Work Started On Oak Ridges School Addition

Work has started on the long awaited extension to the Oak Ridges public school, says Bob Woolley, chairman of the board of trustees.

The project includes the building of 5 new rooms, new toilets for both the new extension and the old building, a new heating plant for the old building and the installation of a water system for the whole school.

It is hoped that the work will be completed by Easter of 1954, said Mr. Woolley.

Farr's Radio Electric Store is continuing their great saving sale of refrigerators this week. Read the display adv. in this issue and call in to see these attractive models.

IN MEMORIAM

BENNETT — In loving memory of a dear wife and mother, Nora Steckley Bennett, who passed away Nov. 15, 1951.

Two years have passed since that sad day, When one we loved was called far away God took her home — it was His will Within our hearts she liveth still.

Sadly missed and lovingly remembered by her husband, George, son James and daughters Dorothy and Evelyn.

WELLS — In treasured memory of our darling daughter and sister Shirley who passed away Nov. 14th, 1941, age 6 years.

Dear God please take a message To our darling up above Tell her how much we miss her

And give her all our love. Too dearly loved to ever be forgotten, Mother, Daddy, sister and brothers.

DOUGLAS — IN loving memory of Margaret Douglas, who passed away November 13, 1945.

Just a cluster of beautiful memories The sweetest my heart can frame, I weave them into a garland And entwine them around her name.

Mother.
