

# Plans for 1952 International Plowing Match

Several new classes, a revised layout for the "Tented City" and an excellent site, all combine to give promise of an even bigger and better International Plowing Match and Farm Machinery Demonstration in 1952, so states F. A. Lashley, the Secretary-Manager of the Ontario Plowmen's Association who sponsor this event.

With headquarters located on the Carp Airport, a few miles from Ottawa, interest is already running high and the Local Committee is working hard at the job of getting everything ready for the many guests who will visit the "International" in the week of October 7th.

Of the new classes which have been added to the prize list this

year, possibly the "Mayor's Class" is receiving most public attention. Started by a challenge from Mayor Charlotte Whitton to the Mayors of Ontario, this has developed to a full-fledged event which will be held on the afternoon of October 8, immediately following the official opening. Already the challenge has been taken up by Mayor Lamport of Toronto, Mayor Smith of Woodstock and Mayor MacKenzie of Beaverton. The latter two officials are both ladies but undoubtedly some more of the Ontario men holding this office will come forward to challenge the supremacy of the ladies at the art of plowing. The winner will receive a Challenge Cup which is being presented by J. D. Thomas,

Honorary President of the Ontario Conservation Association.

Two new classes for visitors—one for horse and the other for tractor plowing have been added to this year's list. These classes will be open only to plowmen from outside the Province of Ontario and it is expected there will be a number of American plowmen on hand to participate, in addition to competitors from other Provinces.

Local Counties Day will also have some new points worthy of note. In addition to having the Local Counties events for all counties east of and including Frontenac and Renfrew, the Western Quebec Plowmen's Association is co-operating by sponsoring

several classes for competitors from the Counties of Papineau, Pontiac and Gatineau. They are also contributing towards the expenses of all of their members who participate in the Match.

In addition to the new classes, the "Tented City" will have a "New Look" this year. Instead of two streets as has been the case in the past there will be three streets with six rows of tents for exhibitors and caterers. This will make for shorter streets and a more compact layout. At the same time the Association is attempting to obtain a layout which will be advantageous to all concerned. As a result, they have set the deadline of September 6th for receiving applications for space. All who are planning to have an exhibit or to cater at the match should make their applications for space before that date to F. A. Lashley,

## Vandorf Park Aided By Local W.I. Event

The new community park at Vandorf will benefit to the extent of \$37.30 as the result of the successful Field Day and Penny Sale sponsored by the Vandorf Women's Institute. Members of that organization extend thanks to those who contributed articles, time and effort to making the event a success. Among them are Wilson's Hardware, the I.G.A. Store, both of Aurora; Canadian Tire, Riddell's Bakery, both of Newmarket; A. Van Nostrand and Son, Dudley Foster Grocery Store, R. B. Brown & Fred's Garage, Vandorf; Councillor S. Legge, Whitchurch Twp., Mrs. R. Baycroft, Gormley, district president of the North York Centre Women's Institute.

## Foot and Mouth Quarantine Ends On August 19th

Canada will be officially free of foot and mouth disease on August 19th.

Agriculture Minister James Gardiner has announced in Regina that the general quarantine on the foot and mouth disease area in Southern Saskatchewan will be lifted August 19th. And he said that simultaneously the country will be officially declared free of the disease.

Gardiner said veterinarians had found no case of the disease since May 3rd. Since then, veterinarians have been checking test animals which were grazing on previously infected pastures.
