Machinery Club Results Announced

Results for the Junior Farmer Machinery Club sponsored this year by the Unionville Junior Farmers have been announced by the Ontario Department of Agriculture, Newmarket. The competition winner is Robt. Petch, Gormley, R.R.1 with a total score of 527 out of a possible 600. In second place is Ted Gough, Milliken, with 504. Other completing members were Nelson Buchanan, Unionville; Jim Miller, Gormley; Don Brodie, Gormley; Wilbur Brumwell, Gormley; Ellis Britton, Agincourt; Gordon Brunwell, Gormley; Norman Tyndall, Richmond Hill; Sam Siders, Unionville; George Hooper, Gormley; Elson Miles, Milliken.

The purpose of this Club is to instruct in the proper safety, care and maintenance in the operation of modern farm machinery and is under the direction of the Agricultural Engineering Fieldman of the Agricultural Representatives Branch. The meetings held monthly during the summer are arranged so that various types of machinery are discussed immediately before their seasonal operations begin. The members are required to keep manuals on which they are scored, listing adjustments and repairs made on the machinery on their home farms. The Achievement Day for the club held at the farm of Norman Tyndall, Richmond Hill, consisted of a utility plowing demonstration. The boys worked in pairs at their Achievement Day with each boy plowing a land while his team-mate acted as coach.
