Camp Borden is running three senior teams this year.

Stouffville has an excellent win record so far this year. Out of a total of nine games, the boys have won seven. Including two tournaments they have won eleven and of these eleven wins Miller has finished and won eight.

In case you're wondering who the Beavers are, they're the local intermediates. The boys went into a huddle and came up with this one.

Did you know that in the Little World Series of 1926, Toronto swept five straight from Louisville of the American Association. On that championship team were such stars as Jess Doyle, Steve O'Neill, Carl Hubbell, Del Capes, and Lionel Conacher. The manager was Dan Howley and the trainer was one of the famous Dalys.

The local Midgets have folded because of disagreement over players which are eligible for both teams. When the players start to run the coaches and tell them what team they're playing for and what team they're not, it's time someone took a firm hand. Too many minor ball and hockey players in this town are guilty. The Midgets are definitely "kaput" but a house league will be organized in town with all boys under sixteen eligible. So if you are under sixteen and interested in ball, turn out for the practise this Friday night.

Enter Big Fish Derby

Three local men have the distinction of being possibly the first trio to bring in a full bag of trout out of Lake Simcoe this summer. The men are Elgin Wagg, Bob Snowball and Harry Noble and between them they hauled in sixty pounds of fighting lake trout in about six hours on the lake. Biggest fish hooked, weighed approximately six and a quarter pounds, and on several occasions two of the three local fishermen had simultaneous strikes. While the lake was quite rough during the weekend it was apparently no deterrent to the local luck. Another old fish yarn that early morning and late evening are the best fishing hours proved nothing since the Stouffville haul was made during mid-day. The Toronto Star is offering some \$1500 in prize money for various fishing feats during the summer and the local catch should stand up well among the season's best.

Stouffville Takes Second from Sutton

Stouffville 14 Sutton 1
The local nine again wound up on the right end of a top-sided score against Sutton. The game was a good one to win but a bad one to watch being marred by seven errors in all. Miller went the route for the local boys allowing but four hits in seven innings of play. Up until the last of the fifth, not a Sutton player reached third base. Miller thought he had a no-run game but Lady Luck frowned in the seventh when Holborn scored in the last half.

Holborn pitched average ball for the whole game but was inclined to give up too many free trips to first.

Sutton	0	0	0	0	0	1
Stouffville	2	1	0	2	4	1
	R	H	E			
Sutton	1	4	2			
Stouffville	14	9	5			

Strike-outs—Miller 9, Holborn 7.

Stouffville Cops Seventh Win at Expense of Port

Stouffville 9 Port Perry 1
Behind the steam-ball pitching of "Hoke" Miller and smart hitting, the Beavers rolled to a decisive win over the boys from Scugog. Harper's boys worked for only one hit and a walk in the first innings. Two were left on as the Port boys were held well in check. Stouffville never got a hit in their half but nevertheless worked a run around as Minton walked and scored on two errors by Port.

In the second only three men got a chance to see "Long Tom's" fast ball whiff past their noses. These three men sure looked down-hearted when the third strike was called. Ole Bill Harper did equally well in his battle against the Beavers as three men fell under the sweep of that left-hander.

In the third Port Perry threatened with two hits and a walk but were cut down on the base-paths. Stouffville pounded out two hits for a total of four runs in their half of the third as three errors were committed by Port.

Miller held Harper's boys well in check in the fourth but they fought hard and earned a run. Two hits combined with a walk in the last of the fourth to score one run for Stouffville.

Port's hit, run and error column was filled with horse-collars in the fifth as each man grounded out to "Big Bob" Hassard at the initial sack. Stouffville's record was equally blank but Hassard worked another walk, his third, and Nigh was hit by a curve that broke too much.

Port, in the sixth, ran up two hits but neither runner scored. The highlight of the Stouffville rampage in the sixth was "Porky" Schell's home run. "Porky" just met the ball but it seemed to carry well over the middle garden fence. Miller, the next batter flied out in almost the same place, but "Butch" Schell cranked what looked like a long triple over the right-field fence. The ball caromed off a car, however, and bounced back onto the field for a good double. Cook and Hassard hit safely and three runs were scored in the half innings.

Port Perry gave up the ghost in the seventh as they failed to tally. Bill's boys just didn't seem to have it throughout the game in the hit column. The team would have looked a lot worse if Harper's arm had failed.

Tempers flared repeatedly in this game and Umpire Murphy's patience was well tested.

Stouffville	1	0	4	1	0	3	0
Port Perry	0	0	0	1	0	0	0
	R	H	E				
Stouffville	9	7	5				
Port Perry	1	5	3				

Batteries—Miller and Schell, Harper and Cawker.

Line-up	AB	R	H	PO	E	AV.

Bradbury rf	3	0	0	0	0	.000

Between 4 and 8 per cent of the population is left handed.

Township Softball

(By Jim Thomas)

Everything is in full swing as all teams wind up the first half of their regular schedule this week. Buttonville are still leading the group with Unionville running a close second. At Unionville, Buttonville were given the game as L. E. Ross's boys picked up their bats and left the park over a disputed call handed out by the umpire. As a Buttonville runner was racing to third base he came in contact with a hard hit ground-er from one of his teammate's bat. The Agincourt boys claimed interference and the runner should be automatically out but the umpire thought different. The game ended abruptly at this point.

Over at Markham Peaches suddenly sprang to life and handed the boys in blue a 20-7 setback. The game was very close until after the fourth innings when the seventh concession boys slammed both Markham hurlers for thirteen successive runs without a reply from the homesters. Ross Wideman and Jack Nigh turned in standout performances with both boys hammering homers into the far outfield. Gord Lewis and George Timbers each collected triples. "Boomer" Smith went all the way for Peaches holding the Markhamites to a few scattered hits.

GIRLS TAKE THORNHILL 13-11

On Monday night at Thornhill, Stouffville girls took their first league game of the revised schedule 13-11. The local nine built up a seven run lead in the first two innings to put a damper on the Thornhill spirit. Once more, our home-run queens Jean Miller and Eleanor Crossen blasted good ones to the field for an easy trip around the bases.

BABE SNOWBALL HELPS GIRLS DEFEAT BRADFORD 29-4

With a helping hand from Babe Snowball, wife of Robt. Snowball, town barber, Stouffville girls defeated Bradford in the "Marsh" town last Wednesday night to the tune of 29-4. "Babe," holding down the right field position, cracked out a hard liner past first to bring in a run. Jean Miller, our hard-hitting pitcher, slugged a good one into centre field in the fourth innings for a home run, and Eleanor Crossen got a homer in the seventh.

Bradford girls were scoreless until the fourth when two crossed the plate. Then in the seventh, Ziemianski whacked one out to the daisies for two more runs and an exciting finish to a rather one-sided game.

Girls' Softball League Comprises Eight Teams

Because of the size of the girls' softball league this year and of the location of some of the clubs, the group has been divided, with Aurora, Elgin Mills, Schomberg and Bradford comprising section one, and Stouffville, Thornhill, Victoria Square and Peaches, section two.

Section II Schedule

- June 26 Stouffville at Thornhill
- June 27 Victoria Square at Stouffville
- June 30 Peaches at Victoria Square
- July 3 Peaches at Thornhill
- July 4 Thornhill at Stouffville
- July 7 Stouffville at Victoria Square
- July 7 Thornhill at Peaches
- July 10 Victoria Square at Thornhill
- July 11 Peaches at Stouffville
- July 14 Thornhill at Victoria Square
- July 14 Stouffville at Peaches
- July 17 Stouffville at Thornhill
- July 18 Victoria Square at Stouffville
- July 21 Victoria Square at Peaches
- July 24 Peaches at Thornhill
- July 25 Thornhill at Stouffville
- July 28 Stouffville at Victoria Square
- July 28 Thornhill at Peaches
- July 31 Victoria Square at Thornhill
- Aug. 1 Peaches at Stouffville
- Aug. 4 Thornhill at Victoria Square
- Aug. 4 Stouffville at Peaches
- Aug. 9 Victoria Square at Peaches
- Aug. 11 Peaches at Victoria Square

Former Brougham Resident Dies In The West

There passed away suddenly of heart failure after a severe attack of pneumonia, the late Lyman Carter Hogle in his 59th year. He was the youngest son of the late Parsons Hogle and the late Mary Carter who with their little family left Brougham in 1898 to try their fortunes in the west and settle in Hartney, Manitoba. The parents of Parsons were David and Julia Parsons Hogle, early pioneers of this district. The old Hogle homestead was half mile west and south of Brougham, and old timers have happy memories of the brothers Parse and James and sister Charlotte Hogle Herrick.

The Hartney Star wrote a very fine tribute to the deceased in these words: "The passing of the late Lyman Hogle leaves a distinct gap in the fellowship circle of our lives. Well known, honored and respected in the community of Lander Melgund, Hartney, and Dand. Lyman possessed a cheerful, happy and friendly disposition, and he loved to share it with all who came in contact with him. A devoted husband, both his and Mrs. Hogle's lives were governed by a true sense of Christian understanding and fellowship, even if gone, he left a legacy and example of how to face life in all its phases with a cheerful smile. Surviving are his wife, two brothers Debar and David of Hartney, three sisters Charlotte (Mrs. Dyle), Mabel (Mrs. Porteous) and Myrtle (Mrs. Rea)."

— Glenwood Park —

Swim, dance, picnic, and play at Glenwood Park, ¼ mile south of Markham. Bring the whole family. 100 picnic tables, excellent dance floor, fully stocked refreshment booth, large illuminated swimming pool. Reservations for larger groups, write or ph. Manager, Glenwood Park, Markham. 4-44.

Aim for BIG Eggs EARLY!

Big eggs are going to mean real money this Summer and Fall—but that won't mean a thing to you if you're not getting big eggs! And the only way we know to get big eggs in time to do your pocket the most good is to grow big, strong, sturdy pullets with the body development to get up to full production of big eggs early.

We're not talking about "pushing pullets into production". The aim of the Purina growing plan is to get pullets to the right stage of development so that when they start to lay they'll be ready to lay... lay heavily and come up fast in egg size. That's not "pushing" them—it's developing them, with their development balanced against their sexual maturity. Then they'll use your laying ration for laying!

Which Purina growing ration to choose depends upon your grain supply. Come in and talk it over!

GROWENA • GROWING CHOW • CHOWDER
(complete) (with grain) (concentrate)

There's more profit, and pleasure, in a farm that's free from flies. This new formula Purina Fly Spray will settle the fly problem for you. It kills all flies, including those resistant to DDT. It kills all Summer—you need to spray your buildings only once, unless the Summer turns out extremely hot and long. Use the same spray on both buildings and animals—only one product to bother about. See us about your supply, early.

New Formula Purina FLY SPRAY

Want to save time? Sure! Want to save work? Sure! Want to save money? Sure! Want to raise good calves... BETTER calves? Sure! Hundreds of good dairymen succeed in doing all those things by following the Purina "dry-feeding" plan... comparatively little milk the first month, none after that. Think of all the time that saves!

Save Time with Purina CALF STARTENA

If you're starting chicks, start them fast! Feed them Purina Chick Startena Checker-Etts.

Fast gains mean profit! Feed for speed—mix Sow & Pig Chow with your chop.
