**EDITOR'S MAIL**

**TO THE TAXPAYERS OF MARKHAM TOWNSHIP**  
It will only be a matter of days before the taxpayers will be going to the Polls to vote for candidates to represent them for the year 1953. Before casting your ballot, you, for Markham Township's sake, think of the qualifications of each and every candidate. Choose wisely, because 1953 will be a very critical year in our Township. The debenture dept is soaring at an unprecedented rate, and while we must progress, we also need extreme economy and sound administration. It is the writer's opinion that whoever is chosen to run your affairs next year will have a most difficult time because the commitments former councils have made must be dealt with. Taxes are sure to go up, but, if possible, let them increase in proportion to our growth. You live in the best township in Ontario, so give it the government it deserves — THE BEST. Alf LeMasurier.
