\$100,000 in Equipment For Mennonite Revival

The Mennonite Churches of Ontario, and western New York are sponsoring a huge tent revival campaign this summer just north of Waterloo on the Cleason Snyder farm on the old Airport Road. Two brothers, George R. and Lawrence Brunk of Denbigh, Va., will be the evangelists for the occasion. The meetings are scheduled to begin July 5 and last until July 27.

The large tent and accompanying equipment valued at \$100,000 are owned jointly by the two brothers. The Brunks, who entered the evangelistic field a few years ago, are coming to Canada for the first time this summer.

The huge circus-like tent with a capacity of more than 6,000 is fully equipped with all that the campaign needs. Flood lights,

loud-speaking equipment, platform, etc., all combine to give a sense of vastness to this campaign. The tent is fully fire-proofed.

The Brunk brothers are experienced in evangelistic and revival work. They have conducted successful, large-scale revival meetings in Florida, several places in Pennsylvania and in Ohio.

George does the preaching. He graduated from William and Mary College and from Union Theological Seminary in Richmond, Va. He taught the Bible at Eastern Mennonite College before entering the evangelistic field. His voice easily carries to the farthest corners of his audience.

Lawrence, the second of the brothers, leads in the singing. Both are six feet-four in height.

Canada's southernmost part — Pelee Island — is slightly south of the northern portion of California.

Irish Moss is one of the industries peculiar to Prince Rupert Island.

Many Contributions To Pickering School Scholarship Drive

Mr. W. P. Neale, Chairman of the Pickering District High School Board, reported recently that the results of the Pickering District High School Board's drive for scholarships and prizes for the new High School were very successful. For the year 1952 over five hundred dollars (\$500.) in scholarships and prizes have been solicited so far.

Mr. Neal said that he was very pleased with the fact that the communities of Pickering Township and the Improvement District of Ajax had given such an enthusiastic backing to the Board's plan for scholarships and prizes. The Pickering District High School Board is concerned to see that the new High School has a full list of scholarships and prizes both to reward the efforts of deserving pupils and to encourage ambition, hard work, and high scholarship throughout the school.

It was emphasized further that while many citizens and businesses and organizations had contributed, there was still a fairly large number of scholarship and prize categories to be filled. One category of prizes that had not been filled as quickly as the Board would like was the plaque or shield to the value of twenty dollars (\$20.) for the boy and girl in each class that showed the most improvement from June of one year to June of the next year. This prize, designed to encourage the determined and hard working student, would be purchased by the donor only once.

On behalf of the Board of the Pickering District High School, Mr. Neale wishes to thank the following individuals, organizations, and businesses who have given so generously: Grade XIII: Mr. A. W. Mitchell, Dowty Equipment Co., J. S. Balsdon; Grade XII: Mr. Wilf. Hunt, Oxford Paper Products, Claremont Women's Institute, Pickering Eastern Star, Dr. Glynn Jones, Cyril Morley, Catholic Women's League, Pickering Women's Institute, Aga Steel, Brougham Women's Institute, Special Commercial: Rouge Hills Lions, Brougham Lodge I.O.O.F. Grade XI: Proficiency: George Todd, Rural Bus Lines, M. S. Chapman; Grade XII Proficiency: Rural Business, Pickering News; Grade XI Proficiency: Robert Simpson Co. Ltd., Dr. P.W.J. Loos; Grade XB Proficiency: Mr. B. K. Sleightholm, W. O. Bennett; Grade XC Proficiency prize: Aga Steel, Lorne C. White; Grade XD Proficiency Prize: J. A. Bushby, Simpson Wood Products; Grade IXA Proficiency prize: Ajax Women's Institute; Grade IXD Proficiency prize: Claremont Women's Institute; Grade XII Improvement Prize: Ajax Kinsmen; Trophies for All Round Girl and Boy: Highland Dairy, Dunbarton Kiwanis, Dr. N. Tomlinson; Sports Prizes: Dr. W. W. Tomlinson, Harry Boyes, J. R. Boyes; Special Art Prize Grade X: Reeve's and Co., Calf Club; Bank of Commerce, Pickering; Mr. W. P. Neale; Penmanship Prize: J. T. Stephenson.

She's 'Getting Old' At 103 Years

Mrs. Lucy Elliott, who has five children, 15 grandchildren, 30 great grandchildren and two great great grandchildren, was 103 on Friday.

The white-haired Mrs. Elliott doesn't look her age. Up until this spring she was able to visit her many friends. Now, unable to walk unless someone helps her, she spends most of her time in her garden among the flowers she loves.

Mrs. Elliott attributes her long age to the fact that she doesn't let anything worry her.

Born in Bridgewater, Somerset, Eng., Mrs. Elliott came to Canada with her parents as a child.

At 23, she married Matthew Elliott, Canadian-born son of a pioneer family, and the couple began farming in Bosanquet Township. They returned to Agincourt a few years later. Mr. Elliott died in 1928.

Mrs. Elliott's birthday was celebrated at the home of one of her daughters, Mrs. Frank Mason, with whom she lives.

Her other children are Mrs. J. Baker of Guelph, Mrs. F. Yeamans, Mrs. L. Kennedy and a son, Hugh, all of Agincourt.

Lonely Man Likes Jail
Charlie Musselman celebrated Independence Day by announcing to Oshawa Magistrate's Court that he liked staying in jail!

The lonely little man from Uxbridge Township was brought before Magistrate F. S. Ebbs on a charge of attempting to commit suicide. He was arrested after he tried to burn down his cottage — with himself inside it.

"You are happy where you are, aren't you?" asked Crown Attorney Alex C. Hall.

Just brought in from the county jail, Musselman grinned and said "I guess I am." As far as the suicide charge he told the magistrate that he got a little "tight and didn't know what I was doing. That is all."

he thought the recent weather would have been hot enough for anybody without them setting their homes on fire to add to the temperature.

Charlie will be remanded in his favorite jail—until Tuesday.

30 M.P.H. Speed Limit At Whitevale

A petition was received from seventy per cent of the residents in Whitevale requesting that a 30 M.P.H. speed limit should be enforced in the hamlet of Whitevale with proper signs to be erected. Pickering Twp. Council members believed the measure to be a wise move and the motion was carried. Anyone violating the speed limit is subject to a fine of \$10 and costs.

If dad is worrying about where to take the family for a Sunday drive, he's foolish. They'll all tell him.

Base Metal mines are adding more than \$25,000,000 annually to Quebec's mineral income.

LEMONTVILLE

(Thursday, July 3)

The regular monthly meeting of Lemontville W.A. has been postponed one week and will be held on Wednesday, July 16th.

Little Miss June Preston celebrated her 2nd birthday last week by entertaining some little friends at a birthday party.

Mr. and Mrs. Marvin May and Terry were supper guests with Mr. and Mrs. Chas. Ratcliff on Monday evening.

Mr. and Mrs. H. Burnett and Harry were Sunday dinner guests at King with Mr. and Mrs. J. Watson.

Mr. and Mrs. D. Greer and family spent Monday visiting with relatives in Toronto.

The regular service of worship on Sundays at 9:45 a.m. presents a challenge to all of the community to show your interest in the local church by being in your place every Sunday.

Due to depletion of Louisiana and Texas sulphur deposits the pyrite deposits of Quebec are becoming increasingly important.

Modern mechanized equipment has made "muscle-farming" out-of-date

Do it with machines—not with muscles—is the modern concept of farm operation. The work can be done easier, quicker, better, and at less cost the machine way—and there is less worry and less expense when you use machine help instead of inexperienced and costly labor. No man who has experienced the many advantages of operating with modern equipment would want to go back to the days of "muscle-farming."

Some of the greatest advances in mechanization in the history of agriculture have been made in recent years. Your Massey-Harris local dealer will be glad to give you full details of the complete line of Massey-Harris modern farm machines.

Makers of high-quality farm implements since 1847

Want to Keep YOUR Freedom?

We like to sing about this Canada of ours being "the true North rising free." It is a fine sentiment, and on the whole it has been quite true.

But our freedom is a thing which needs constant care lest it die here as it has died in so many other countries throughout history. We cannot enjoy true freedom as a people unless we insist upon personal freedom. We lose personal freedom, and so contribute to the downfall of all freedom, every time we ask Government to plan or regulate our lives.

Collective bargaining; the right to dispose of our services and our property as we see fit; the right to freedom of assembly, speech and worship—all these we enjoy because freedom-loving individuals fought and, if necessary, died for them.

If we want to keep our freedom we must have the same courage and resolution.
