CHEVROLET FOR 1952 features greater riding comfort through redesigned shock absorbers; improved performance through refinements in carburetion and through new type engine mountings; and a wide variety of new exterior colors combined with harmonizing interior trim and fabrics of deluxe models. A new radiator grille, fresh ornamentation and bright metal work contribute to a lower, longer appearance. Eleven models are available including the popular Bel Air, the Convertible and the Station Wagon. Shown here is the 1952 Chevrolet Styleline Deluxe four-door sedan.
