

INTER - SCHOOL RUGBY

On Monday, Nov. 10th, Stouffville High School shaded Markham High School 12-10 at Markham. Because of the chilly weather, both teams made a great deal of fumbles. These came at crucial times for both teams. At one time Markham fumbled on Stouffville's threshold only to have Ron Peake recover for Stouffville on the seven yard line. At the other end Frisby plunged and lost the ball over the goal line. It was recovered by a Markham player who was tackled by Jim Coultice for a point. Stouffville had two touchdowns called back because the ball carrier either appeared to or did step on the touch-line. In one case Graham Frisby made a sensational catch of a pass and ran forty yards, ditching the Markham tacklers on the way, for a touchdown. It was called back, a heart-breaker for Stouffville.

In the first quarter Frisby scored Stouffville's first touchdown. It was unconverted. Then Maynard slipped through with a touchdown, unconverted, for Markham. In the second quarter Stouffville made a touchdown which was converted on a beautiful kick by Bill Bradbury. The half ended with the score 11-5 for Stouffville. The third quarter saw Maynard zip through with another touchdown for Markham making the score 11-10 for Stouffville. In the fourth quarter Jim Coultice tackled a Markham player behind the line for another point. The game ended 12-10 for Stouffville.

On Wednesday, Nov. 12th, Richmond Hill visited the local High School team and handed out a 28-21 defeat. It was a very cold and dark day, but the game was very warm, especially in the second

half. The first half was dominated by the Richmond Hill team which made slow marches down the field mostly on the strength of the plunging backs Grainger and Jones whose running and plunging kept whittling away at the yard sticks from one end of the field to the other. Stouffville punctuated this heavy going with occasional flashes of speed by Bradbury and Frisby. Stouffville, sparked again by Frisby and Bradbury, opened up the game and demonstrated some real speed and power.

Richmond Hill opened the scoring as Lloyd Grainger powered through for a touchdown. Jones kicked the convert. Frisby bit back in a burst of speed as he galloped away for Stouffville's first touchdown. Bill Bradbury kicked the convert. From here until the end of the half Richmond Hill took over. Jones plunged over after a long slow march up the field and then kicked the convert. Just a minute before half time he squeezed through again but there was no convert. The score was 17-6 at half time.

The Hill started the second half with a touchdown by Grainger. Leushener converted it. Then Bill Bradbury took a pass and plunged and smashed 15 yards for a touchdown. Cottrell of Richmond Hill was left uncovered and took a pass for an easy touchdown. Then Frisby took a pass from Foord and ran 60 yards for a touchdown, leaving the Richmond Hill tacklers eating his dust behind him. Bill Bradbury struck again as he swung his straight arm technique into action and dodged and smashed 40 yards for a touchdown, all after taking a Foord pass. The game finished 28-21 for Richmond Hill.

LEMONVILLE

Sunday visitors with Mr. and Mrs. R. Gibbins were Mr. and Mrs. Sam Parkey and family.

Mr. and Mrs. F. Harwood and family had Sunday supper with Mr. and Mrs. Andrew Hutchinson.

Mr. and Mrs. Art Steckley and family were Sunday supper guests with Mr. and Mrs. Chas. Ratcliff.

Mr. and Mrs. M. Gaul and family visited Sunday evening with Mr. and Mrs. O'Neill of Toronto.

Mrs. Wm. Cake and family visited with her parents, Mr. and Mrs. Price, in Waterloo for the weekend.

Sorry to report that little Vicky Sharp is sick and we wish him a speedy recovery.

There is still room for more of our community to attend services in the local church every Sunday. The service is planned for you. Don't forget next Sunday at 9.45 a.m. We'll be looking for you.

Mrs. Geo. Pugh of Cobocook has returned home after visiting for a couple of weeks with friends and relatives here.

Mr. and Mrs. W. Birkett visited on Sunday and Monday with Mr. John Birkett and family at Port Perry.

The Band of Willing Helpers of St. James Presbyterian Church held their monthly meeting on Monday at the home of Mrs. Harold Dixon. Mrs. Edith Morris read the scripture and the 23rd Psalm was repeated in unison. Mr. Wm. McCowan and Wm. Morris favoured the group with two musical numbers. The treasurer gave an encouraging report of proceeds of the bazaar. Plans were made to hold a baking sale and afternoon tea in the newly decorated basement of the church on Saturday, Nov. 29th. The next meeting will be held at the home of Will Morris.

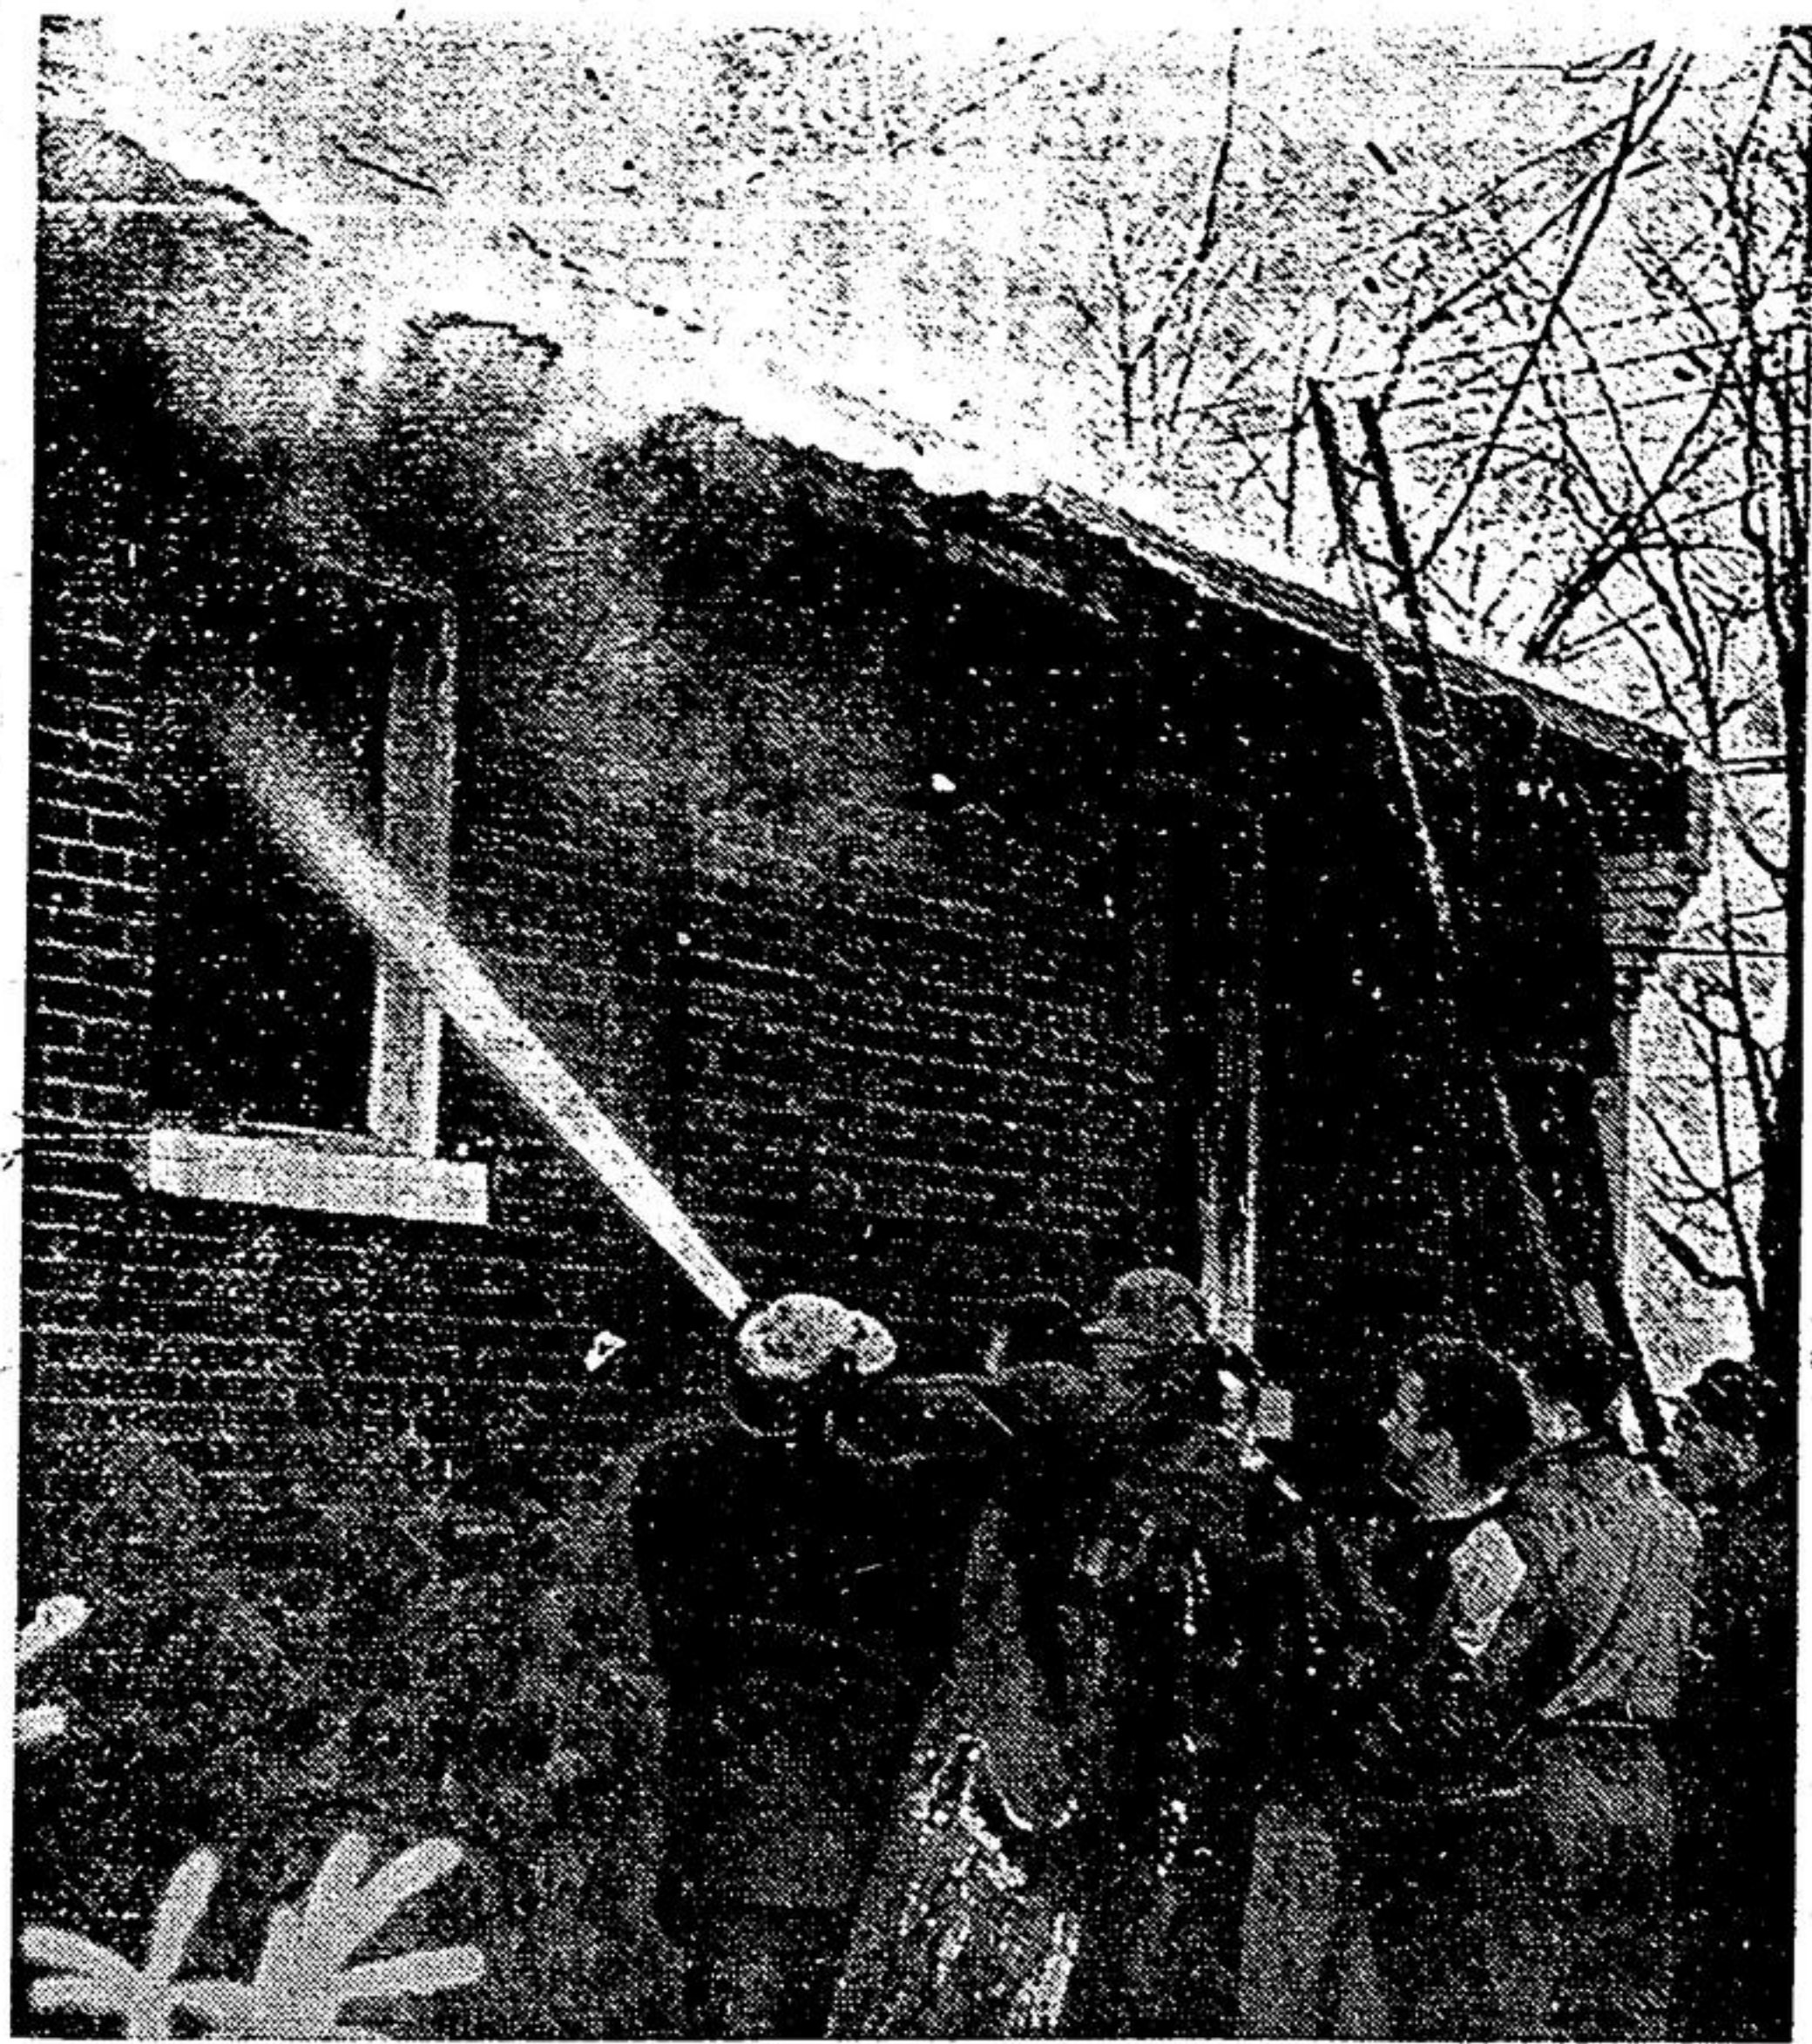

DOUGLAS MURRAY DUNN
Funeral services were held last Monday for Douglas Murray Dunn, who passed away on Saturday at Fairview Lodge, Whitby, in his 83rd year.

Born in Clarendon, he attended school there. Following his schooling, he farmed out on various farms in the township. Known as "Duke" he gardened for many of the homes in Pickering, until about four years ago. His wife, the former Julia Westgate, predeceased him about 20 years ago. Two brothers and a sister also predeceased him.

Service was held from McEachnie Funeral Home and conducted by Rev. David Marshall. Interment was made in Clarendon Union Cemetery.

Sheep are the only other farm animal to show a decrease. The number of cattle is fairly steady and swine have almost doubled since 1934.

\$50,000 FIRE RAZES DREAMS

Volunteer firemen pour water through a window of the Assinck brothers' Markham garage in a vain attempt to salvage equipment. Started by an exploding gas tank, the

fire gutted the building with estimated \$50,000 damage. Quick dousing with fire extinguisher by brother Joe may have saved the life of Tony

Assinck after clothing-caught fire. Tony's burns were treated by Mrs. Millar, Ross Campbell and Harry Cose from next door garage rushed over to fight fire.

Joe Assinck Tony Assinck Mrs. H. E. Millar Ross Campbell Harry Cose

RINGWOOD

Mr. and Mrs. Bruce Smith of Toronto were guests on Sunday with Mr. and Mrs. Thos. Cracknell. Mr. Smith is the fellow you hear every morning on the radio program "Toast and Jamboree."

Mr. Ralph Tracy, 85-year-old resident of Lacombe, Alberta, is enjoying a two-week visit with Mr. and Mrs. Jas. Kennedy.

Mrs. Addie Cote of Toronto spent the weekend with her niece, Mrs. Jake Baker.

About three hundred attended the church basement dedication service on Sunday evening, while about 125 enjoyed a congregational pot-luck supper on Monday evening.

Horse Is Doing Fast Fade-Out In Ontario

Provincial officials have taken a look at their latest statistics and disclose sadly that a horse in Ontario may soon be something to stop the car and take a look at.

Ontario now has the smallest number of horses since it has been keeping records, and the population dropped 40 per cent in just the last year.

The horse population has been declining steadily until it now stands at 260 thousand 627, compared to 378 thousand 300 in 1950 and 535 thousand 953 in 1934—the first year the department of Agri-

culture kept a record. Sheep are the only other farm animal to show a decrease. The number of cattle is fairly steady and swine have almost doubled since 1934.

New County Aged Folks Home To be Built at Newmarket

A new \$1,115,000 York County home for the aged on Eagle St., leading into Newmarket, is expected to be started some time in 1953. Members of county council heard a report last week by a special committee which outlined plans for modern building to accommodate 200 persons. The present home at Eagle and Yonge Sts. accommodates only 80.

Last June the Newmarket council decided to offer land as a gift for the use of a new home for the aged.

The county committee has accepted the offer of the 10-acre gift.

Construction on the home is expected to be started in 1953. The new building to face Eagle St., will consist of three main blocks. On the east will be a "U" shaped block of the ambulatory and married couples' wing. To the west will be an "E" shaped block of the bed patients' wing.

Directly beneath the bed patients' area will be the section for mentally impaired, opening out to the west at the lower level so that the men and women in this section may have their own private and fenced-off gardens.

Joining the "U" and "E" blocks will be a building devoted to lounges, dining rooms, administration and general ambulatory patients.

The site will lend itself to landscaping. The block plan suggests bowling and croquet greens, a kitchen garden and a number of walks which could add interest and healthful pleasure to the lives of ambulatory residents.

Provincial grants will reduce the county's share of the cost. The county expects to pay \$9,600 for property of which the government will pay \$4,800. The cost of construction and equipment will also be cut in half by the provincial grant to \$557,700.

One section of the building will be set aside for apartments for married couples. A 60-bed hospital wing with kitchen, washrooms and lockers will be included. The committee recommended that the present building on Yonge St. be kept until the new building is completed.

The reason given for building on a new site was that the Yonge St. property would be too crowded if the present building had to be kept in operation during new construction.

The committee favored the new site because it is close to municipal services. Agreements call for Newmarket to extend sewers and water mains to serve the new building.

The committee report says that by placing ambulatory areas and

High School News

On Friday evening the girls athletic society held a party at the high school. Some of the young folks present danced in the assembly room to records supplied by some of the students. Everyone enjoyed the games in the Home Economics room which included checkers, orokinole, table tennis and others. The party ended pleasantly in the Home Ec. room where sandwiches, cake and soft drinks were served.

Stouffville won a 12-10 victory over Markham in the rugby game held at Markham on Monday but Richmond Hill proved to be a little too much for the fellows on Wednesday and gave us a 28-21 trimming. Cheer up boys, we'll do better next time.

On Nov. 5 Stouffville High School played host to the Pickering District High and defeated them in a rugby game 16-15. It was a thrilling game from start to finish. Right from the kickoff the local school squad marched to the Pickering ten yard line. While they did not score, everyone could see that they would take the lead before long. The big improvement in the Stouffville team was in their blocking and tackling.

Pickering opened the scoring in the first quarter with a field goal for three points. This completed the only scoring in the first half. Stouffville started to roll in the second half with a touchdown by Stouffer. Then Ron Peake came through with two sensational catches for two touchdowns. The one was converted on a pass to Jim Coultice. Pickering came back with a pair of major scores and one convert on a rouge on a field goal attempt. This completed the scoring. McKee scored all of Pickering's points in a real display of running.

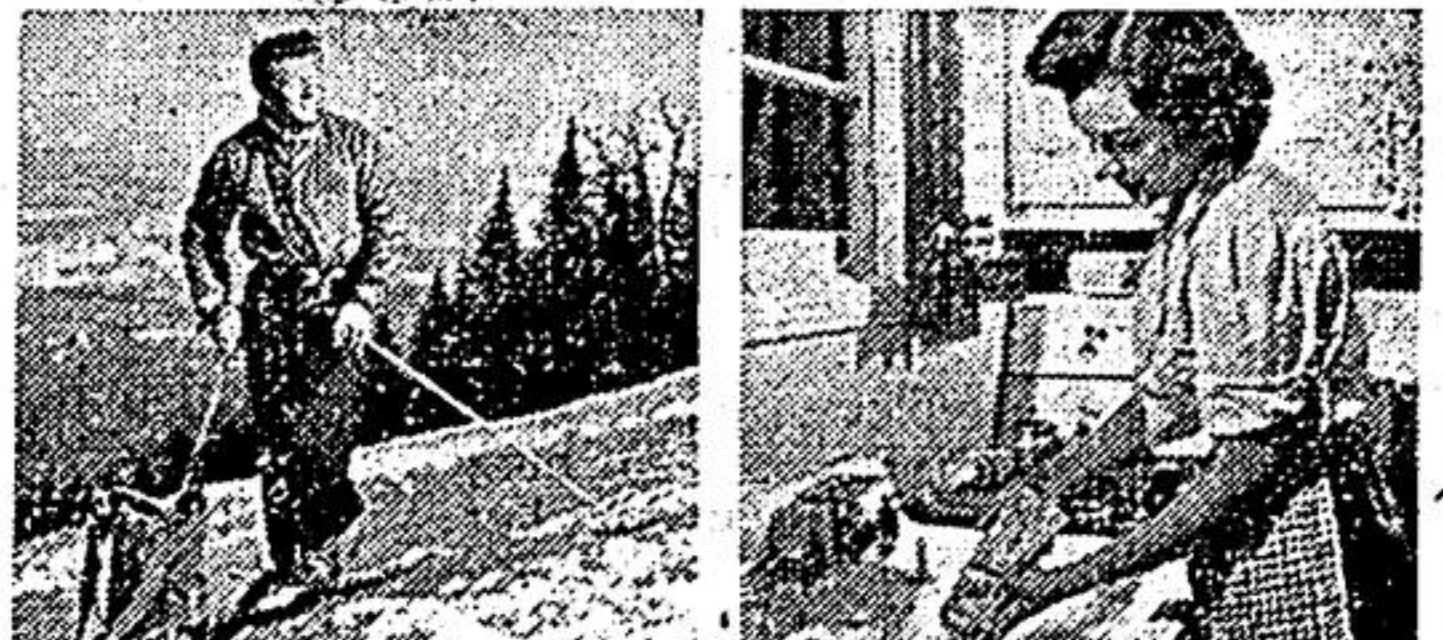

bed patients on one level opening out to the south at ground level, a feeling of freedom and pleasantness would be achieved and bed patients could be wheeled out onto the terrace to the south of the central area in summer weather.

Some representatives from southern municipalities objected to the new home being located at Newmarket. They argued that many of the old people will be from the city and that they would rather be closer to friends in the city. They felt that the home should be built in the southern part of the county.

Picture News from C-I-L

AIRING AN ARIA to an audience of hundreds of thousands would have been beyond the wildest dreams of ambitious young singers a few years ago. Now, every Sunday night, the radio program "C-I-L Singing Stars of Tomorrow" offers this thrilling experience to two young Canadians . . . and allows them to compete for C-I-L musical awards worth over \$3,000.

CHAMPION MATERIAL for skiers is light, warm nylon. Now under way, C-I-L's new plant at Maitland, Ont., will make Canada self-sufficient in all chemicals needed to make this wonder fabric. Textile manufacturers will get double the quantity they now receive.

BEAUTY AT THE BASIN! Home-makers find that a C-I-L Cellulose Sponge is a beauty for so many uses — and wonderfully soft and long-lasting, too. Available now in attractive colours — blue, green, coral, yellow and natural.

Did you know?
About 600 applicants are auditioned each season before the 44 young singers are chosen to appear on "C-I-L Singing Stars of Tomorrow." Audition teams tour the country from coast to coast giving everyone an equal opportunity to be heard by experts.
