

ONE DRIVER BURNED TO DEATH, OTHER INSTANTLY KILLED AS TWO TRUCKS CRASH ON DON MILLS ROAD

Twelve Countries In World Tractor Plowing Contest

This October crack plowmen from 12 countries will be vying for possession of a golden model of what is, in all probability, the great-great-granddaddy of the plow they use from day to day. The winner will be the first tractor plowing champion of the world.

The championship and the trophy, known as the Esso Golden Plow, will be awarded at the first world plowing championship match which will take place on the Durham-Northumberland Counties Home Farm, near Cobourg. It is being held in conjunction with the Ontario Plowmen's Association annual four-day International Match, October 6 to 9.

J. A. Carroll of Toronto, president of the World Championship Ploughing Organization, announced this week that the United States, Denmark and Belgium had confirmed their entries in the match. Competing countries now total 12.

The trophy for the world champion is being jointly offered for annual competition by Imperial Oil in Canada and other interested companies overseas. It has been designed, and is being made, by The Goldsmiths and Silversmiths Co. Ltd., of London, the world-famous company of British craftsmen which reconditioned the crown jewels for the coronation. It will cost about \$1,500.

The World Championship Ploughing Organization decided its trophy should be symbolic of plowing as an ancient art. The original of the plow selected as a model is in the London (England) Science Museum. It is believed to date from about 1721, though some of its features go back to the 16th Century. Called the Norfolk plow, it was one of the pioneer light plows in England and the continental countries, and the forerunner of nearly all modern plows. With a pair of husky horses and an equally husky British yeoman behind it, it was capable of turning over about an acre a day—about one quarter as much as a modern tractor plowman with a one-furrow plow could accomplish.

The finished trophy will be mounted on a mahogany base

two feet long, one foot wide and seven inches high. From the top of the plow to bottom of the base it will stand 16 inches high. The main trophy will be held by the national plowing association of the winning plowman. The world champion will receive a copy about one third the size.

Word of U.S. entry into the world match was received by Mr. Carroll from Alfred Larson, vice-president of National Association of Soil Conservation Districts. This association sponsors state and area plowing matches, climaxed each year with a national match. The U.S. world competitors will be chosen at Augusta, Wis., September 17-18. Confirmation of the Belgian and Danish entries was received from Alfred Hall, W.C.P.O. secretary in England.

Other nations competing are Great Britain, Northern Ireland, Republic of Ireland, Norway, Sweden, Finland, Holland, West Germany and Canada.

The consumption of wood in Canada does not exceed the annual increment of the forests.

The pulp and paper industry alone spends more on forest protection than any other agency.

Pickering To License Swine Swill-Feeders

Three readings were given a bylaw in an emergent meeting of Pickering Township Council last week which empowers the council to license and regulate the keeping and garbage-feeding of swine in the municipality. This bylaw does not necessarily restrict such swine feeders from entering the township and does not require the sanction of the Ontario Municipal Board.

Trustees of School Section No. 2 waited on council concerning the addition of one room required to the school at the corner of the Brock Road and the Base Line. For about \$12,000 they claimed they could erect a temporary building on foundation, install new heating and plumbing throughout, then use approximately \$3,000 to buy a school site north of No. 2 Highway. A bylaw authorizing the issuing of debentures for \$16,000 for this purpose was given two readings and awaits the approval of the Municipal

Board. Mr. William Fertie presented a communication to council asking that Peter Brown be permitted to gravel the Taylor Road under supervision of the road superintendent, at a price of \$350. Council agreed that this work should be done, with gravel 8 inches deep, 14 feet wide and under the road superintendent's supervision as suggested.

ATHA NEWS

Mr. and Mrs. Lloyd Turnbull and family of Toronto spent the weekend holiday with her mother Mrs. L. Hoover and Vern.

Marie and Loraine Draper spent a few days with their grandmother, Mrs. Zellers in Stouffville.

Misses Mary and Jennie and Harold Carruthers, Cashel visited Sunday evening with Mrs. A. Carruthers and family.

Mr. and Mrs. Gren Draper and family visited Sunday afternoon with Mr. and Mrs. Bernard Burnell, Claremont.

Mr. and Mrs. Cyril Bielby and family were dinner guests with Mrs. David Grove, Mount Joy on Sunday.

Freda and Marie Draper spent some holidays with their grandparents, Mr. and Mrs. A. Draper.

Mrs. Fred Langmaid, Oshawa returned home after spending the weekend at the Carruthers' home. She also attended the wedding of Adie Coates.

BOOMER-COATES

Rev. Davison of Claremont solemnized the marriage on Aug. 1st in the home of the brides aunt when Adelaide Coates, daughter of the late Mr. and Mrs. George Coates, became the bride of Albert Boomer, son of Mrs. K. Boomer, Peterboro, with Mrs. Fred Langmaid playing the wedding music. Bridal chorus by Lohemun. She sang "O Perfect Love" The bride was given in marriage by her cousin, Ernie Carruthers. The bride chose an ankle length dusky rose lace over taffeta with navy accessories, her attendant, Mary Graham, Cousin of the bride wore navy sheer ankle length with matching accessories. Their flowers were pink roses and sweet peas Little Ruth Ann Carruthers, flower girl was in Embroidered Organdy over blue taffeta with blue accessories. She carried a basket of sweet peas, pink and white carnations, baby breath. Mr. William Coates was best man. During the signing of the register, Mr. Dan McNeil, Toronto sang "Because." Guests attended from Peterboro, Toronto, Aurora, Mount Albert, Musselman's Lake, Stouffville, Claremont, Greenwood, Oshawa, Dunbarton, Markham.

Holstein Club Holds Successful Meeting

The Ontario County Holstein Club held a very successful Twilight Meeting at the farm of Earl Howsam and Sons Greenbank, on Wednesday evening, July 22. Around 350 Holstein breeders and their friends were in attendance.

The first part of the program was under the direction of Gerald Nelson, Holstein fieldman for this district. He used two of Mr. Howsam's very fine cows for a grading demonstration.

The President, Bob Flett, of Oshawa, was chairman for the remainder of the meeting. The speaker of the evening was Everett Biggs, Dairy Commissioner for Ontario. He was introduced by Agricultural Representative, Lynn Fair. Mr. Biggs has just recently returned from the International Dairy Federation meeting that was held in Holland. His interesting talk was made up of observations made in Great Britain and the Continent.

George McLaughlin, Oshawa,

National Director on the Holstein-Friesian Association of Canada, brought greetings from that Association and gave a short report on the work of the Association during the past year.

Arnold Kerry gave two entertaining musical numbers. Mr. Ferrier, piper from Stouffville, entertained the group before the meeting and also gave a couple of numbers during the program.
