

# CLAREMONT and PICKERING TWP. DISTRICT

Mrs. Pennell of Toronto visited with her mother, Mrs. J. McCullough, last Wednesday. A quilt was finished during the day, with several other women assisting.

The W.I. will be held on Wednesday afternoon, March 18th. Hostesses are Mrs. Morgan and Mrs. Lehman. A film will be shown, "The Story of Tea." Roll call will be answered by "an old Irish saying." Members are asked to come prepared to purchase the Institute pins. The lunch committee includes Mrs. J. Norton, Mrs. N. Tomlinson, Mrs. D. Cooper, Mrs. Sanderson, Mrs. J. Symes and Mrs. G. Gauslin. All ladies invited.

Congratulations to Mr. and Mrs. F. Ward who will quietly celebrate their 48th wedding anniversary this week.

Mr. and Mrs. D. Woodburn of Toronto were Saturday guests with Mr. and Mrs. R. Hockley. On Saturday evening the above group with Mrs. N. Sanderson and son visited with Mr. and Mrs. Douglas Bryant and children who have moved into their new home on a corner lot of the farm in Pickering.

Mrs. Sanderson and Reg visited with Mr. and Mrs. Duncan and family in Newmarket on Sunday.

The sympathy of the community is extended to Mr. and Mrs. Wallace in the loss of all their household effects in the fire which completely destroyed the farm house at Altona which they tenanted for the past few years. They are members of the Claremont church and community activities and are well known throughout the district.

The Recreation Committee sponsored a teen-age square dance in the hall on Friday night. An instructor from Richmond Hill was in charge. Forty-five teen-agers were present. Mrs. Hutcheson supplied the music. Another such event is being planned.

Mr. and Mrs. Alan Taylor and children of Goodwood, Mr. and Mrs. Dave Coates and son of Brooklin and Mr. and Mrs. M. Norrish of Brougham were Sunday visitors with their parents, Mr. and Mrs. Fred Redshaw.

Mr. and Mrs. Sam Taylor and family visited on Sunday with relatives at Uxbridge.

Miss McDonald of Toronto was a recent visitor with Mrs. E. Lewis.

A group of ladies from the Claremont and Brougham W.M.S. travelled by bus to Toronto last Thursday to visit outstanding buildings in connection with the church's work. The Fred Victor Mission on Queen St. was the first stopping place. Here Miss E. Hart and Miss M. Struthers, deaconesses, welcomed and informed the group conversationally and through slides the activities of the past year. There are 131 active families in connection, 2800 under pastoral oversight. Total membership is 363. There were 65 marriages, 73 funerals and 64 baptisms. There were 4,228 meals served single men, and shelter provided at the mission for 32,386 men. The latter group of about 150 sleep on the floor nightly. There were 200 hampers and boxes sent to sick and shut-ins last Christmas. One grateful lady wrote a letter of thanks for a box, stating there would otherwise not even have been bread in the house. Liquor is the main cause of the poverty. Rev. W. A. Hunnisset conducted the party through the building. The party enjoyed dinner at the cafeteria of the United Church Publishing House. Since its establishment in 1929 it has served two great and ever-extending areas of thought and life — education and religion. Today this is the largest publishing house in Canada with an enviable record of literary excellence and superb bookmaking. The Ryerson fiction award, an annual prize of \$1,000, ranks as Canada's leading fiction award. The Sunday School publication issues twenty-two quarterlies, having a total circulation of nearly 400,000 copies. Among their presses they have the only all-size 76 inch sheet fed precision, rotary letter press in Canada. Fully automatic, worked by push buttons, it runs at a speed of 5,000 sheets per hour, prints in two colors at the same time. The House catalogues, circulars and letters go by air, rail and ship to the world's five continents, and the response is stimulating. In 1950 a special edition of the Anglican Prayer Book was printed in the Eskimo language and shipped to the Arctic. The new Testament has been printed in Greek and sent to Greek soldiers, and the Bible in French to fill an order from Paris. Other places visited were the Victor Home for Girls and Greenwood Centre. Arriving home around 6.30 the ladies were well satisfied with their day's adventure.

The group committee of the first Claremont Boy Scout Troop and Wolf Cub Pack, sponsored by the Claremont Recreational Committee wishes to express thanks to everyone in the community for their generous response to the annual Boy Scout Drive. A total of \$93.00 was collected in a door to door canvass. The group committee would like to

draw attention to the splendid work done by the volunteer leaders of the Scouts and Cubs, particularly that of Rev. H. Davison. A Father & Son Banquet is to be held March 25th and as 34 boys are enrolled an estimated 68 are expected to attend.

Mr. and Mrs. Jack Morgan and family visited with her father and aunt in Greenbank on Sunday afternoon.

Mrs. J. Morgan entertained her Sunday School class on Saturday afternoon at a skating party after which lunch was served. A very happy afternoon was spent on the pond.

The many friends of Mr. Lyman Pilkey and Mrs. Ernest Pilkey take the pleasure of wishing them many happy returns on their birthdays which were celebrated on Tuesday of this week.

## Uxbridge Township May Become Game Preserve

Uxbridge Township Council has shown considerable concern over the fact that outside residents are constantly invading the township on hunting expeditions with the result that many land owners fear for the safety of their livestock and buildings. Upon request by Councillor Earl Dowse, Mr. O. Toole, chairman of the Pickering Township Game Preserve, accompanied by Mr. S. S. Pugh, secretary, and Mr. Ken Reesor, vice chairman, were in attendance at the regular meeting of the council on Monday afternoon. Mr. Pugh, the spokesman for the party, pointed out the advantages of having the township under game preserve laws. One of the main purposes of the preserve was the limiting of outside hunters from entering the township. In Pickering Township only 400 licenses are sold to non-resident hunters at \$2.50 each. Residents of the Township may purchase a license for 25c. Another valuable purpose of the preserve is to protect different types of birds such as pheasants and ducks which would quickly disappear if open hunting was permitted.

A board would have to be set up comprising the members of the Township Council and six appointed outside members. These members whose names appears on the voters' list. The Board should meet every spring and fall with two meetings just previous and following the pheasant hunt. Every five years the council passes a bylaw setting up a Game Commission. Deputy-Reeve Stuart Ball felt that the population of the township might not be adequate to bear the cost of the Preserve but Secretary Pugh claimed that although the township could not expect to become rich over the scheme he believed that it would pay its way. It would cost Uxbridge Township approximately \$500 to get the Game Preserve established.

## BROUGHAM

Brougham firemen received two calls on Sunday. The first was to "Sunny Acres" where a brooder house containing a large number of young chicks was on fire. The brooder house was saved but the chicks a total loss. During the afternoon another call was received to a grass fire north of Audley school. This was soon extinguished.

The Brougham hockey team is planning to enter a tournament starting this Friday night at Stouffville when the following teams will be playing, Port Perry, Brooklin, Peaches and Brougham.

The Woman's Association held their regular monthly meeting on Wednesday last at the home of Mrs. D. L. Mairs with an attendance of twenty-two. The president, Mrs. Cassie, was in charge. The devotional was taken by Mrs. Wannopp. Several items of business were discussed during the business period. Plans were made for a pot-luck supper in the hall on March 27, also for a special meeting to be held on March 31 when Cherrywood, Pickering, Whitevale, Claremont and Greenwood W.A. will be guests. Mrs. T. Phillip, program convener, then took over the meeting. Lunch served by the hostesses Mrs. Mairs and Mrs. Matthews brought the meeting to a close.
