Junior Plowmen To Banquet at Buttonville Nov. 9

With the largest entry in the Home Plowing Competition in several years, the York County Junior Farmers are holding their banquet and presentation of prizes at Buttonville on Thursday next, November 9th, at 7 p.m. This is a change of date owing to several conflicting events on the 10th as originally arranged.

The plowing was scored this week by Mr. Alvin Mark of Cameron who two years ago was one of the overseas trip winners at the International Plowing Match at Lindsay. Indicative of the times the tractor plows were very much in the majority. It is most encouraging to the sponsors to see the large entry of beginners and the judge was pleased with the work they did.

The York County finals of the public speaking and amateur entertainment will be held at the banquet again as it has proven a popular feature.

Canada's national parks embrace more than 30,000 square miles of outstanding scenic beauty.

Japanese textile workers getting paid a few cents per day make products that compete dangerously with those of Canadian textile workers in Canadian stores.

The greatest aggregation of apple orchards in the British Commonwealth is to be found in Nova Scotia.

Bill Mulholland Grew 422 Bushels of Spuds To The Acre

Results of the York County 500 Bushel Potato Club just accounted by W. M. Cockburn, Newmarket, secretary of the County Crop Improvement Association show the yield to be down somewhat this year with only one grower, Jerb. Jones of Maple, exceeding the 500 mark with 559 bushels. It is believed that Mr. Jones has established a record for the province by winning this high yield contest four consecutive years, making a four year average of 600.75 bushels.

Norman Payne of Maple moved up this year to second with 487 bus. and Denzil Oldham of Mount Albert, a new contestant took third with 457 bus. These three also stood in the same order for yield of marketable tubers. Others over the 400 mark were: Murray Crone, Mt. Albert, 443; Wm. Mulholland, Jr., Ballantrae, 442, and Douglas Campbell, Mt. Albert, 417. The average of the nineteen growers who completed the contest was 384.3 bushels per acre.

The growers are planning to have a banquet as usual later in the fall when the prizes will be presented. In the meantime all those with over 300 bus. are eligible to compete in a championship contest at the Royal so it is expected that those over the 400 level will be selecting some choice specimens for this final event.

This has been a most disappointing year for potato growers with truckers and dealers offering such discouraging prices at the farm.

AUCTION SALE Registered & Grade Holsteins

50 Hogs, John Deere Tractor, Hay Grain, Case Combine, Ensilage AT LOT 7, CON. 6, PICKERING TP.

Saturday, Nov. 18

The Property of

MRS. E. R. CARSON

Grade Holstein, 3 years, full flow
Reg. Holstein, Patsy Segis Lass, milk- ing, 2 1/2 years old, vaccinated, bred Aug. 7
Reg. Holstein Heifer, full flow, 2 yrs. old, not bred, vaccinated
Reg. Holstein, vaccinated, bred June 29th
Grade Holstein Heifer, full flow, 2 years
Reg. Holstein, Berteel Korndyke Rag Apple Jo, full flow, bred Oct. 21
Reg. Holstein, Fancy Burke Netherland, bred June 12, vaccinated
Reg. Holstein, bred Mar. 27
Reg. Holstein Heifer, 2 years, open, vaccinated
