IN MEMORIAM

COWIE — In loving memory of William E. Cowie who was taken from us suddenly, Sept. 26, 1946.

So sudden on earth the sorrow fell;
Memories we treasure, no one can steal —
Death leaves a heartache nothing can heal.
Lovingly remembered by wife, daughter and son-in-law.

Farmers Invited To See New Automatic Tractor Hitch

A new product exhibit to introduce the new Farmall Fast-Hitch for the Farmall Super C tractor and featuring several new types of International Harvester farm equipment will be held at the Trade Fair this week, announces Cy Bellman, local International Harvester dealer. The revolutionary new Fast-Hitch couplers implement to tractor instantly and automatically.

"We think the new Fast-Hitch is the most important development in the farm machinery field in several years," Cy stated. "To hitch to an implement, you just back the tractor up until the two beams on the implement snap into the hitch sockets on the tractor."

See it at the Trade Fair, in the Stouffville arena, Thurs. Fri. and Sat. of this week.
