast of the Stouffville-Orillia Senior hockey playoff was heard from the Stouffville Arena on Monday night over Station C.F.O.R. Orillia. All games in Orillia are broadcast, but this was the first one from the local Arena. The job was accomplished with the assistance of the B. & S. Telephone technicians.

**The New
WD TRACTOR
with
POWER ADJUSTED
Wheel Treads**

Wheel treads can be adjusted instantly to desired row spacing with engine power.

5-WAY HYDRAULIC CONTROL
A single touch control lever at steering wheel answers every command of the operator in controlling implements.

TWO-CLUTCH POWER CONTROL SYSTEM
Tractor may be stopped and started without interrupting power-takeoff or hydraulic system.

17 NEW FEATURES INCLUDE:
New light-pressure foot brakes; hydraulic shock absorber seat; easier steering; new low-pitch muffler; ASAE swinging drawbar.

**WD TRACTOR
WITH TWO-CLUTCH POWER CONTROL**

PTO Independent of tractor motion

1. Transmission clutch starts and stops the tractor, but permits uninterrupted operation of PTO, belt pulley and hydraulic system.
2. Engine clutch controls entire power line. Transmission clutch makes it possible to stop or reduce forward travel without affecting PTO speed. Every experienced farmer will understand the advantages of this system.

TWO-CLUTCH POWER CONTROL is a real advantage in the harvest seasons. Stop in and see us for full information.

Full two-plow power. Available with wide front axle. 17 new features include power-adjusted wheel treads, 5-way hydraulic system and easier steering.

Mrs. James Sutherland of Newmarket celebrated her 102nd birthday last week the Era and Express reports. The centenarian is enjoying her usual good health.

Mrs. Mabel Reilly, daughter of Mr. and Mrs. Alex Brown, visited with her parents on Sunday. Mrs. Reilly had just returned from a six week vacation in St. Petersburg, Florida.

The road budget for the Township of Whitechurch this year has been set by council at \$50,000. Dept. of Highways pays half this amount, so that actual outlay by the municipality is not more than \$25,000, which of course is quite a sum too. However, the township maintains a good standard of roads, attempts to keep them free of snow in winter, all of which costs a great deal of money.

How It Works Elsewhere

Twenty-eight car owners in the town of Walkerton were each assessed a one dollar fine last week for leaving their cars on the Main street all night. Two years ago the Bruce County capital passed a by-law forbidding all-night parking because in winter season it hindered work of the snow plow. Since the winter has been so unusual with no snow, car owners became careless. Last week the unexpected two feet of snow fell, and so did the law as it descended on the parked cars. Stouffville car owners have not been unmindful of the local bylaw and little trouble has been encountered here. With the result that so far no fines have been collected. Car owners know the plow must operate and it does so for their special benefit, so most thinking persons readily co-operate.

SOBEY-GRAY MARRIAGE

A quiet wedding was solemnized on Feb. 23rd in Stone Church, Toronto, by Rev. H. J. McAlister, when Molly Isabel, daughter of Mrs. John Gray, formerly of Stouffville, and the late John Gray, was united in marriage to Preston Robert, second eldest son of Mr. and Mrs. Harry S. Sobeys of Albany, Prince Edward Island.

ONTARIO HUNTERS LIMITED TO SIX COTTONTAILS A DAY

Six cottontail rabbits a day is the new limit for Ontario hunters, under an amendment to the Game and Fisheries Act, introduced in the legislature this session by Hon. Harold Scott, minister of lands. This limit is already effective in several Ontario counties. Further protection to this type of game stipulates the sale purchase or barter of cottontails is prohibited, and the use of ferrets in hunting them is banned.

Anyone hunting in townships which license hunters of pheasants, rabbits and foxes, must now have a license from local authorities as well as the sum license issued by the province.

Mr. and Mrs. Bob Heslop, their son Bruce and his friend, all of Oshawa, Mrs. Geo. Lotton, Mr. and Mrs. Roy Zeller and family were Sunday visitors with Mrs. Zeller on Mill Street.

Last Wednesday evening pupils of Miss A. Lehman A.T.C.M. held a recital, the second of a series. Diplomas were presented to pupils who had finished the Kelly Kirby Kindergarten course. Miss June Smith passed Grade II Theory examination with first class honors, held recently at the Royal Conservatory of Music, Toronto.

The Bell Telephone Co. has had to dip into surplus account to meet divided payments. Now the company wants to dip into the pockets of the farmers and other workers across Canada to maintain those fat dividends. No doubt the Dominion government will allow the application now before them, but it wouldn't get to first base if the taxpayers across Canada had a say in the matter.

No Hydro Increase Here

Stouffville has been notified that there will not need to be any increase in local rates for hydro current consumed here by customers for the present at least. All over the Southern Ontario system such as in Toronto and Leaside increase rates are being imposed where 30c per month will be added to the average household bill. It was feared the extra rate would be imposed in Stouffville, but the council is happy to announce that there will not be any advance here for the present. When the change-over to 60 cycle takes place the situation will be reviewed again. That will not be until near the end of 1950 however. Stouffville made a grand showing last year with more than a \$4,000 profit, due to no bad debts and a system kept in first class order.

The March meeting of the afternoon Auxiliaries of the W.M.S. was held in the church auditorium and was in charge of the group led by Mrs. Gunn and Mrs. H. W. Sanders. Mrs. H. Lee presided over the devotional program. She chose as her subject, "In as much as ye have done it, unto the least of these, ye have done it unto me."

Mrs. Riches reviewed the chapter of the study book, "Growing With the Years." At the outset we were reminded that our tendency to forget the difficult tasks has led to a mounting up of social evils. This has presented the church with a great challenge which it is making great efforts to meet.

Reports from the Toronto East Presbyterian gathering held in Gilemont United Church on Feb. 7th, were given by Mrs. F. Campbell and Mrs. Wood.

The next monthly meeting of the W.M.S. will be the Easter Thank-Offering on Wednesday, April 5. Mrs. Conmano of Locust Hill will be guest speaker.

Anglican church service next Sunday, March 12, will be held in the morning at 11 o'clock. Worshipers will please note the change from the usual afternoon hour.

Met Great Evangelist

Miss Margaret Bennett spent last weekend in the home of her uncle, Mr. A. E. Scott of St. Clair Ave., Toronto, where Dr. V. Raymond Edman, President of Wheaton College, Wheaton, Illinois, and his assistant Dr. Hill, were also being entertained, while on a speaking tour of Toronto and other Ontario cities, in the interest of Youth for Christ. Miss Bennett who is on the Stouffville post office staff enjoyed first hand information about the wonderful spiritual revival which so recently stirred Wheaton College and the surrounding district.

Social Group Visits Town

Prof. Chas. E. Hendry, head of social work in the Toronto University, in company with about 12 of his students, visited Stouffville on Saturday afternoon, endeavouring to gain the viewpoint of rural life, and to see just how we carry on in the rural districts. The group visited Markham Township during the day and were guests of Markham Council for dinner. Most of the students, said Prof. Hendry, come from various provinces and are oriented to city life, and the visit to Stouffville while very brief, was a pleasure and enlightenment. The group visited the new arena, and were guests of Reeve A. V. Nolan at the Mayfair before leaving for the city.

LEAVING SHORTLY FOR AUSTRALIA

Mrs. Salmon, mother of Mr. Cliff Salmon who with his wife and two children recently left Stouffville to live in Australia, is leaving shortly to join her son and daughter-in-law. Mrs. Salmon, who is staying with Mrs. Crapper in town, intends to fly across the Pacific. In fact she will fly the entire trip from Malton to Victoria, Australia.

Mrs. Salmon Sr., informs us that Cliff is now writing another letter for The Tribune, and we know that hundreds of readers are waiting for it. His recent letters were top feature of the paper for some time, and we hope that several more may be forthcoming, giving this versatile writer's impression of Australia, and telling about what the Salmons are doing and will be doing in the land of their adoption.

At present Mr. and Mrs. Salmon are located in the beautiful city of Victoria, and are looking forward, no doubt, to the arrival of his mother who will be leaving Stouffville the first week in April on the long hop. Crossing the Pacific she will stop at the Hawaiian Island one or two days, and will not be doing any night flying on the whole journey.

E. A. Grubin, R.O., Optometrist, will be at his office in Stouffville on Monday, March 13th.

"I enjoy reading the Tribune very much," states Mrs. Zella Lemon writing from 1122 Second Avenue, Moose Jaw. Those personal items about the coming and going of our people must be of first interest to friends away from home.

Veteran member of the Masonic Order V. M. Hare of Uxbridge suffered the loss of his wife last week, who died in her 85th year, following a long period of ill health. Her husband is well known in Stouffville and Goodwood district through his Masonic affiliations.

Training in Colorado

Nurses-in-training at Lajanta Menonite Hospital and Nursing School, Lajanta, Colorado, include girls from this part of Ontario. They are Miss Edith Nighswander of Altona, and Misses May and Annie Barkey of Scarborough. The girls left several weeks ago, and are now well entered on the first year's course.

Music Examinations

T. W. Eagleson, A.T.C.M., R.M.T., has received the following report from the Royal Conservatory of Music, Toronto, of his pupils at the mid-winter examinations.

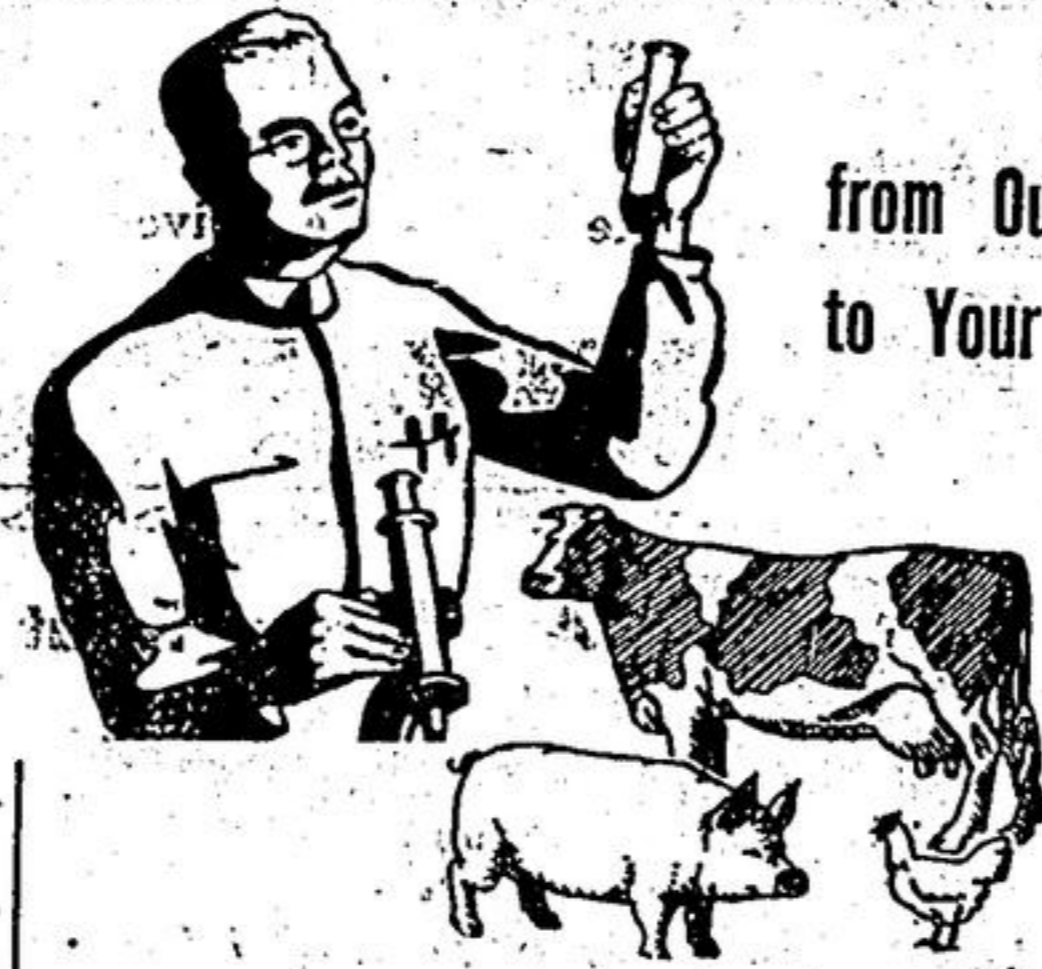

Theory — First year, Louise Clarke, hon.; second year, Joan Frost, first class hon; Marion Cox hon.; Nancy Davenport, hon. Piano — Grade III, Joan O'Brien, hon.; Grade VI, Barbara Hastings, first class hon.; Grade VIII, Murray Browne, hon.

Markham police recovered a stolen truck left on the 8th concession of Markham opposite the Fretz farm, that had been taken from its city owner on March 1st. It is surmised that the truck was taken to give somebody a lift to Stouffville or in the neighborhood, and was abandoned when the thief reached within walking distance. This guess, of course, could be very wide of the real facts.

Mrs. Elva McConnochie has just renewed her contract with the Spirella Foundation Company and has taken a refresher course in corsetry. She now feels well equipped to cope with the many problems which arise in this field of work and hopes to serve her clients promptly, and efficiently.

The regular meeting of the Stouffville Women's Institute will be held on Thursday, March 16th, at 2:30 p.m. in the municipal hall. Motto—Mrs. Miller. Roll Call—an Irish story. Talk on St. Patrick by Mrs. Fred Brown. Current events, Mrs. Shuttleworth. Visit from Mrs. Hicks, our district president. Visitors are welcome.
