After being rained out of their games on Tuesday night the softball boys went at it again on Thursday evening. Buttonville playing at home to Markham downed their opposition 43 in a closely contested game. After taking a lead over the high flying Buttonville boys the Markhamites made two costly errors to drop the game in the final innings. J. Rumney did the hurling for the winners and helped out his own cause with a home run. Deffett did the pitching for Markham.

While Buttonville were edging Markham, Unionville went wild in a hitting way to hand Peach's a 15-5 setback. In the third and fourth innings the sixth concession boys crossed home plate on fifteen successive occasions to give them an overwhelming lead. "Boomer" Smith came into the game at the half way mark and did a fine job of holding off the powerful visitors to only a few scattered hits but the damage had been done.

Peach's started out well in the first as Ross Wideman came home after lining a double into the field, and it looked like the game would be a close played affair until the free hitting third innings. Keith Jewitt and Wally Nicholson, both well known around these parts, lifted the horsehide into the far outfield for home runs. Jewitt, holding down the first base position in the absence of Minton, turned in a terrific game winning effort. G. Timbers connected for a triple for the homesters best hitting effort. The teams standing are still unchanged after the week's activities with Buttonville on top followed by Unionville and Agincourt in second and third positions.

The teams are grouped as follows:

	W	L	T	P
Buttonville	6	1	0	12
Unionville	5	2	1	11
Agincourt	4	2	2	10
Markham	3	4	1	7
Cedar Grove	2	4	1	5
Peach's	0	6	1	1

This week the girls softball league swings into action but there is still some consideration of breaking the eight teams into two groups. The two local teams, Peach's and Stouffville, are backing this idea to the full and the two far towns of Schomberg and Bradford would then join a league of their own and save much traveling time. However unless further word is received the schedule will remain unchanged. Peach's will play their first home game at Unionville on Friday night commencing at seven o'clock.
