More and more dads are finding out that a son's first year at college develops a fine sense of touch.

The average person will follow the advice of a person he considers smarter than he is. This explains why very little advice is heeded.

## After 14 Months in Far East, Athabaskan Returns to B.C. Base

A proud ship is the destroyer HMCS Athabaskan, as she returns to her base at Esquimalt, B.C., to complete her third assignment with the United Nations in the Far East. The 14-month tour of operations just completed by the Athabaskan was the longest for any RON destroyer which has served in the Korean theatre. All told, the Athabaskan has steamed more than 170,000 miles in her three tours, and has spent some 270 days at sea.
