**NOTICE**

**To Ontario Producers of Eggs and Poultry**

The Ontario Farm Products Marketing Board has received a petition for the approval of a proposed marketing scheme for eggs, under the provisions of the Ontario Farm Products Marketing Act.

A vote by ballot has been arranged so that the Board can determine the opinion of producers on this proposal. If you are 21 years of age or over and have produced and sold eggs during 1951 and/or are producing and selling eggs in 1952, you are eligible to vote. Any member of a family engaged in the production and sale of eggs is eligible, if over 21 years of age, but only one member of such family is entitled to vote.

A copy of the proposed scheme may be obtained from the officers of your County or District Federation of Agriculture or from the office of your Agricultural Representative.

Producers will have the opportunity of voting by ballot on the marketing scheme for eggs on April 17, 18 and 19, 1952. Polling stations will be established at strategic centres in each county or District. Due notice of the location and the time of voting will appear in this paper next week.

Each producer of eggs and poultry who wishes to vote will be required to declare his eligibility and to register with the returning officer before receiving a ballot. Your Agricultural Representative is the Chief Returning Officer for your County or District. Deputy-Returning Officers will be appointed for each polling division.
