ADDITIONAL LOCALS

The corn roast scheduled for tonight (Thursday) for the Stouffville Legion has been cancelled.

Mr. and Mrs. David L. Stouffer, accompanied by Mr. and Mrs. A. W. Knight of Toronto, motored to Delhi last Sunday to visit Mr. and Mrs. Willis Lehman and Mr. and Mrs. Bruce Lehman.

James Lawson is visiting his mother, Mrs. Evelyn Lawson, in Toronto and Stouffville. Jim is in the employ of the Bank of Nova Scotia, and has completed 4 1/2 years in Kingston and Manville in Jamaica. Following two months' holiday, he will be appointed to a new location. Jim boarded the plane at Jamaica, and had only one stop (at Tampa when the storm was on) before reaching Malton airport. Mr. and Mrs. George Lawson and son Jimmie from Montreal were up to meet the plane at the airport, and visited a week with Jim and his mother.

On Thursday, Sept. 7th, the W.M.S. of the Stouffville United Church celebrated the 25th anniversary of the W.M.S. of the United Church of Canada. Mrs. K. Campbell presided. Standing committees gave reports. Mrs. Riches introduced the new study book "Japan Begins Again," by William C. Kerr. The following ladies presented papers on the growth in the W.M.S.: Mrs. Winterstein, "Missionary Progress in China"; Mrs. Woodcock, "Angola"; Mrs. Fairles, "Japan"; Mrs. F. Brown, "Medical Missions in Canada." Mrs. Dowsell spoke on the progress of supply work during 25 years. Past Presidents Mrs. Harry Sanders, Mrs. Thomas and Mrs. Gunn gave brief but interesting experiences of their term of office. Mrs. D. Davis explained the financial position of the W.M.S. past and present. Miss Bannerman was the pianist.

Ringwood

Mrs. Hamburg of Hamilton returned to her home on Wednesday after spending the past two weeks with her sister, Mrs. James Kennedy.

Mrs. James Oldham and Mrs. Alex Ratcliff were Toronto visitors on Monday afternoon.

Mr. Bob White flew to Calgary on Sunday to take a position in the Calgary office of his company.

The Hydro is busy erecting a high tension line just south of our village, to the new sub-station at Stouffville.

Our Ringwood church service will be lifted in favour of the divine service in connection with the Whitechurch Centennial, to be held in the Newmarket Arena on Sunday afternoon at 2:30.

Mr. Albert Hoover, accompanied by his daughter, Mrs. Myrtle Davis, and Mr. Robert Noble visited relatives in Oshawa one day last week.

Constable Ron. Watt Leaves Whitechurch Police Force

(continued from front page) and regraded. The road engineer told council that to date, 6,500 yards of gravel have been placed on the township roads this year, and some \$13,000 of the \$50,000 road budget still remained to be spent.

A grant of \$50 to the North York Plowmen's Association was approved.

The Reeve stated that there had been complaints from residents of Musselman's Lake concerning the garbage collection: It was stated that the garbage was allowed to accumulate in front of the homes, and further complaint was the burning of this refuse too close to the 4th concession.

A bylaw to establish a new public school section, S.S. No. 13, was given its three readings and passed. The new section is an outgrowth of the completed arbitration over the Oak Ridges school between Whitechurch and King Township.

An amendment to the Taxi Cab Licenses Bylaw was approved which calls for applicants for cab licenses to produce insurance covering occupants and property damage, before licenses are granted.

Relief accounts passed for payment amounted to \$468.22, and general accounts, \$596.14.

No action was taken on a complaint registered by Mr. Beamish of Wilcox Lake against the license fee of \$20 as called for in the township bylaw.

"I don't favor lowering for one and not another," stated Councillor Sid. Legge.

Mr. Beamish stated that he did not operate a public refreshment stand, but only catered to his own cabin tenants. However, it was revealed that he had a sign up on the roadway advertising his stand.

Council took the stand that if a booth operator could not afford to pay the license fee he should close up his place.

There was considerable discussion over a proposed bylaw to set out the actual property at Vandorf coming under the council jurisdiction, and that to be handled by the Community Park Board. It was agreed that council should meet with the park officials to set out the boundaries. Council expects to allow enough land for an addition to the present township offices which a building committee appointed some time ago is supposed to be looking into.

Local High School Attendance Doubles In Last Ten Years

Attendance of students at the Stouffville High School has doubled in the last ten years, opening last week with a record enrolment of 212 students. Markham High School opened last week with an enrolment of 205 which is rather unique in that the Markham school drawing students from a thickly populated southern area has catered to the needs of a much larger student body than Stouffville in the past.

Steady growth has been marked in the Stouffville school since 1940 when the student body numbered barely one hundred. By 1947 this attendance had grown to 160; 1948 was 175; and last year 190.

A cross-country survey shows 20,000 increase in the total enrolment in Ontario, a total of 750,000 secondary students. Twenty-five new High Schools opened in the province last week, constructed at a cost of more than \$10,000,000.

Education Minister Porter announces that there are more curricular changes in the offing, but that they will be slow and experimental in aspect. Revisions already made include: abolition of high school entrance examinations.
