Lloyd Tamblin, flashy Cambray hurler, is playing with Lindsay Intermediates.

All divisions of the Tri-County League are well under way with games being played some place nearly every night.

Orillia, home of the Bombers, is contemplating a new arena. This time of the artificial ice type to replace the Big Barn.

Newmarket is advocating for flood lights in Pantry Park. But according to Haskett of that town, the citizens aren't backing it. Could be they're afraid of higher tax-rate because only three turned out for first meeting.

Speaking of arenas, a heating plant is being installed in the local palace. It is being put in the east end and this means hot water for flooding and also plenty for those refreshing showers. Work is being done by Watts' Electric of Markham.

Always struck me as strange how towns and cities like Guelph, Waterloo, Kitchener and the like can afford to import ball-players from the U.S. Some of these boys are re-instated pros who must be drawing at least \$100 a week. Must be money in that kind of ball.

That Markham Twp. Soft Ball League is a "hot" one. And "hot" means more ways than one. Down at Agincourt a while back, a scheduled game started at seven o'clock and didn't finish until nine. Only four innings were played too. Cause? An altercation between two rival hockeyists which turned into a free-for-all. Pass the beef-steak, Mom!

Cobourg is really putting their new arena to work. They are putting in ice for the months of July and August. The main reason is that there will be a skating club working out there also public skating three nights a week. We understand that Stouffville was offered a nice chunk of cash by same club for services of local arena but there was no accommodation for club members.

The local A.C. held another meeting last Thursday night. Although members were few, a lot was accomplished. Jim Austin was voted to represent the Athletic Club on new Park Commission. It was decided to hold a big field day on July 1st. There will be a Juvenile game at 2 p.m. and an Intermediate at 4 p.m. We understand the managers are lining up some real opposition for these exhibition contests. The next meeting of A.C. is called for June 22nd at 7.30 in Birkett's office.

Watch for future announcement concerning the visit of the National Hockey League all-star baseball team to Stouffville on June 28th.

The Maple Leafs squelched their hockey rivals for good last Sunday down at the Fleet Street park. The Hobs were really taken to the cleaners by the Leafs. Conn Smythe's boys broke early for a seven run spurge in the first inning and were never stopped. Bob Hassard won himself a smart cigarette lighter for hitting the first triple. Although the score was 27-9 it was really the flood victims who came out on top as over \$12,000 was realized.

The local Midgets took to the field last Friday night for the first. It was only an exhibition game with Markham but still some classy ball was played by the minors. The local team never pulled ahead but always threatened. The score after seven innings of play was Markham 9, Stouffville 6. Batteries: Stouffville, Hill and Murphy; Markham, Procenko and Petch.

Local Tennis Club Reorganizes for 1950

The Stouffville Tennis Club (sounds impressive) got away to a fine start last Thursday night. This is the executive for the 1950 season: president, Marion Sanderson; sec'y-treas., Doreen Ogden; board of directors, Murray Pipher, Lorne Boadway, Murray Wagg; membership committee, Jean Sanderson, Audrey Bell, Stan Smith, Walt O'Boyle, Murray Redshaw, Barbara Smith. Memberships may be purchased from any of the people on committee. Fees are \$1.00 for adults and 50c if you're under fourteen. The executive promises a great number of renovations this year including new tapes and possibly a new top. Rules and regulations are as follows:

1. Players 14 years and under are not allowed on the courts at nights and Wednesday afternoons or if courts are in use.
2. Players must wear running shoes.
3. Membership card must be produced if requested.
4. Playing is limited to one set when others are waiting.
5. Singles permitted only when courts are not in use.

The time of year is coming up when long, long drives are in order. Warm sunny drowsy days, and you at the wheel, getting sleeper and sleeper. Watch out! That's how lots of accidents happen.

Intermediates Taste First Defeat from Port Perry

Port Perry 5 Stouffville 4
Lack of hitting was the deciding factor in Stouffville's downfall last Friday night. Although the local team fielded and played well in the clinches they failed to produce with the bat. Up until the last of the eighth Stouffville had an edge of two runs, the score being 4-2. But in the last of the eighth Miller, who had twelve strike-outs and had pitched A-1 ball, was beginning to slow. In that fateful eighth, the boys from Scugog blasted three triples and worked for a walk, to tie the score and eventually win the game. Earl Cook, incidentally, was best man with the stick, collecting a long double and a single.
Batteries: Port Perry, Harper and Lowery; Stouffville, Miller and Schell.

Marlies, Calgary Each Get \$8,000 As Playoff Share

Nine teams in the West and eight in the East will divide a \$73,000 melon from the 1949-50 playoffs, the Canadian Amateur Hockey Association announced last week at its annual meeting at Banff, Alta.
Top clubs in the playoff pool are Toronto Marlboros, Allan Cup champions, and Calgary Stampede, senior finalists. The clubs will receive \$8,000 apiece.

Regina Pats, who lost in the Memorial Cup final to Montreal Canadiens, are tops in junior ranks with a \$7,500 slice. Canadiens will get \$7,000.

The playoff bonus awards a team \$500 for each inter-provincial playoff contest and an additional \$500 for reaching the Canadian final.

In all, \$33,000 will go to Eastern clubs while Western playoff sets split \$40,000.

Plebiscite Rejects Plan To Finance Brantford Arena

A plebiscite on the issuing of \$650,000 in debentures toward the cost of a proposed municipal arena was defeated by 374 votes Saturday at Brantford. The count: for, 2,231; against, 2,605.

It was the second time that rate-payers had voted down the project. The margin was almost the same in a December, 1947, poll.

Ward 5 was the only section that favored the debentures.

Cost of an arena hasn't been estimated, but plans called for the balance to be raised by public subscription.

CHERRYWOOD

Mr. and Mrs. McAllister of Toronto spent the weekend with Mr. and Mrs. Leonard Hollinger.

Mr. Herb Bennett had tea on Sunday evening with Mr. and Mrs. Murray Hollinger.

Quite a large number attended the memorial service at Erskine on Sunday.

pinch comes when these feeders have to put new stockers on pasture.

The late Wm. Smith whose death was announced in The Tribune recently was born on the farm now owned by Dick Winter Jr. here.

Much sympathy is felt for the Mitchell family here as Mr. Mitchell has undergone an operation in the Oshawa Hospital. Speedy recovery is hoped for by his friends.

The Community Club met in their June meeting at the home of Chas. and Mrs. Clemence on Wednesday last week with a fairly good attendance. President Bert Guthrie was in the chair and handled the meeting in good style. Among the items of general business was the preparation for the

annual picnic in July. After discussion it was decided to hold the picnic in the new Cedar Glen park formerly the Chapman flats, on Friday, July 13th. A committee was named to assist the executive in the getting ready. This new park has swimming pools, ball fields, cover in case of rain and ponies. It promises to be a great day for all Audley folk, as everyone is invited to bring their basket and play ball. An address was given by F. M. Chapman on his impressions received on his trip to Vancouver in February last to the annual meeting of the Can. Jersey Cattle Club. The usual social evening with a delightful lunch and votes of thanks to the host and hostess, and community singing, sent another meeting into the history of this successful Club.

STOVER'S BREAD and CAKES

KEEP FRESHER LONGER!

Treat the family to really fresh bread today! Pick up a loaf, or two of Stover's Bread, when you're shopping. It's famous for its fine texture, golden crust, oven-fresh every day.

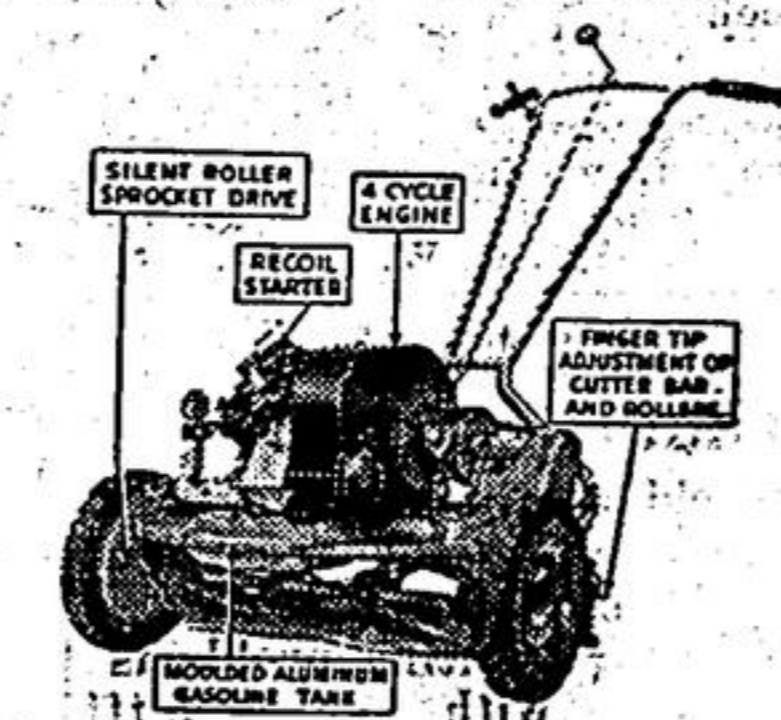

It's the same story with Stover's cakes and pastries. They're fresh when you buy them, and they keep fresh longer. Stover's make a great selection of fluffy-textured cakes, pies and pastries, there's something to suit every taste.
