

NOTICE

The auction sale season has now started; we are prepared to manage and sell your auction sale anywhere in Ontario.

We now have a sale managing program whereby we look after the advertising and all the preparation of your livestock, ready for the sales ring. This service really pays off on sale day. Ask those who have taken advantage of this service; they have been more than pleased with the results.

Being an honour graduate of the "Reisch American School of Auctioneering," with the experience gained by selling in a livestock sales barn, we feel "Your Auction Sale in Our Hands" means "Money in Your Pocket." We are as close to you as your telephone, simply call Stouffville 363, ask about our new Sales Service without obligation. Our charges are very reasonable for this most complete service. Many are taking advantage of this new service. "Why Don't You?" We invite you to attend a sale at the Stouffville Livestock Pavilion where we sell every Saturday at 1 p.m.
