## Whitchurch Girls Sunday School Group Convenes

The girls from the twelve Sunday Schools in Whitchurch Township under the capable leadership of Mrs. Clifford Burkholder of Bethesda have been holding one or two rallies a year. Their winter rally this year was a joint rally for boys and girls and was held at Baker Hill Church on the eighth concession on Friday evening, Feb. 6, at 8 p.m.

Jean Rae of Vivian Sunday School who is this year's president very ably conducted the meeting and the church was full. There was a very fine program, each Sunday School being asked to contribute something. There was a sing song of the good old hymns, solos, duets, trios, an instrumental and readings. Shirley Steckley told of her work in the Northern Ontario Mission Schools, and the highlight of the evening was a series of slides on Africa by Rev. Willis Hunking and these were very ably explained by Mrs. Hunking. She told a great deal about their work and experiences among the natives in Africa to a very attentive audience of about 150 people.

The girls were able to make a donation to Mrs. Hunking for her work and also a donation to the Northern Ontario Mission Schools. The theme of this rally was "Missions".

Recent visitors with Mr. and Mrs. W. A. Fockler were Miss Marion McCormack of Guelph, Mr. and Mrs. Robt. Leask and family of Greenbank, Rev. C. E. and Mrs. Fockler of Markham and Mr. N. Fockler of Toronto.

Tribune scratch pads are handy, three for a quarter.

## Must Strengthen Building Bylaw - Uxbridge Councillor

"We might just as well scrap our building bylaw if residents of the township insist on erecting houses no better than chicken coops," commented Councillor Earl Dowswell at the regular meeting of Uxbridge Township Council on Monday.

"Our building bylaw is too loose and we will have to fill up the loop holes if this situation is to be righted," continued Mr. Dowswell. "There are loop holes in every building bylaw," claimed Clerk Ashenhurst. "The only way it can be changed is to make an amendment."

The council agreed that something should be done immediately if the construction of such buildings was to be halted. Some of the members mentioned shacks or so-called houses that were being built that were a disgrace to the township.
