Our Local and Personal Happenings

HOME OF ONE OF TOWN'S BEST KNOWN BUILDERS

This is the former residence of Nathan Forsyth, one of Stoufiville's best known builders. The place is presently occupied by Mr. Horace Walsh. A great many of the large homes erected on Church St. and in other parts of town, were designed and erected by Mr. Forsyth. Mr. Forsyth, who passed away in 1946, also built the local United Church and left a handsome bequest to this denomination on his death.

He had some sixty years experience as a builder and worked in a sash and door factory in his younger days. This Church St. home which he occupied for so long was built more than sixty years ago.
