Fans are getting somewhat disgruntled at the slowness of the local senior hockey loop to get started, but this week should see some action in this connection.

Jackie McLeod, promising young forward with the New York Rangers who suffered a broken collar bone during the last minute of play in the Saturday night N.H.L. game in Toronto, is a nephew of our townsman, Bert Bell.

Unionville Junior Hockey Club has engaged the Stouffville Arena for their home games for the balance of this year or until Unionville ice is ready. Markham Millionaire Club has also requested time to play their home games in Stouffville. More than fifty teams are already using local ice each week in addition to skating club, public skating, and free time for the children which makes for quite a full schedule.

Markham Millionaires dumped Newmarket Redmen 12-1 in an exhibition game last week. Markham were full value for their win and after a ten-minute scoreless session in the first period, there was no doubt as to the outcome. The game was marked by more than a dozen brawls and was witnessed by nearly a thousand fans. Markham presented only six of last year's Millionaire squad. Their new kid line, last year with Carvil Transport Juniors, showed up very well. Several of last year's Toronto Meteors and Junkin of West Toronto Mercantile were among the new faces.

Young Hockey Player Seriously Injured

Young Ted Crupa, Unionville hockey juvenile, was rushed to the East General Hospital on Thursday evening when he was seriously injured during a practice session in the Stouffville Arena. Young Crupa collided with another player and in falling he punctured a blood vessel in his thigh and suffered considerable loss of blood.

Dr. S. S. Ball was summoned and gave emergency treatment before having the lad removed to hospital.

RE-ELECTED PRESIDENT OF RURAL H.A.

J. C. Kaufman of Tavistock Wednesday was re-elected president of the Ontario Rural Hockey Association at the association's 20th annual meeting.

Other officers: vice-presidents, G. R. Stewart, Barrie; W. Quait, Thamesford; Ross Fewster, Ingersoll; secretary-treasurer, H. D. Ovenden, Wainfleet. Executive: O. J. Hardwicke, Bolton; J. G. Feasby, Kitchener; Dane Found, Orono; J. McFadyen, O.H.A. representative.

Ball Club To Receive Tri-County Trophy at Lindsay, Nov. 24th

The champion Stouffville Baseball Club will be presented with the Dick Butler Trophy and Fenelon Falls team will receive the new Bradings Sport Trophy when the Tri-County League winds up its fifth season with a banquet at Benson Hotel, Lindsay, Friday, Nov. 24.

Gordon Walker, business manager of the Toronto Maple Leaf Baseball Club and former Toronto Globe and Mail sports writer, will be guest speaker. Mr. Walker just returned along with Joe Ziegler, from the major league draft meeting in Cincinnati and will give league players, officials and fans an inside look at the workings of a big league ball team.

Crests will also be presented to Earl Cook's winning crew and Frank Stukus runners-up and the central group winners, Little Britain.

Persons interested in attending the banquet this Friday evening at 7 p.m. (s.t.) may secure tickets by contacting the manager of the Ball Club, Lou Raxlin.

Four Teams Drop From Trolley Loop

Four of the six teams affiliated with the Trolley League (OHA Intermediate Group 4) have dropped from competition.

Coach Ellis Pringle of Sutton Greenshirts reported his team was withdrawing from OHA competition due to lack of playing talent. Sutton will seek entry in Tri-County Rural League. Bradford reports similar conditions and has filed a request for entry in Sutton Simcoe Rural League.

Newmarket Spitfires, last year's champions, expect to be grouped with Markham and Stouffville in a Senior B circuit. East Coast, fourth of the missing squads, have entered the Toronto Hockey League.

Two of last year's teams, Aurora Indians and Navy Vets, a Senior B squad, have re-entered. Woodbridge was accepted as the third team. To complete the league Alliston, Brooklin and Daves-Danforth Combines, with home ice at Unionville, are being approached.

British Hockey Fails To Draw; Players Angry

The novelty seems to have worn off hockey in England.

The crowds that used to pack the arenas for the English League games are staying away in droves, and there's a likelihood that some of the players will be home in Canada before the season is finished.

The players, all but two of whom are Canadians, are burned up about the fact that three London arenas at which the big games are played—Wembley, Harringay and Earl's Court—are pushing the pucksters off the ice for nine weeks during the Christmas season to make way for circuses and ice pantomimes.

Many of the players are dissatisfied with a proposal that they play exhibition games on the continent while the arenas are closed. Apparently there has been no word of when or where or even if these games will be played and the dissension would really come to a head if anything happened to stall the tour.

Said one Ontario player: "We've been hanging around for weeks waiting to learn when and where we'll be going on the continent. Believe me, I'm going home if they don't kick through with this tour."

Harry Boyd, former captain of the University of Toronto hockey team, was one of the least concerned. But that's only because he's studying for his M.A. at the University of London and can use the extra study time.

Arena officials explain that ice spectacles pull in more money than hockey, and run through the week, whereas hockey goes only twice a week. There has been no rush for seats for even the Saturday hockey games, and mid-week games have been drawing only fair crowds.

Some politicians seem to be in a perpetual fog—so they go around blowing their horns.

The old lawnmower your neighbor borrowed soon won't be what it used to be—it'll be your snow shovel.

Considering the state of the world today, some are beginning to wonder if they weren't born on the wrong side of the universe.

Unionville Enters 6-Team Junior 'B' Group

(By Jim Thomas)
A six team Junior 'B' group has been formed comprising Aurora, Unionville, Weston, St. Mikes, Brampton and North Toronto Lions. St. Mikes are to play their home games in Maple Leaf Gardens while Unionville will be here every Monday night until their own artificial ice rink is ready. The Unionville club play their first game on Friday night at Weston and then move to the Gardens for a Saturday afternoon tilt with St. Mikes. On Monday night they show their worth before the home fans as they tangle with Aurora. It looks like a good group and should provide plenty of interest for the local supporters.

Weston Marlboros are sponsored by Toronto Maple Leafs and the feeder for the Marlboros Junior A club.

North Toronto Lions with home ice at Nobleton are a big, rangy club in third year and no strangers to this district.

St. Mike's Buzzers, also of the Leaf chain are under the eye of head coach Peanuts O'Flaherty. The fighting Irish won't lack for supporters and will be one of the most colorful in the loop.

Brampton Regents, group finalists in 'C' last year with Aurora are now coached by ex-hockey great Butch Keeling. Nine holdovers from last season plus some fine imports make up a hand-picked outfit.

Aurora Comes From Behind To Down Unionville

(By Jim Thomas)

Aurora had to come from behind on two occasions to win out over Unionville 10-5 in an exhibition game on Friday night. From the drop of the puck it looked as though Bob Lawrie's boys were sure winners as they stickhandled the Aurora forwards to a standstill but the heavier and more experienced Yonge Street squad slowly fought back to take the game. Unionville, who have only had a couple of practices as a complete team, produced some nice combination plays while Aurora resorted more to solo rushes and ganging attacks. The goal tending chore is the one weak point for the sixth concession lads although two were used. No doubt this will be checked on before the schedule gets underway.

Unionville opened the scoring after two minutes of the first period had passed when Bonnell blinked the light from close in. The two White brothers teamed up to add another goal three minutes later and take a 2-0 lead. Aurora got into the game in a scoring way firing in three successive goals to take the lead. Before the period was over Marriet of Unionville stickhandled through the entire Aurora team to tie the score.

At 3:36 of the second period Bonello put Unionville out front again but from there on Aurora began to show their power with three fast goals in less than four minutes to take a 6-1 lead. Courier then tallied to put his team back in the running again.

The third period was all Aurora with four goals without a reply from the opposition to take the game. The contest was poorly refereed as the boys got out of hand at times. These fellows play with everything they've got and must be handled with a firm hand if they are to be kept under control. The two Petch brothers form a formidable twosome on the blue line and gave Aurora that extra strength and weight. Thomas speedily played a standout game. It will be interesting to see these two teams hook up again on Monday night.

"Members of a certain South American tribe can count no higher than six." — newspaper filler. That's better than many a golfer can do.

Rutherford of Midland Local Hockey Convener

Jack Rutherford of Midland has been appointed convener of the local senior hockey group. The league will be made up of seven teams, rather than eight as had been expected. Orillia has found it impossible to compete since their new arena is only partially completed.

This leaves Owen Sound, Midland and Collingwood in the northern section with Markham, Stouffville, Alliston and Newmarket in the southern division. Bracebridge may be prevailed upon to join with the northern clubs to make up a quartette there and round out the group.

BROOKLIN COUPLE FETED ON ANNIVERSARY

About forty members of the family of Mr. and Mrs. Dave Crawford gathered at their home in Brooklin on Saturday evening, Nov. 18, in the form of a surprise party, it being the occasion of Mr. and Mrs. Crawford's 49th wedding anniversary.

After presenting a corsage of roses, white baby mums and fern to the bride and a white boutonniere to the groom, the evening was spent in progressive euchre, after which a dainty lunch was served.

The table was decorated with mauve and white mums, and centred with a three tiered wedding cake. A beautifully decorated anniversary cake was served with ice cream.

The entire family of six sons and two daughters together with their wives and husbands were present with the exception of Mrs. Gordon Crawford who was absent owing to illness. There were also 21 of their 29 grandchildren present.

Gordon Crawford, eldest son of the family read a very nice address to his parents on behalf of the family. He then proposed a toast to the bride and groom of 49 years ago. This was responded to by Garnet Crawford. The family is looking forward to the golden anniversary next year. Madeline (Mrs. Lorne Tran), eldest daughter, presented her parents with an electric tea kettle on behalf of the family.

WEDDINGS

GRIMSHAW—ATKINSON

The home of Mrs. William Powell of Aurora was the scene of a very pretty wedding on Saturday, Nov. 18, when her sister, Charlotte E. Atkinson, became the bride of Herbert T. Grimshaw of Yucaipa, California. Rev. H. J. Howey, assisted by Rev. E. C. Moddle, performed the marriage ceremony, and the couple were attended by Mr. and Mrs. Roy Morley of Stouffville, the latter being a sister of the bride. Miss Lelia Reynolds, cousin of the groom, played the wedding music.

The bride looked charming in dove-grey silk crepe, with wide insets on bodice and pannered skirt of exquisite chantilly lace in the same tone. A shoulder cascade of Tallsman roses and fern completed her costume. Mrs. Morley was attractively gowned in burgundy wool crepe with crystal bead trimming in harmonizing shades, and wore a corsage of yellow and cream roses. The hostess, Mrs. Powell, wore smoke grey silk faille, with buttoned bands of the same material on the skirt. She had matching silver accessories and her corsage was of American beauty roses.

The living rooms were bright with bowls of yellow and white cysanthemums. On the tea table with its cloth of lace, stood the handsome three-tiered wedding cake, the combined handiwork of the bride and groom. It was banked with pink tulle and flanked by lighted cream tapers. A delicious buffet supper was served at the conclusion of the wedding ceremony, Rev. H. J. Howey acting as toastmaster. The toast to the bride was proposed by Rev. E. C. Moddle. Assisting in serving were Mrs. Kenneth Giles, Mrs. Norman Ean, Mrs. Leonard Holman, Miss

Ethel Empringham and Miss Shirley Holman.

Later in the evening the happy couple left by motor for Hamilton, the bride travelling in a becoming dressmaker suit of maroon gabardine, with black hat trimmed with soft feathers. Black accessories and a corsage of pink roses completed her ensemble.

On their return, Mr. and Mrs. Grimshaw will leave shortly for their home in Yucaipa, California.

Walking is good for the health only when you are careful enough not to get run down.

We understand now the meaning of "time is money." If you haven't the money, you buy on time.

A plant boss blamed abstemiousness on workers feeling too tough at the end of the week. Or, in some cases, is it too tough a weekend?

"The change to three-dimensional motion pictures would be such an abrupt one that Hollywood hesitates to make it," says a producer. It is suggested that the gap be bridged by issuing a few films in two and a half dimensions.

Yours to enjoy...

MOOSE hunting is now illegal in Ontario. This was made necessary by the rapid decline in the moose population. A few years' protection will restore this fine game animal to sufficient numbers for hunting. Conservation today saves your outdoor pleasure for tomorrow.
