### GREEN RIVER

(Thursday, Jan. 29)

The games program got off to a good start in the Union Sunday School Hall on Friday, January 30. The weather was not too favourable and there were several other attractions in the vicinity, but still quite a number turned up, mostly members of the Sunday School.

Some played croquinole, others tried their skill at carpet ball and a good deal of fun was derived from the dart baseball game engineered by Mr. J. Nighswander. The seniors challenged the juniors to a game at which the seniors were the winners. Lunch had not been expected but one lady, Mrs. Wright, had brought sandwiches which were passed around and every person enjoyed some.

A silver collection was taken which covered the cost of the rent of the hall and left a balance to apply on a new carpet for carpet ball.

The group wish to invite all in the community to attend next Friday and enjoy the fun. There is a limit to the ages—one to one hundred but if any out of that age group wish to come along, the committee will consider their applications.

The Union Sunday School met on Sunday at the usual time of 10.30 with the Superintendent Reg. Nighswander in charge. Next week Reg. has asked all the assistants of the classes to teach the classes and the assistant supt. to take charge of the meeting.

The February meeting will be held at the home of Mrs. C. Closson.

The W.A. will meet at the home of Mrs. McLeas on Thursday, Feb. 12th, at 2 o'clock, with Mrs. Brooks' group in charge of worship service.

The young people have been asked to provide the worship service for the evening at the Sunday School Convention which is being held in the Dunbarton United Church on Feb. 18th. The next Sunday evening meeting will be at Jean and Alan Pascoe's.

Mr. Reed, a student minister of Toronto, took charge of the service on the circuit last Sunday. The service at Greenwood was impressive. He is to be our minister next Sunday, and probably for the balance of February.

The Euchre held in the school last Friday night was well attended with thirteen tables playing. The winners were: Percy Clarke, Bob Maxwell, Mrs. Gardiner and Mrs. Byers. The next one is to be February 13th, at 8.15 sharp.

Mr. Charles McTaggart had a T.V. set installed last week.

Concert Feb. 11th

For this occasion the club has obtained the film "The Land Revived", which was made by the Waterloo County Crop Improvement Association in conjunction with the Ontario Agricultural College, Guelph.

The film will be followed by a splendid variety program laid out by Ian Reid, who provided the talent for the successful concert held last year.

A door prize and members draw will also be features of the evening.

### Farm Market Group Ask

Bylaw Amendment

A group representing the North York Farmers' Market, a new \$100,000 structure to be erected at Thornhill, appeared before Markham Township Council on Monday afternoon to ask that council pass on to the Ontario Municipal Board, a bylaw amendment which would allow their new building to be erected 300 ft. back of Yonge St. rather than 250 ft. as at present. The amendment was asked for by the Thornhill Police Village Trustees and has been in the hands of Markham Council for several months. The Trustees contend that Markham has no alternative than to pass it on to the Municipal Board. The original zoning bylaw setting out a distance of 250 ft. from Yonge St. for commercial property, is still in the hands of the Municipal Board awaiting a hearing. This hearing was set for Feb. 6th, according to Clerk Chas. Hoover, but time was not sufficient for notifying the interested parties, and no new date has been set.

Mr. Wain who acted as spokesman for the farmers stated that moving their new site back an extra fifty feet was quite satisfactory with Thornhill and he could not see why anyone should object.

Mr. Meldrum of Elgin St. Ratepayers was also present and spoke against allowing the bylaw to be amended. He contended that a traffic hazard would be created. He said that he failed to see how the new market could be a financial success.

Mr. Meldrum drew the ire of Mr. Fred Wicks of the Federation of Agriculture when he contended that the place might be used for dances and the Elgin St. residents didn't want that type of people here.

Mr. Wicks said that his group fully supported the new market plan and furthermore he liked to go to dance and didn't like to be spoken of as "that type of people."

Mr. Palmer from King said that the Elgin St. people themselves were divided in their objections and refuted the charge that there would be any traffic hazard. "The highway department doesn't think so," he said. He continued to say that the new market would be a definite benefit to Thornhill who were being given an opportunity not often offered.

"The market is going up anyway and I think it's too bad the Elgin St. people can't agree to have it come in on an amicable basis," said Reeve Timbers.

Mr. F. Brumwell presented a resolution from the Markham Federation of Agriculture urging council to do everything possible to assist farmers in the market project.

The Stouffville Utility Commission will hold their regular meeting next Monday evening in the municipal building.

Uxbridge Township Council will meet at Goodwood next Monday, Feb. 9th.

Miss Shirley Allin from Stouffville R.R.4 has joined the local post office staff since the departure of Miss Vera Doust.

Mr. and Mrs. Jee Greenfield and family and Mrs. H. Johnson visited in Markham with Mr. and Mrs. Fred Greenfield one day last week.

Mr. and Mrs. Chas. Ratcliff and Carol Anne returned home on Sunday evening after a ten day trip to South Carolina.

There still seems to be a lot of sickness around the community, especially among the young folks. We wish each one a speedy recovery.

There was a goodly turnout at the hour of worship on Sunday morning despite the very cold day, but there is still room for more and we would like to see you there.
