

OVER 120 PLAYERS SIGN UP IN LIONS LEAGUE

The Stouffville Lions Club Hockey League opened its schedule on Saturday morning with all six teams swinging into action for another full season. Although it may be hard to realize, over 120 boys have signed their names to the players' list and more names will probably be added as the season progresses. The large group has been divided up into six teams with the clubs having one hour per game. Fifteen minutes are allowed between games for the boys to warm up with some practice shots on their respective goaltenders. This Stouffville Lions Hockey League has been continuously growing in popularity since first organized three years ago. The town of Newmarket which has a population of over 5,000 people has a similar hockey organization operated by the Newmarket Recreational Commission. It has 92 players ranging in age from 8 to 16 years. The addition of new N.H.L. sweaters for the six clubs has increased the interest in the game. Referees Ron Peake and John Davis officiate throughout the three games from twelve noon on Saturday until four p.m.

THREE TIED FOR SCORING LEADERSHIP

Three players remain deadlocked at the top of the Clipperscoring parade following two weekend games in which the Stouffville squad tallied a total of 15 goals. Ron Bell, Hal Gibson and Frank Stephenson have each collected eight points. Gibson is tops in the goal scoring department with seven while Minton, Bell, Stephenson and Stark have five. Don MacIntosh, newly acquired rearguard with the Clippers this season has scored one goal and picked up four assists. The standings are as follows:

NICK BANGAY IMPROVED

Hockey fans will be pleased to learn that Nick Bangay, star forward with the local Clippers is steadily improving following the stick-swinging attack by Frank Ptastnik of Ravina Flyers over a week ago. Nick received a twenty-five stitch gash on his face and head and five more stitches were added by doctors at the Toronto East General Hospital. In addition to the severe concussion. Bangay suffered a fractured jaw. Bob Bangay, brother of the injured star and Coach of the Clippers said that Nick was forced to stick to a liquid diet and all nourishment must be obtained through a straw. Due to the seriousness of Bangay's injury he was unable to attend the case which was scheduled for Friday. It has therefore been postponed until a later date. Never has there been an episode in this arena that has raised so much ill comment and resentment. The spectators who witnessed the fracas along with those who read of the incident in the press are literally seething over the episode. Nick Bangay has always been one of the most popular players in the Stouffville lineup and fans certainly do not take kindly to any action which might have put a permanent crimp in his hockey career.

CONGRATULATIONS STOUFFVILLE RUGBY SQUAD

Congratulations are due to the Stouffville District High School rugby squad for bringing home the district championship. The local squad completed the season one point up on Markham who finished in second place. It's been a long hard grind for the winners, a team that was not satisfied to be second best. Other years the Stouffville crew ran into a stone wall at Richmond Hill, but this season, walked through the Yonge Street squad for two straight victories. Stouffville, Markham, Richmond Hill and Newmarket formed the district high school group. The Champions were coached and managed by Mr. Mercer and Mr. Marshall with Len Wilkes handling the officiating at all home contests. The lineup for Stouffville was as follows: Quarter backs - Ray Foord, Don Haines; Half backs - Graham Frisby, Glenn Thompson, Carl Timbers, Allan Stouffer; Line -Jim Coultice, Ron Peake, Garth Brubacher, Jim Hollingsworth, Don Tran, Ed Mile and Bob Barnes.
