Trace Minerals go to work for Wm. F. Whetung!

Here's what Mr. Whetung writes:

"This year I am starting all chicks brooded on Ful-O-Pep Chick Starter exclusively. I have found this feed produces a superior chick with less feed ... due to the palatability of the feed and the readiness with which the chicks clean up the feed trough."

Those Dogs Again

We have received a number of complaints at the office of this newspaper concerning dogs still running at large although orders went out some weeks ago that now spring had arrived, the bylaw forbidding such practice was to be enforced. One westend lady gave us a call this week to say that no less than five animals were digging in her garden and flower beds at one time Monday. Many dog owners have the habit of keeping their dogs confined during the day and letting them out to roam the streets at night, much to the annoyance of other residents. We have been asked to give notice that dog owners reported continuing this practice will be dealt with promptly by the law and no further warnings will be issued. Now that gardens are going in and flowers are appearing, the dogs must be tied and if you are an owner, your co-operation is urgently requested.

WEDDING WOOD-KING

Stouffville United Church, effective with standards of white Easter lilies and lighted candles in candelabra was the setting for an interesting evening ceremony on Thursday, April 2nd, when Rev. Douglas Davis officiated at the marriage of Miss Vera Adell King, daughter of Mr. and Mrs. Albert King, Markham, to Mr. Earl James Wood, son of Mr. and Mrs. Arthur Wood, Stouffville. The wedding music was played by Mrs. C. Nolan at the organ and Miss Joy Wood, sister of the groom, at the piano. The soloist, Mrs. Clifford Jones of Toronto, sang "Oh Promise Me" prior to the ceremony and "Thro' The Years" during the signing of the register.

The bride was given in marriage by her father. She chose a ballerina-length gown of white Chantilly lace with tulle inserts over gold iridescent taffeta. A Juliet cap of matching taffeta and lace studded with seed pearls held her shoulder-length veil and she carried a bouquet of Easter lilies and stephanotis. Frances Meyer of Markham, her only attendant, wore a gown similar to the bride's in blue Chantilly lace over blue iridescent taffeta with a headdress of flowers to match her bouquet of pink hyacinths, tulips and lilies. Groomsman was Roy Barron of Toronto, and ushers were Eldred King and Ray Wood.

For the reception at the bride's home, her mother received in a gown of silver tulle wearing a corsage of pink carnations and roses assisted by the groom's mother in navy with corsage of white carnations with red roses.

For the wedding trip to Washington, the bride chose an orchid boucle suit with navy accessories and a corsage of gardenias. The couple will reside in Lindsay.

Report of Easter W.M.S. Meeting

Easter music played by Mrs. C. Nolan, organist, and Mrs. B. Sanders, pianist, preceded the Easter meeting of the Women's Missionary Society of the United Church on Thursday, April 2, with Mrs. Fairies, president, presiding. A hymn was sung after which Mrs. Kellington led in prayer. An invitation was received from Ebenezer Auxiliary for April 22 and a W.M.S. Sunday night service will be held May 24 with Mr. Neehal as speaker. The rural gathering will be held in the church, June 9.

The president welcomed the guests from the local churches, also Markham, Milliken, Claremont and Unionville and invited them to spend a social half hour at the close of the meeting. Mrs. Ball gave the devotional and asked Mrs. Claude Brillinger to sing her theme "Seek Ye the Lord." Her topic was Christ's teachings on prayer and the power of prayer. She closed her remarks with prayer. Mrs. Claude Brillinger sang a solo, "The Heart That Was Broken for Me."

Mrs. Young introduced the guest speaker, Miss Mary Haig, returned missionary and former resident, who has worked in Formosa, Japan and Newfoundland. She expects to return to Japan in the autumn. Mrs. K. Campbell expressed thanks to all who took part. After singing "Spirit of God, Descend Upon My Heart," Rev. D. Davis closed with prayer and the benediction.

Miss Ted Hoover, Baker Ave., was among the prize winners in petit-point in the recent Star Weekly contest.

With good weather prevailing the annual Easter Good Friday evening cantata given by the Stouffville United Church Choir drew a large attendance, as did the special service in the Christian Church on Good Friday morning and the Sunrise Service on Sunday in the United Missionary Church. The Good Friday concert has become an annual musical treat which local music lovers look forward to. Mr. Lorne Boadway conducted the choir and Mrs. Chas. Nolan presided at the organ.

Miss Beulah Rutledge, American Airlines hostess was home last weekend enjoying the Easter holiday with her parents, Mr. and Mrs. Guy Rutledge. Miss Rutledge has drawn considerable passenger commendation since entering the service of this U.S. airline. A recent passenger from Detroit to Chicago was so impressed by our local girl's friendly efficient service during the flight that he took the trouble to inform the company of his pleasure. His story went thus: "when Miss Rutledge came aboard at Detroit we received super service plus a pleasant smile and friendly service. Miss Rutledge gave her information over the microphone in a casual manner with an air of confidence." The many friends here of Miss Rutledge will be pleased to learn of her success in her new endeavour.

Our Local and Personal Happenings

Miss M. Duncan and Mrs. E. Duncan and Bobby of Montreal were visitors with Mr. and Mrs. Cliff Salmon last week.

Miss Janet Hope, Miss Isabella Patton and Donald Hope of Guelph spent Easter with their parents, Mr. and Mrs. Fred Hope, east of town.

Contributions for the annual Easter Seal Crippled Children's Fund sponsored by the Lions Club has passed the \$25.00 mark. Donations are still being received.

A car stolen from a Toronto owner was picked up here one evening last week by Constable W. S. Hilliard. The vehicle was found abandoned at the east end of town with no apparent damage.

Good Friday was the date when a couple of small lads stripped for a bath in the creek below the town park. It must have been rather chilly both in the water and out, but what's that compared to holding the record for being "the first in" in '53.

Suckers are up, but at time of writing we are not aware of any being offered for sale in town as is customary each season. Several jaunts have been made by local farmers to the southern part of the county where the estuary of the creeks running south provide accommodation for millions of fish at a time.

Richmond Hill tax rate for 1953 has been set at 71 mills, four mills below the 1952 figure. The drop is attributed to the increased assessment by virtue of annexation of eight hundred residents formerly in Markham Township.

Work is continuing on cleaning the accumulation of sand and dirt from the Main St. pavement that has gathered there over the winter months. In many places the accumulation has gathered curb high. This is a part of the local road committee's job that should be given more attention than was the case last year.

Stouffville Fire Brigade made an afternoon call to Muschelmann's Lake last week to squelch a grass fire. Our local Provincial Police detachment were right on the spot to see that traffic did not interfere with the brigade getting away in good time. The presence of two uniformed officers of the law in town at all times is being received with considerable satisfaction by the local citizenry.

The Stouffville Women's Institute will meet at Christ Church Parish Hall on Thursday, April 16th, at 2 p.m. Roll call is pay your fee. Motto will be given by Mrs. Farthing. Friends of Mr. J. R. Sider who lives just west of town on the highway, and is a salesman for the Rawleigh Co., will be interested to learn that he won a special certificate for the largest sales in the Province of Ontario. Mr. Sider commenced selling in January 1945 and by the end of 1951, had become the Canadian leader. He was also named the leader for all provinces in 1952.

Miss Barbara McCreight, a member on the staff of the Dunbarton Public School is spending the Easter holiday in Florida accompanied by another staff member and two girl friends. On her trip to the Sunny South she stopped for a time at Washington and had an opportunity to tour the city and look around the White House.

A very pleasant evening was spent at the home of Mr. and Mrs. Willis Davis, east of town, in honor of their 30th wedding anniversary which was the 28th of March. Their six children and families were all present for the occasion, namely, Mr. and Mrs. Clayton Davis of Ottawa, Mr. and Mrs. Wallace Ogier of Toronto, Mr. and Mrs. Leo, Maurino of Bradford, Mr. Fred Davis of Ottawa, Mr. and Mrs. Jim Prentice of Stouffville and Albert at home. Many other relatives were present. The couple received lovely and useful gifts. Mr. and Mrs. Davis have resided on the same farm for thirty years.

Police Issue Warning

We have been asked to inform the motoring public that infractions of the traffic regulations will not be tolerated in Stouffville and summonses may be expected if such practices continue. Constables W. S. Hilliard and Jan VanDerKooi ask that parking the wrong direction of the traffic, disobeying "stop" signs, and double parking, cease. The two officers have noticed many indulging in such practice while on patrol and some tickets have been issued. They would ask that these common rules of the highway be obeyed forthwith.

Was Home of Pioneer Undertaker & Furniture Man

Former home of Stouffville's pioneer furniture dealer and undertaker is the large apartment house at the corner of Church and George Sts. now owned by Jas. Smith. The house was originally erected more than sixty years ago by the late Samuel Burkholder, furniture and undertaker in the present site of the O'Neill funeral

and furniture establishment. Mr. and Mrs. Burkholder resided for many years in the house and both died there. Harvey Lawson was the next owner, and in more recent memory, the late Elmer Still, former bank manager here, resided there. Following Mr. Still, the place was purchased by Frank Bruels who remodelled the

house into a double duplex apartment house. It has since been purchased by Jas. Smith. The original builder and owner was engaged in the furniture and undertaker business here for more than thirty-five years. He was thirteen years associated with his brother, J. Burkholder who retired from the business in 1889.

Mr. and Mrs. Russell Nendick and family from Uxbridge were Good Friday visitors with Mr. and Mrs. Christie Armstrong.

Those who have entertained recently at luncheons in honour of Miss Margaret Freel, a bride-elect of the season, are Mrs. Neil Smith, Mrs. W. W. McLaughlin at the Granite Club, Toronto, and Mrs. Robert Dales at the York Club, Toronto. Miss Eileen Jackson gave a kitchen shower at her home in Newmarket.

Miss Barbara McCreight, a member on the staff of the Dunbarton Public School is spending the Easter holiday in Florida accompanied by another staff member and two girl friends. On her trip to the Sunny South she stopped for a time at Washington and had an opportunity to tour the city and look around the White House.

Mr. and Mrs. Ken Laushway were in Hamilton visiting relatives on Easter Sunday.

Mrs. P. H. Greenfield and Miss Allie Bragg of Bowmanville were Easter visitors at the home of Miss Ethel Byam.

An exceptionally large shipment of new-born chicks was received at the local C.N.R. depot on Good Friday morning.

Mr. and Mrs. J. C. Abell of Lansing, Michigan, and Helen and Jim Abell spent the holiday weekend with their parents, Mr. and Mrs. J. L. Abell, Albert St.

Miss Isobel McCreight entertained last year's Grade 13 class at her home on Saturday night.

Mr. and Mrs. Geo. Jacques of Vernon, B.C. and Mr. and Mrs. M. Baker of Toronto were visitors with Mr. and Mrs. Jim McCreight over the weekend.

Two carloads of I.O.O.F. members from York Encampment No. 112, Thornhill, visited the Stouffville Oddfellows Lodge on Monday night, and were accompanied by Ken Zellers, Grand Patriarch of Ontario and a former Stouffville boy. He was greeted by numerous former friends who were pleased to welcome this former son on this occasion.

Record Broken

Stouffville Municipal Council, which established some sort of a local record some weeks ago when they sat at a regular meeting for five hours, shattered this time by nearly two hours on Monday evening. Council, because of pressure of business, convened at 7 o'clock in the evening and remained in session until close to 2 a.m. If such routine continued it would most certainly be necessary to commence bi-monthly council sittings. Councilors cannot do justice to business after three hours is our contention.
