## 20 Lb. Coon Captured After Chicken Slaughter

The raccoon which killed Bob Ruddy's chickens, 54, in all, and emptied 47 pheasant eggs, was caught last week. The coon weighed 20 pounds. It ripped up wire fencing that Mr. Ruddy couldn't pull up himself, and they suspect the mate which hasn't been caught to date may be the real culprit. It was a surprise to those concerned that the coon wasn't heavier, considering the damage that was done.
