

Hooker Fires No Hitter Shamrocks win 10-0

Jerry Hooker, Stouffville's ace righthander chalked up the first no-hit shutout of the season in the Markham Twp. Softball League as he hurled the Shamrocks to a 10-0 victory over Peaches here on Thursday evening. In every inning with the exception of the seventh, the visitors went down in one, two, three order. D. Smith, Peaches second sacker was the only player to reach first base. He was issued a free ticket but was left stranded when G. Forgie and N. Brown filed out and Warriner went down on strikes. It was a perfect night for the local speed ball artist who besides his brilliant mound exhibition came through with bases empty home run in the fourth inning. The Stouffville twirler credited himself with six strike outs and issued but one base on balls. Neil Brown and Dent Smith of Peaches connected for two drives out of the infield but both were tucked away neatly by roving Shamrocks out in the daisies. Stouffville batters tapped Peaches hurler Beckett for 12 hits, 5 of them coming in the final innings. They left 11 runners stranded on the base paths. Carey, the Shamrocks' lead-off slugger cranked a round tripper to start the Stouffville ball rolling. Edwards reached first on an error and scored when Nicholson and Hooker grounded out. Howard Forgie and Collins walked but Eulock went out second to first leaving two runners on base. The Shamrocks added two in the second, two in the third, one in the fourth and three in the sixth to run the score into the double figures. Ward Edwards was the top batter for the winners; with four hits in four official trips to the plate Clarence Fockler tapped out two for four. Stouffville's victory coupled with Markham's 6-1 win over Unionville kept the Shamrocks playoff hopes alive.

Edge Newmarket In Playoff Opener

Stouffville Juveniles jumped into a one game lead over Newmarket on Thursday evening of last week in the North York semi final playoffs when they edged the canal town squad by a score of 4-3. Murray Stewart on the mound for the winners hurled a five hitter. After five complete innings, both teams were deadlocked 3-3 but Graham Frisby and Grant Wagg came through with safe hits in the sixth to provide the winning run. The local squad jumped into the lead in the second innings when Hodgson and Frisby hit safely and Stewart, Wagg and White walked. Two runs scored while three were left stranded. Newmarket connected with two hits in the bottom half of the second to get back in the game with one run. McGuire singled scoring Hodgson Stouffville added another run in the fourth as Wagg and White walked and Forfar credited himself with an R.B.I. scoring the front runner. Newmarket rallied in the fifth to tie the score. Three hits and a walk scored two runs. However Wagg and Frisby came to the rescue to provide the winner. Newmarket didn't go down without a fight but for some fine defensive work by the local infielders the game could easily have been lost in the final innings. Two runners were erased off the base paths, and the last batter grounded out to end the six innings thriller.

STAR OF THE WEEK

This week it's hats off to a member of the Stouffville girls' softball team, Barb Hare. Barb is one of the most improved players on the squad and is now patrolling the centre field position with the assuredness of a five year veteran. On Wednesday evening of last week she had four hits in four trips to the plate and handled more fly balls without error than the remaining eight players. In the last five games Barb has been at bat twenty times and has sixteen safe hits, one a home run. That's a good average in any league.

PAY AS YOU PLAY

The Stouffville Tennis Club management would like to issue a gentle hint to the users of the courts that any donations or memberships would certainly be appreciated. Because the courts were constructed for everyone to use, the club does not wish to ban non-members from playing, but these tennis-lovers should realize that an organization cannot operate on peanuts. At the present time the club is planning a drive to raise funds for the installation of lights next year. The membership fee for seniors is \$3.00 and \$1.50 for juniors.

HOOKER HURLS NO-HIT SHUT OUT

Jerry "Fireball" Hooker came through with a brilliant no-hit shut out pitching performance on Thursday night here as the Shamrocks blanked Peaches 15-0. Hooker's sizzling speed and perfect control sent the opposition batters down in order until the final inning when he gave up one base on balls. The former Brooklin-Brougham hurler was in top form throughout the entire seven innings. It's the first no-hit shut out to be registered in the Markham Twp. League this season. Norm Stundin, Buttonville's southpaw curve ball artist had previously hurled two shut out games two years ago.

MICHELL PONIES MAKE BIG HIT AT SUTTON FAIR

The well-trained ponies belonging to Mr. Henry Mitchell of Markham brought a roar of applause from the crowd at the annual Sutton horse show on Saturday. As an added attraction Mr. Mitchell entered his three ponies in race but stripped one horse of its saddle and rider. To the amazement of the spectators, the little pony sped around the course with terrific speed and came in first by a nose. Not to be denied the honors for his fete, "Teddy" paraded unattended before the reviewing stand and never threatened to break from the track during the entire proceedings. Mr. Mitchell has gained considerable prominence during the past few years for his skill in training ponies for racing competition at all the fall fairs around the district.

TIME FOR A CHANGE

The slogan "Time for a Change" is a familiar phrase in the world of politics but if ever the term should be brought into effect it's right here in our own Tri-County League baseball setup. The group comprising Sutton, Uxbridge and Stouffville has become nothing more than a phrase. If one club finds they are short of players, they merely default the game and lose two points, but what difference does it make, because the standing still remains the same. Uxbridge has claimed but one win throughout the entire season and they salvaged those points because Stouffville didn't bother to make the trip. Sutton provide real opposition but no matter who wins or loses both the Red Sox and the Lake Simcoe squad will meet in the playoffs. At the present time neither team knows when it will play until a day or two before the game, hence the fans are as confused as the players themselves. Sunderland threw a monkey wrench into the whole affair when they dropped out of the group midway through the schedule and the League had no other alternative but to let the remaining three clubs play "exhibition" games until the playoffs rolled around. Last week, Uxbridge journeyed to Sutton with neither a full squad nor an umpire. Although the crowd on hand for the contest was small, it was thoroughly disgusted as were the Sutton players. The game was called off. It would be a good idea for the managements of Stouffville and Sutton to get their heads together at the conclusion of the playoffs and try to work out a different setup for another year. There has been considerable talk concerning the grouping of Aurora and Newmarket in with Stouffville and Sutton for another year. Such an arrangement might possibly work into some interesting competition between the four sports centres; certainly it couldn't be any worse than the arrangement this year.

Claremont To Play Ajax Saturday Night

Claremont softball club will battle Ajax on Saturday night in the Claremont community park in the first round of O.A.S.A. Int. B. competition. The contest will get underway at 8:15 p.m. Brougham have also placed an entry in O.A.S.A. competition and will play Keene at Pickering on Saturday.

Elgin Mills Scores Win over Peaches

"Grandma" Morrison pitched Elgin Mills to their second straight victory over Peaches girls on Monday evening winning by a score of 8-3. The Yonge Street crew led through out the contest and their 52 year old pitcher was never in serious trouble. Shirley Young handled the hurling chores for the seventh con. squad. Second baseman, Edna Stickley was shifted over to the first sack for the contest and Fern Hoover played in the outfield for Peaches. Marg Smith scored two runs and Edna Stickley counted the other. The win moved Elgin Mills into third place all alone, six points back of Stouffville and Cedar Grove who are currently tied for the number one position in the league.

Richmond Hill Here Friday, OBA Game

Richmond Hill will be the visitors here for the return match with the local juveniles on Friday night. Both clubs are entered in the OBA and will be striving to advance up the baseball ladder. Stouffville goes to the Hill on Wednesday evening for the first encounter. A winner must be declared by August 15th.

Lemonville Wins Y.F.C. Championship

Geo. Timbers hurled Lemonville to the Youth for Christ Softball Championship on Thursday night of last week as his team defeated Goodwood by a score of 15-13. Other members on the winning club were Grant Wells, Harry Burnett, Carl Timbers, Jim Lloyd, Gloria Hood, Jane Cook, Mrs. Earl Cook and Bob Stover. Geo. Timbers, and Allan Stouffer shared mound duty for the Lemonville squad during the season.

Elgin Mills Coach vs. Cedar Grove Umpire

Near the completion of a torrid contest between Elgin Mills and Cedar Grove on Wednesday night of last week, Coach Morrison of the Yonge Street squad and Morris Procenko, Cedar Grove plate ump became engaged in a bitter word battle that continued after the contest was officially over. With Elgin Mills leading by a score of 10-5, Cedar Grove went to bat in their final half innings and tied the score with four runs. With two out, and the bases loaded an infield grounder was trapped and the play at the plate was a photo-finish effort. Umpire Procenko called the runner safe and the 10th con. squad had pulled the contest out of the fire. The heat wasn't off however, as coach Morrison flew into a rage at the decision. Umpire Procenko refused to waver from his ruling and the visitors' protests proved in vain. Audrey Murison and Marlon Beare formed the battery for the winners with "Grandma" Morrison handling the hurling chores for Elgin Mills.

Expect Floodlights Ready Next Week

It is expected that the Stouffville floodlights will be turned on for the first time next week. The Markham Rural Maintenance Board have given notice that they will install the transformer as soon as they receive the O.K. from here. It was hoped that the lights might be turned on this Saturday night but delays will postpone the opening until later next week.

Schell Injured; Sutton Clips Red Sox 9-2

The Stouffville Red Sox suffered a serious blow on Monday evening when their ace hurler Lorne Schell was hit on the leg with a line drive in the first inning and although he attempted to carry on he was forced to leave the contest in the fifth. Sutton took the game by a score of 9-2. The Stouffville squad seemed to lack the drive and spirit that carried them to three straight wins over Sutton earlier in the season and at bat they appeared woefully weak. In seven innings they clipped righthander Geo. Holborne for but three hits. Sutton, on the other hand were run-hungry, as they pounded Schell for six hits and tallied seven more safeties off relief pitcher Lorne Bowdway. Keith Dunn and Cameron were Sutton's long ball hitters each clearing the sacks with out-of-the-park home runs. Les. Clarke with two singles and Lou Raxlin with a double were the Stouffville power batters. The Red Sox held Sutton off the score sheet for three full innings but faltered in the fourth when four runs crossed the plate. Skip Taylor, the first man to face Schell fled deep to centre fielder Graham Frisby but Cameron singled off Schell's leg. Holborne went down on strikes and Dunn popped to the pitcher to retire the side. Stouffville's lead off batters, Raxlin and Lehman went down swinging but Clarke dropped a Texas Leaguer single into short left field to stay alive. Catcher K. Schell dropped a short roller in front of the plate and was thrown out catcher to first. In the fateful fourth inning, Cameron teed off on a slow curve ball and lined a triple into the outfield. Holborne singled driving in a run and Dunn lifted a 325 foot home run out of the park to give Sutton a 3-0 lead. Chadwick, Sutton's Ted Williams II drove a grass-cutting single into short centre and scored on Learover's base hit. With two out, Wier attempted to steal from first to second but was tagged by Clarke on a perfect throw from catcher Ken Schell. Lorne Schell was forced to retire after four and a half innings and Lorne Bowdway took over on the mound. Taylor, the first man to the plate lifted a long ball into the centre field frog pond for a double and Cameron smashed a four bagger out of the park to give the Lake Simcoe squad a 6-0 advantage. Holborne and Chadwick singled to score another run but Dunn went down on strikes. Matt grounded out Bowdway to Jennings and Pollock rolled out pitcher to first to leave two runners stranded. Stouffville counted their runs in the bottom of the fifth. Smith received a base when hit by the pitcher and Bowdway singled on an error. Raxlin credited himself with two R.B.I.s when he lifted a double into left field scoring Smith and Bowdway. With one runner parked on second, Lehman fled to Rowe, Clarke struck out and K. Schell popped out to the third baseman to end the attempted rally. A walk for Taylor, a double by Dunn and a single for Chadwick scored the remaining runs for Sutton. Stouffville seemed to miss the services of Coach Bob Hassard and catcher Hal Gibson in the hitting department where the locals fell down badly. Holborne was never in trouble throughout the game striking out nine batters, allowing three hits and giving up no free passes in the seven inning contest.

Stouffville girls scored a total of nine runs in two innings on Wednesday evening to romp home to an easy victory of 15-8 over Peaches. Stouffville counted six tallies in the first and added three more in the second to take a 9-1 lead. Betty Wide-man on the hill for the seventh concession squad was relieved by shortstop Eleanor Reid who finished the contest. Joan Haynes went the limit for Stouffville and although tapped for twelve hits she received a good support and was never in serious trouble. Peaches scored one run in the first on hits by Marg Smith, Marlon Houser and Eleanor Reid. Two runners were left stranded when Edna Stickley and Fern Hoover went down. Stouffville took a five run lead

in the bottom half of the first and lengthened their lead in the second. Pat Smith rounded the bases for Peaches in the third but Marg Schell duplicated the fete with a lone tally for the town squad. Peaches big innings came in the fourth when they counted three runs. Pat Smith, Marjorie Barber and Carley Brown crossed the plate in the top half with Joan Haynes and Barb Hare scoring for Stouffville in their turn at bat. The remaining Peaches runs were scored on long ball drives. Marion Houser hammered out a four bagger and Marj Barber lifted a round tripper into the deep outfield with Betty Wide-man parked on first. Marg Schell, Jean Halstead and Joan Haynes scored the final runs for the winners. Donna Velde, Stouffville's versatile catcher first baseman slugged a long triple into left field but was tagged out at the plate when she attempted to stretch the hit into a home run. Barb Hare, one of Stouffville's most consistent batters and outfielders had a good night with four hits and pulled off some nice catches on well hit balls to centre field. Joan Haynes also wielded a powerful bat, hitting four for four. Clarence Fockler and Harry Lewis handled the umpiring duties for the contest. Wood fibres are called cellulose. Like To Hear A Secret?—Here's my secret recipe for the best mustard pickles you've ever tasted. First of all, be sure you have the following—HEINZ WHITE PICKLING VINEGAR, KEEN'S or COLMAN'S DRY MUSTARD, WINDSOR COARSE PICKLING SALT—and seal in the goodness of the pickles once they're done—PAROWAX. MUSTARD PICKLES
1/2 cup Keen's or Colman's Dry Mustard
1/2 cup Windsor Coarse Pickling Salt
3 1/3 cups sugar

Wash cucumbers. Combine Heinz White Pickling Vinegar, Keen's or Colman's Dry Mustard, Windsor Coarse Pickling Salt and sugar. Heat to boiling. Add cucumbers and heat to boiling. Quickly pack one hot-sterilized jar at a time. Fill to 1/2" from top. Be sure vinegar solution covers the vegetables. Seal each jar with Parowax at once. Yield: 7 pints.
