

### Four vital steps to security

(with something important in common)

1. A steady job is the foundation of security. And job-security can be increased by showing initiative — the quality which, surveys prove, makes workers most valuable. Life insurance dollars, invested in industries and public works, create many new jobs each year.

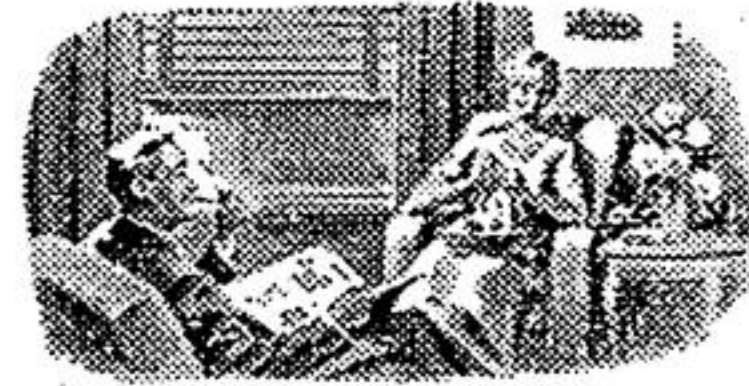

2. Owning your own home builds security two ways. It allows you to make a sound investment through regular savings, and it brings freedom from housing worries. Hundreds of thousands of Canadians now own their own homes, built with the help of life insurance dollars.

3. Cash resources, such as savings accounts and Canada Savings Bonds, promote security by providing funds for emergencies. And it is important to save regularly. Life insurance helps you save systematically — for family protection, retirement and other future needs.

4. Life insurance protects you and your family as you build security in all these other ways. It helps to provide income for your retirement. And it guarantees your dependants an income in the event of your death. Thus by owning life insurance you take your most vital step to security!

Here's to your future! In all these ways, life insurance helps you and yours to find greater security. Today 5 million Canadian life insurance policyholders are helping themselves and each other to face the future with increasing confidence!

### GOODWOOD

Mr. and Mrs. Chris Yakeley have moved into the vacant apartment owned by Mr. Stanley Slack. We welcome Mr. and Mrs. Yakeley to our village.

White Gift services will be held in the United Churches at Goodwood, Fifth Line and Siloam this Sunday. At Goodwood Church the white gifts will be received at the Sunday School in the morning, and then in the evening service for

those unable to be present in the morning.

The Merry Mixers had their first bowling party on Monday evening. There was a good turn out and everyone had an enjoyable evening.

Once again we are looking forward to the Christmas services in the United Church. The church will be decorated and there will be organ music for 15 minutes before the evening service.

### Clippers Clip Millionaires 7-6

After taking a three goal lead in the first and losing it midway through the second the Clippers fought back to score a 7-6 decision over Markham Millionaires on Tuesday night. It was a thrilling game all the way with both clubs giving all they had from the drop of the puck. Bangay put on a terrific performance playing almost the entire game either on the forward line or on defence. Besides beating Stunden for two goals the husky rearguard set up Minton for the Clippers' sixth tally. In the nets both Rhodes and Stunden turned in good games with the latter showing his best form of the season as he kicked and batted aside many hard shots. Five of the Millionaires' goals were netted by newcomers to the line-up as these young rookies seem to be showing up better than some of the veterans with more experience. Galand was top man for the Markhamites with two goals. There was some fast scoring in the game with Markham collecting four goals in five minutes and Clippers flying right back to bang in two tallies, one by Bangay and the other by Minton, within a matter of seven seconds separating them. Gord Lewis came up with the big goal of the night and turned a six all tie into victory for the locals with only four minutes remaining.

In the first period the Clippers jumped into a three goal lead as Bangay sizzled a hard drive into the corner with Allan of Markham serving time. At 7:14 Stark took a pass from Machin for goal number two. The locals kept up the pressure as the Millionaires seemed slow in clearing in front of their own net and Gibson blinked the light with Machin again assisting.

In the second period Markham sprang to life as Galand connected for his first goal and Robinson put his team back in the running at 2:47 unassisted. At the half way mark the Millionaires continued to press and Clements put both the teams on even terms on a shot that Rhodes never saw. At 5:46 Galand picked up his second marker of the night and gave Markham a one goal lead. Not to be denied the goal hungry Clippers zoomed in on Stunden and Couch capitalized on a pass from Machin to again square things up. At 14:22 Polly Minton set Bangay up for a neat goal and the speedy forward blinked the light himself in a matter of seconds later to end the period with the Clippers holding a 6-4 lead.

In the final twenty minutes with Gibson sitting out a two minute penalty Gray beat Rhodes unassisted and H. Forgie evened the

### Dukes Come from Behind, Down Jets 7-4

After jumping into a three goal lead in the second period the Unionville boys failed to hold out as the fast skating Weston team tallied with six goals in ten minutes to take the contest 7-4. The Jets showed real power as they backed the visitors into their own end for the first half of the game and should have run up a larger score for the opportunities they missed around the net. Three of the four goals netted by the locals were scored with Weston players serving time in the box. Doug Moore who will be remembered by many fans for his work between the pipes for our own Junior Club a few years back, turned in a good job for the sixth concession crew and will add the much needed strength to Bob Lawrie's goal tending chores.

Unionville opened the scoring at 6:10 of the first period as Marr let go with a hard blueline drive. With only minutes remaining in the period Bell broke free for the Dukes to skate in alone and beat Moore from close in.

In the second period the Jets poured around the visitor's cage and kept Henderson of the Dukes busy holding off the local attack. At 4:00 Howell banged in Marr's pass to put Unionville one up and with Weston playing two men short McGee, Watson and Remmer combined to put their team two up. Four minutes later Pinky White worked in for a neat goal and ended the scoring for the locals. At 9:45 Weston began to overtake their rivals as M. Petch was checked on the boards by Jamieson of the Dukes who beat Moore from close in. Ten minutes later with two of the Unionville boys in the penalty box McIntosh tallied from Bell to put his team back in the running again. At 13:20 while playing two men short McIntosh of the Dukes whirled in alone again to outguess Moore and tie the score. Jaio of Weston made it 4-3 and Timgren, brother of the famous Ray of the Leafs, put his team two up to end the scoring for the period.

Weston clinched the game on

count at 9:30 on a well earned goal. At 15:50 with players sprawled over the ice Gord Lewis lying with his back to the net banged in the winner and brought local fans to their feet.
