Chuck Shannon, ex-Newmarket camp hockey star and former pro, will not be back at Orangeville next winter. Orangeville intermediates went \$500 in the red, necessitating the individuals behind the club to dip down in their own pockets to foot the bill.

Doug Moore of Richmond Hill, and former Junior hockey goalie here, is working with the Provincial Highway Dept. near Sudbury. Doug will go to Stratford again this fall for further tryout with the Junior 'A' club there. Bud Watson of Unionville, also with the Kroehlers, who incidentally are coached by "Pinky" Lewis, well known colored hockey mentor, will be returning.

That sturdy young catcher for Markham midgets is Bob Petch, younger brother of Loyal and Moe Petch, well known Markham-Stouffville baseballers and hockeyists. Moe Petch who played on the defence with Aurora Hawks last winter, will likely take Bob to Aurora next winter for a trial. He's said to be just as good as his brothers.

The local division of the Tri-County League winds up its schedule this week. Stouffville plays their last game this Thursday night against Sunderland. There may be some changes though since Monday night's game with Sunderland was rained out. The Beavers are riding on top with Port Perry, Sunderland and Sutton following closely in that order. The four local teams play-off for the division championship and the winners for the league championship. The Beavers have an entry into the O.B.A. as well as Little Britain and Cambray.

Morris Procenko of Unionville was playing for Markham in an exhibition game with Aurora at Morgan Park recently when he suffered a broken leg. "Mouse" was coming into home plate on a home run in the second innings when he fell over the catcher's knee, and the accident happened. He was taken to Dr. Pilkey, then to Stouffville Hospital. Morris is now home with his leg in a cast.

Work was going ahead on the enlarging of the parking area at the Arena this week. Several hundred yards of fill have been added, and a bulldozer was at work on Tuesday levelling up the ground, preparatory to topping with crushed stone. Inside the Arena the hockey cushion is being given a fresh coat of paint, and the ends above the gallery seats are also being done. The bottlenecks which existed last season along the side alley ways back of the players' boxes are being improved. All this work is expected to be completed before the evangelistic meetings commence on Aug. 20th. Two weeks following the close of these meetings, or about Sept. 20th, it is expected there will be ice in the Arena.

## Local Juveniles Definitely Outclassed By Runnymede

Runnymede 18, Stouffville 1. Rather one-sided, wasn't it! The Runnymede team came to town Saturday night with a record of two losses in two years of Juvenile 'A' competition and left town with that record unbroken. For the first few innings the game looked as though it might be close as both pitchers strung up the opposition. It was in the fateful third that Runnymede batters found their batting eye and walloped L. Boadway's offering out of the park. Three successive triples were batted out in one half innings. The Monarchs' one run came early in the game. Best Monarch hit was "Deac" Davis' triple through left centre field. The Stouffville batters were changed in the dying innings in a vain effort to stem the tide, Bays taking over the hurling duties from Boadway and Curtis the backstop position from Peake.

## Local Rink Wins Echardt Trophy

Bowling in the men's trebles tournament in Stouffville on Friday evening, the Wm. Sanders rink composed of Thos. Rae and Bert Lickorish carried off the coveted Echardt Trophy. Mr. Sanders also copped the cup in competition here four years ago.

Last Wednesday, the Old Boys' Trophy donated by F. L. Button and Dr. G. Richardson, was won by the Yerex rink of Richmond Hill. Mr. Yerex was the singles Ontario champion in 1949. Gordon Lemon's local rink stood high for two wins, and Ed. Goodman of Oshawa high for one win.

At Richmond Hill recently Mr. and Mrs. Gordon Lemon carried off a prize in the mixed doubles tournament, while at Aurora, Gordon Lemon and Robt. Johnson stood high for two wins in men's doubles matches there.

## Locals Split Two Games with Port

Stouffville Intermediate group leaders split their last two games with Port Perry in the current baseball loop winning 83 and losing 5-2.

It was the third straight victory for Earl Cook, ex-pro, who has really been going great guns on the local mound this season.

Harper, who started again for Port after pitching the night before, lacked the control and speed, but nevertheless he went the route. The Beavers scored two runs in the first innings and were never headed from then in. Port Perry went scoreless until the fifth when well-placed hits went for extra bases. The only Stouffville hit was that of Bob Hassard who drove a nice triple to left field.

Cook looked best on the mound as far as strike-outs went for he bowled down batter after batter.

Port Perry 5, Stouffville 2. The Stouffville squad lacked pep and fire last Thursday night. Bill Harper went all the way on the hill for Port and looked very good as fifteen Beaver batters were either struck out or called out. Miller went the route for the homesters and he gave up but five hits. The Port team went all out for runs in the first few innings of the game then coasted along with their lead. The Stouffville team fought hard but couldn't make a comeback. There was one home-run and a triple in the game, both by Port. The game was marked by numerous disputes over calls by the umpire. One argument concerned whether Bob Hassard touched a Port runner at third. Hassard received the throw from Jennings in left field just as the runner shot

## CAHA Turns Seniors Into Straight Pros, Salary Peg, Waivers

Discarding their last pretense of amateurism, the CAHA is now semi-professional with a new Major Series for the better, or professional sponsored hockey clubs within their organization.

British Columbia and Alberta delegates fought against the switch during the 10-hour session. Maritimes were not overly keen, but they had to take it because of their Cape Breton situation. Quebec, Ontario and the Western Canada Senior League, a combination of Saskatchewan and Alberta's top clubs, were all for the new deal.

The Allan Cup is still the prize for the senior title, but what glamor will there be for such clubs as Cornwall, Fort Frances, Trail Smokies and others playing in smaller rinks for what is now actually a Senior B playoff?

In dressing up the new Major series for top Senior A and Junior A clubs, players will sign contracts with a yearly \$1,000 minimum, waive price is \$500, and when the authorized pro league draft players they are to pay anywhere from \$10,000 to the NHL to \$2,000 in the Pacific Coast League.

## ANTI-FREEZE IS PLENTIFUL DESPITE WAR

Rumor that permanent anti-freeze was being grabbed up by the government against a possible need for it in the event of an Arctic war campaign, has been denied by the service station trade.

Head of a large distributing depot said "it is just another one of those unfounded panic cries."

Dealers and distributors assured that there is plenty of permanent anti-freeze available for everybody and there is no indication that the government is interested in the supply available to commercial usage.

by. He made a rying lunge at the player and claimed to have tagged him but the base umpire said no. However, when the base umpire appealed to Lou Murphy, umpire-in-chief, the decision was reversed. This didn't satisfy Port and the wrangle continued with the upshot that the decision reverted to the original "call", and the runner was safe. Port claimed Murphy's advice had to be called for prior to any decision if necessary.
