## PEACHES

Mrs. Nelson Smith and Frank spent a day last week visiting relatives near Wingham.

The Peaches Young People cancelled their Sunday evening bi-monthly meeting and accepted an invitation to Stouffville United Church where the S.Y.P. were conducting the evening service.

Chicken Pox is on the rampage. Those stricken included Mrs. Norm Jarvis and two children, Carol and Marilyn. We hope they will soon be out again.

This week there are two more fractures to report. In our community, Harry Lewis while playing hockey with Peaches A.C.'s had the misfortune to break his leg at the ankle and Trevor Watson fractured his heel while felling a tree last Friday. Who's next?

Sorry to hear of the sick with a pressure cooker. Every family. All three boys, Jim, David and Kenny have had a bout with colds and flu, but will soon be well again we hope.

Mrs. Don Miller and daughter Barbara spent a few days last week visiting in Toronto with her mother, Mrs. Jack Barkey.

On Tuesday evening a number of young people gathered at the home of Mr. and Mrs.

## Nonagenarian Was English Steeplejack

Mr. John Maughan, a resident at the Stouffville Brierbush Hospital for the past two years celebrated his ninety birthday on Wednesday. Born in England in the County of Durham, Mr. Maughan was employed as a steeplejack and earned 20c an hour or approximately \$1.60 per day. On many occasions he had the perilous task of constructing 120 foot chimneys built over the many coal mines in England. In 1905 he came to Canada and worked for a time in Winnipeg but later returned to Toronto. Wages at that time were 50c an hour. Mr. Maughan has returned on two occasions to his native England.

In spite of his years, Mr. Maughan is very active and is a familiar figure on the sidewalks in Stouffville. During the summer he often walks from the hospital down to the business section two and three times a day. He is also an ardent reader and at the age of ninety he is still able to read without glasses. Mr. Maughan is strictly a vegetarian and en-
