Hello Homemakers! Most people believe that a dish of sweet berries and cream cannot be improved upon. (This saves time and energy for other household chores.) Do be cautious about serving clean raw fruit. Sort berries and discard soft, mouldy and under-ripe ones and rinse in a sieve under cool water. Then tumble the berries into a bowl and sprinkle sugar on layers of fruit. Sugar syrup may also be used for sweetening to eliminate stirring fruit which may make it unattractive. To bring out the juice allow prepared fruit to stand in the refrigerator an hour or so.

At least once during the season you should prepare those old favorites: fresh berry pie and shortcake with whipped cream. Never worry about serving berries twice a day while they are plentiful. Berries used in gelatines give a fresh flavor or crushed with fine sugar and served generously on ice cream or puddings is always easy to prepare.

For different desserts made with berries or cherries try these recipes and listen to the compliments.

Raspberry Chiffon Pie
2 cups raspberries
1 pkg. lemon gelatine
1 cup boiling water
1/2 cup whipped cream
2 beaten egg whites
Graham cracker shell

Pick over and rinse berries. Reserve 1/2 cup for garnishing; crush the remainder. Prepare lemon gelatine powder and when it begins to thicken fold in whipped egg whites. Pour filling into pie shell and chill

in electric refrigerator. Garnish with cream and whole berries. Makes 1 (9 inch) pie.

Cherry Roly Poly
2 1/2 cups pastry flour
3 tsps. baking powder
1 tsp. salt
1/4 cup sugar
2/3 cup milk
2 1/4 cups pitted cherries
1 cup sugar

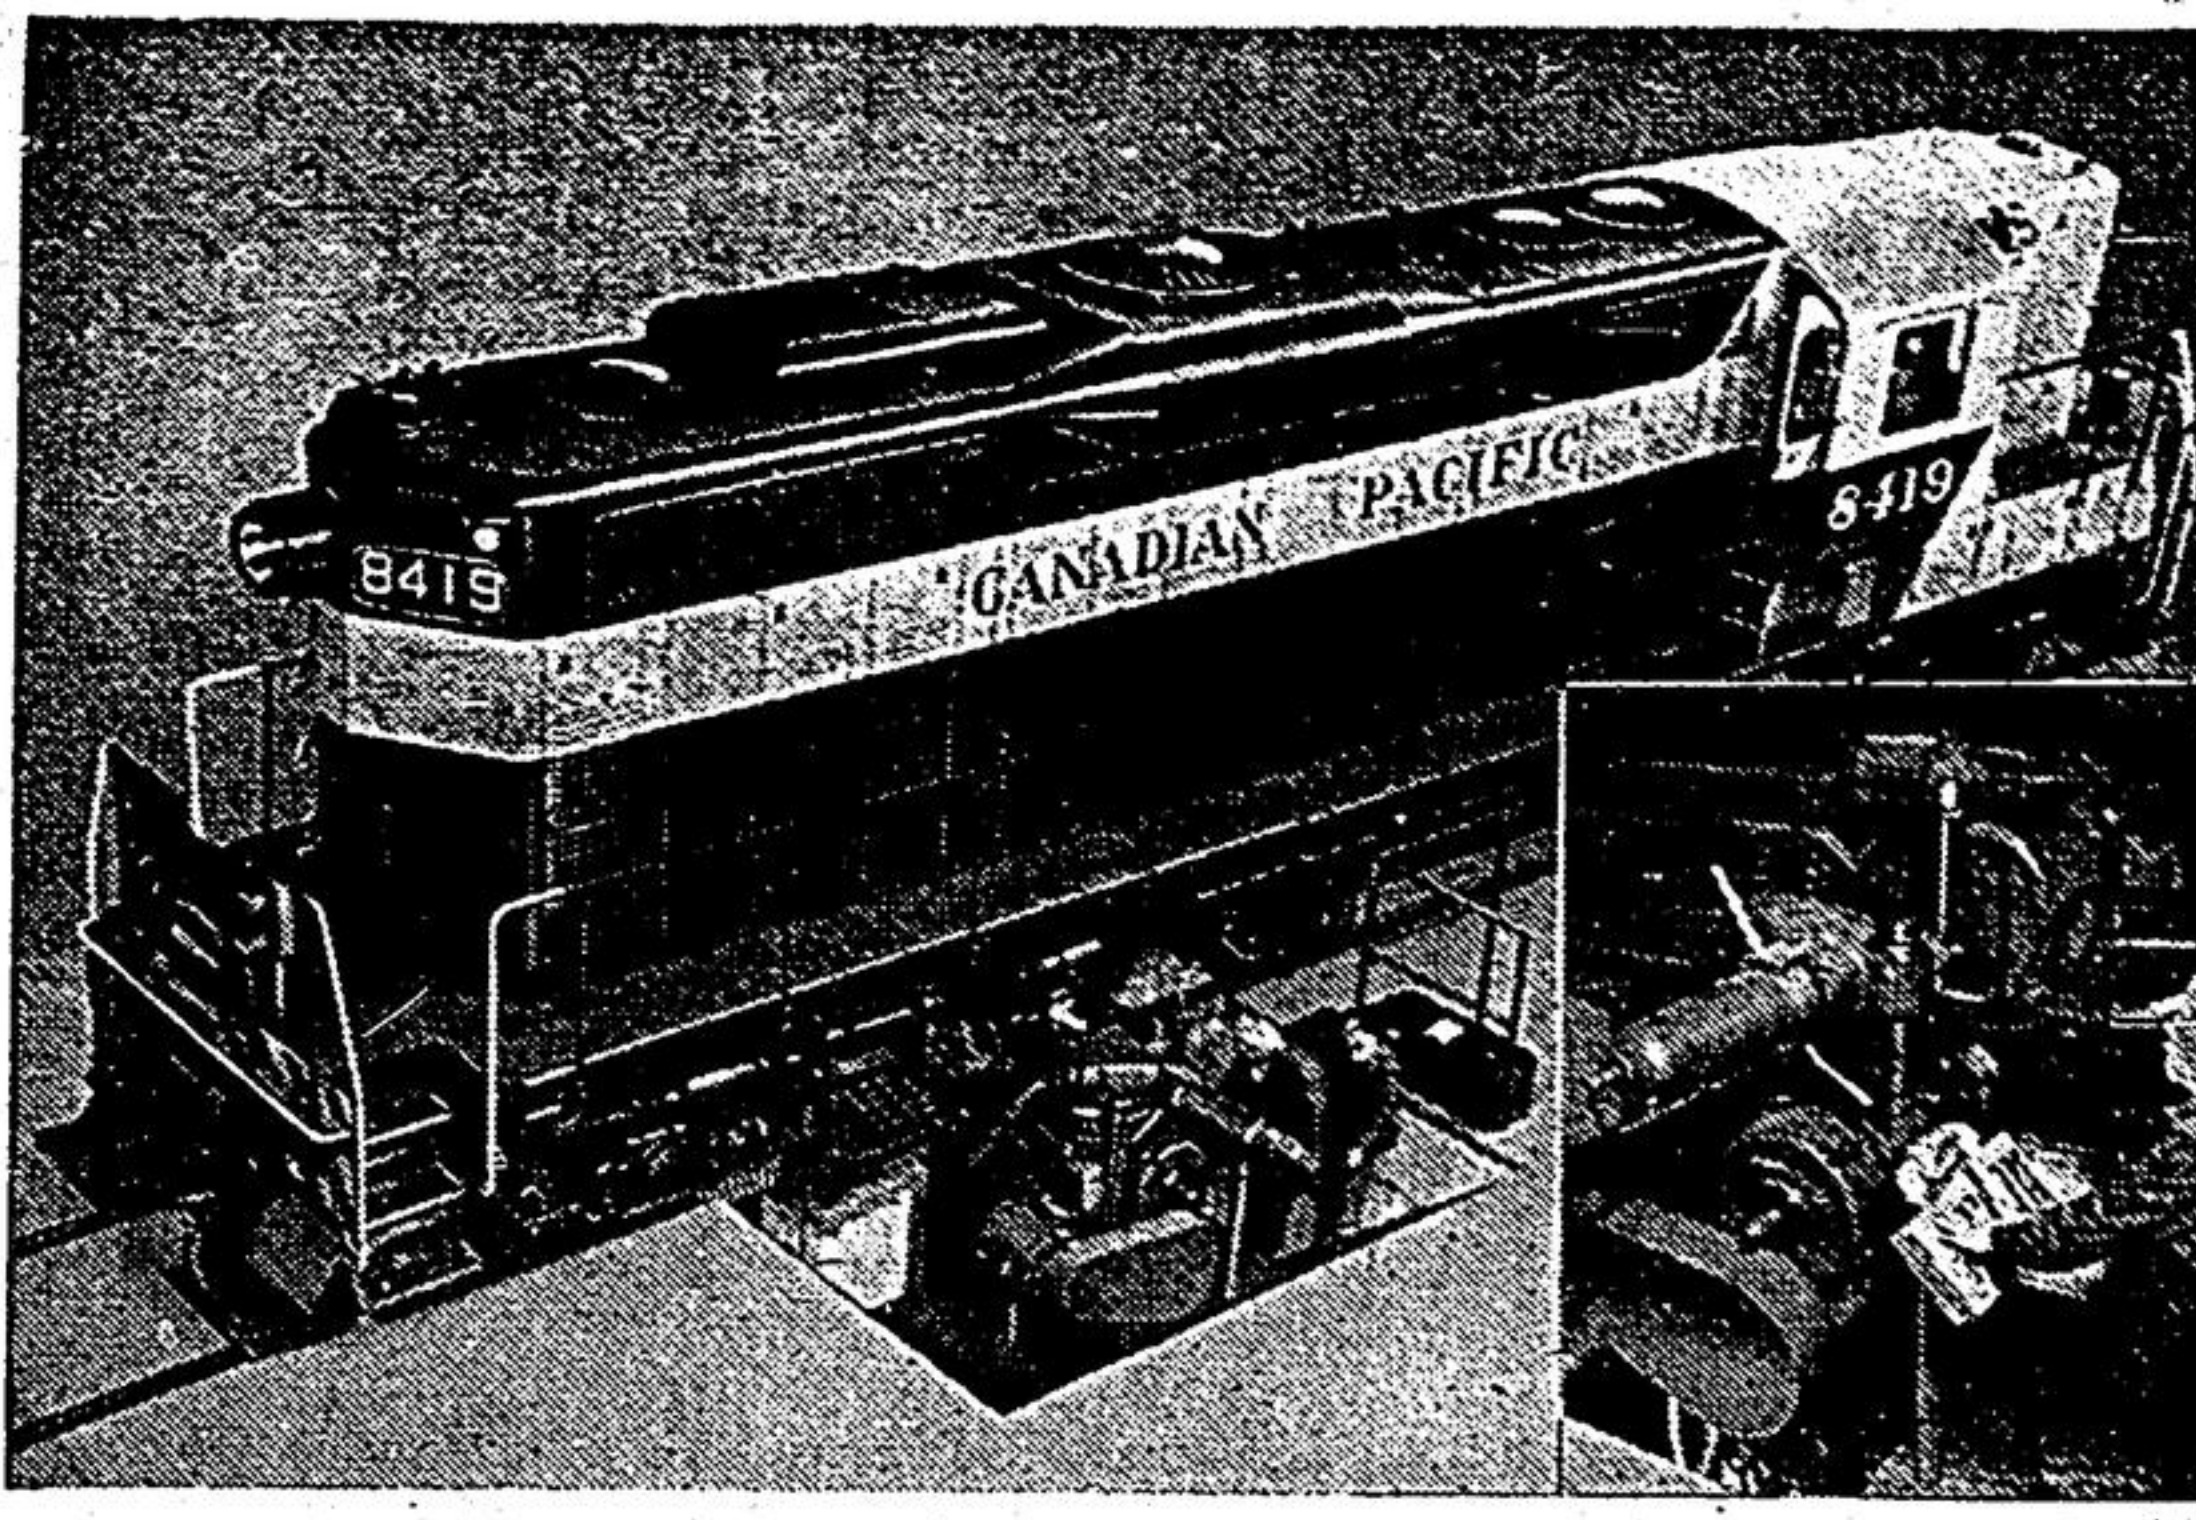

Mix and sift flour, baking powder, salt and sugar. Cut in shortening until like coarse meal. Beat egg and add milk, then stir into dry ingredients until dough consistency. Roll out 1/4 inch thick on floured board. Mix cherries with sugar and place in a row in centre of dough. Dampen edges and fold over top and press ends, envelope fashion. Make about 3 gashes across top. Place on shallow pan or pie plate. Bake in preheated electric oven of 350 degs. for 45 mins.

Gooseberry Cream
1 qt. gooseberries
1 1/2 cups sugar
1/4 cup water
Whipped Cream

Top and tail gooseberries and simmer with water and sugar until soft. Press the fruit through a sieve, then chill. Fold as much whipped cream as gooseberry puree together and pile into sherbet glasses. Sprinkle a few crumbs made from crushed gingersnaps on top.

TAKE A TIP

1. Keep berries on a platter, uncovered, in the refrigerator. Do not wash until ready to prepare as a dessert.
2. Mix sieved raw raspberries with orange juice for breakfast.

STOP WASTE OF YOUR DOLLARS

LET'S FACE IT!

There is fantastic waste and extravagance at Ottawa today. The present Government has said it does not intend to do anything to stop it. If they get back in power, they'll continue the spending spree with YOUR money! Federal taxes have spiraled to an all-time high. This year they are equal to 40% out of every dollar of wages, salaries and all labour income earned in Canada. Taxes are higher than they were in the peak years of World War II.

TO PAY FOR WHAT?

... to pay for a \$2,250,000.00 office building with a spring-filled dance floor in a \$40,000.00 dance hall for the Corporation set up to build houses for the Canadian people!

... to pay for 500 huts for Debert Camp which cost \$8,000.00 apiece—but have been piled up and never used!

... to pay for buying and hauling \$194,000.00 "worth" of earth to landscape a single government building in Ottawa.

... to pay for government contracts on a cost-plus basis. The rule is: the more the contractor spends, the more he gets.

It's your dollars that are being wasted. Only you and your VOTE can stop it!

A Progressive Conservative Government in Ottawa will cut out waste and cut down taxes. We are pledged to cut the nation's taxes by \$500 million dollars. It can be done. We will do it.
