 The Raine sale of last Wednesday was very successful. Good prices were realized. Everyone was pleased to see Mr. Raine looking so well after spending most of the summer in the hospital.
 According to custom the W.M.S. of the Greenwood circuit gathered at the home of Mrs. Minnaker on the first Thursday of the month. Mrs. Reg. Hoskins had charge of the worship service, theme being "One in Christ," John 17:20-23. It was a very impressive service, setting our hearts aglow with a feeling of good fellowship for Christians all over the world, and especially for those of the United Church in Japan. Our president then took over in her very able manner, asking us "Which Way Japan," are we doing all we can to win Japan for Christ, by our prayers, and our interest, shall we by our indifference let them go over to the communists? Indifference can be a sin worse than heathenism, harder to combat. She also brought us a message from the W.M.S. Rally recently held at Myrtle which was very acceptable to those who were unable to attend. We quote General Douglas McArthur thus: "we are trying to sow an idea of a freedom that has its roots in religion." The Christian movement is badly handicapped by lack of personnel and today there is opportunity in Japan but time will not wait. The first time I saw Mrs. Minnaker come into the meeting with a heavy looking bag of books, I felt sorry for her but found out later on my sympathy was wasted. She has dignified her task, by doing her work faithfully and well. She has sold the entire book shelf to our two societies, the W.M.S. and the Junior Auxiliary. The next meeting is on Dec. 7th, at the home of Mrs. (Rev.) Monkman.

Voice of Prophecy Bible Questions And Answers

Question—Christ was the perfect man, but—
 Answer—But that is not enough. He was and is the divine Son of God. (John 3:16.) In Hebrews 1:8-10 the Father calls His Son "God." That our Lord and Saviour is more than a perfect man, is shown in Ephesians 3:9: "God, who created all things by Jesus Christ."
 Q.—Wasn't Abraham a Jew?
 A.—He is not so called in the Bible. Abraham's son was Isaac, and his son was Jacob. Jacob had twelve sons whose descendants were called the Children of Israel. (Jacob was also called "Israel." Genesis 32:28.) From Judah, one of Jacob's sons, came the name Jew, applied to anyone belonging to the tribe or kingdom of Judah. (2 Kings 16:6; 25:25.) Later the term was extended to include anyone of the Hebrew race who returned from the Captivity. Finally it comprehended all persons of that race throughout the world. (Esther 2:5; Matthew 2:2.)
 Q.—Astronomy has proved that some of the stars are planets or worlds like ours. What are you going to do with the old Bible idea that this world is the only one?
 A.—The Bible speaks of more than one world. Hebrews 1:1, 2 says: "God, who hath in these last days spoken unto us by His Son, whom He hath appointed heir of all things, by whom also He made the worlds." And, Hebrew 11:13: "Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear."
 Q.—Christians say that we must be born again to become God's children, but Malachi 2:10 says: "Have we not all one father? hath not one God created us?"
 A.—It is true that by creation all men are brothers. (Acts 17:26.) But spiritually, only those who are born again are the children of God. "But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name: which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God." John 1:12, 13.

send firemen. "We went into the house looking for a fire," said District Fire Chief Price. All we found was a baby crying. The parents were very hot up that something was wrong with the baby. At least the baby stopped crying when he saw the firemen.
