

More Than 200 in Delphinium Show in the Arena.

More than 200 entries appeared in the joint delphinium show held here by the Horticultural Societies of Stouffville, Markham and Unionville on Wednesday night in the arena. Excellent quality and arrangement was apparent in the fine exhibit which drew most favorable comment from both the judges and the many who visited the show.

Mr. J. Tiffin of Scarborough, District President and Vice President of the Ontario Horticultural Association occupied the chair for the occasion. John F. Clark, Toronto, was the guest speaker. Judges for the show were, Mr. Ernie Kohler, Thornhill, Mr. Ed. Little, Miss

Jane Little, Richmond Hill. A male quartette from Markham, readings by Miss Rodick of Unionville and a mixed chorus from Stouffville, provided the entertainment portion of the program.

Nitro Blows Safe

For the second time in three months, a soft drink plant in Uxbridge was broken into on Saturday when thieves blew the safe with nitro glycerine at the Coca Cola Plant. They fled empty-handed, however, when surprised by night watchman James Swinton.

Last week, a safe stolen from the company offices was recovered at Pefferlaw. The safe blown last week was a new one. The charge almost wrecked the office.
