## Dairymen Hold Annual Banquet

Milk producers of District No. 6 Unionville, held their annual banquet at Buttonville Hall on Wednesday evening with a large gathering and an excellent repast served by the women of Buttonville. President Bert Weatherill was chairman of the meeting and urged full support of all members for the executive. Head table introductions were made by Dalton Rumney.

Guest speaker for the occasion was Mr. M. (Monty) Monteith who is with the Aluminum Company of Canada and has been connected with the firm for forty years. His address and color pictures gave the banquet quite an insight into the great new Aluminum Co. development at Kitomatt.

(But if you drive an automobile, it's well worth 50 seconds of your time)

Let's face it.

One of life's pleasures — as well as one of its greatest conveniences — is an automobile that's a joy to drive and a treasure to own.

But, for most of us, there's a catch to it. It costs money — a lot of money.

BUT NOT ALWAYS

In case you think this is a sort of "have your cake and eat it, too," story — it is!

Ten thousand Canadians who bought new AUSTIN A-40 Somersets last year will tell you that you can enjoy comfort, speed, manoeuvrability, convenience, smartness and all-round automobile satisfaction without getting the budget blues.

For the simple fact is that the new AUSTIN is giving its owners top level performance at half usual operating costs! It is saving — now hold on to your chair because it's a startling figure — it is saving its owners hundreds of dollars each year!

THERE'S ONE IN YOUR NEIGHBOURHOOD

Ask an AUSTIN owner to show you such luxury features as deep, foam rubber cushioning, richly upholstered in life-long real leather, or the push-button door handles with safety locks to keep your kiddies safely inside.

Get him to put the car through its paces. You won't believe its surging pick-up, its ability to stop quickly and surely in an emergency, its smooth high

cruising speed and its relaxing ride till you try it.

NO EXTRAS TO BUY

The delivered price of the new AUSTIN, only \$1895 everywhere in Canada, is the price of the completely-equipped, ready-for-the-road car, including:

- Leather upholstered, full depth foam rubber cushioning.
- Constant speed, electric windshield wipers.
- 12-volt battery, for all-weather starting.
- New super heater, with full defrosting equipment.
- Locking gas cap (that you don't unlock very often).
- Directional turn signals.
- Full kit of tools (even a valve grinder).
