## BETHESDA

Mr. Clarence Atkinson and daughter Ruth arrived home from the States on Friday evening. The weather last week in Mt. Vernon, Missouri, was 30 degrees and the flowers were all in bloom.

Mr. and Mrs. Clifford Gordon and girls are leaving our community and moving to Stouffville. On Sunday at Sunday School they were presented with a silver cream and sugar. The girls were given religious plaques. The following address was read by Mr. Wm. Paisley: "We, your co-workers, Sunday School classmates and friends in the community regret deeply that you are moving from our midst. You have willingly performed varied duties in the Sunday School, giving of your talents and sacrificing your time to serve us. We will always remember your cheerful faces and good influence but hope that you will refresh our memories by still meeting with us here, often. Kindly accept these small tokens of our esteem and they serve as a remembrance of Bethesda Sunday School.

May God bless you abundantly and guide you and keep you always."

## BLOOMINGTON

Sunday callers recently at the home of Mr. and Mrs. V.E. Wagg were Mr. and Mrs. Caulfield, Miss Betty Woodland, Mr. and Mrs. J. Prettie, Mr. H. Jansen, Fred Woodland and friend.

## 4-H Club Work An Asset

4-H Club work for rural boys and girls is a definite and important part of Agricultural Extension programmes and may be defined as a voluntary educational movement designed to provide, through organized groups, a practical training in Agriculture and Home Economics, and at the same time to develop the individual abilities of the members. Club work is a supplementary training, not a substitute for a formal education.

"Learning to do by doing" is a basic principle of 4-H Club work, and its most important feature is that the members undertake practical farm or home projects. A sense of responsibility, a stimulation of interest and a desire for more information regarding better husbandry practices are concrete results of this training. The keeping of records of production costs develops an appreciation of farm and home management problems. Achievement Days or Club Shows afford the members an opportunity to compare the results of their work with those of others and to demonstrate their accomplishments to the public. Judging and other forms of competition help to develop self-reliance, good sportsmanship and the powers of observation and judgment.

What better training could we have for the future farmers of this county? Why not let your son and your daughter take advantage of this opportunity.

Last year in Ontario County 350 boys and girls took part in 4-H Club projects. These projects included Beef, Dairy, Grain, Corn, Potato, Tractor Maintenance, Forestry Clubs, Girls' Garden and Home-Making Clubs. In addition, 2 Junior Dairy and Beef Calf Clubs for the under 12-year-olds attracted 43 members. All those interested in taking part in 4-H Club work should forward their name and address to the Ontario Department of Agriculture, Uxbridge, as soon as possible.

Last Thursday evening neighbours and friends gathered at the home of Mr. and Mrs. Chas. Ward, O'Brien Ave., to make the presentation of an oak end table to Mr. and Mrs. Douglas Ward who were married recently.

Sadly missed by sister Bertie, family, and sister Edythe.

PRESTON — In loving memory of a dear wife and darling mother, Violet Preston, who went home to be with Jesus March 25, 1952.

Two dear hands are resting, A heart we loved is still, A mother we loved is waiting For us just over the hill. Her sweet voice seems to be saying Try to be brave and true, Till at the end of the shadows We'll be watching and waiting for you.

Sadly missed by husband and family.

## Charges Dismissed

Charges of car theft and of stealing a wallet against Carl Lennox of Stouffville were dismissed by Magistrate Hollinrake in police court in Newmarket last week. Chester Sawyer drew the wrath of the court when he testified that he had given Lennox permission to use his car and that the wallet theft was only a mixup in shirts.

The astounded crown attorney asked why he had not told the officers this before. "This young man has been remanded three times and spent one week in jail, because of these charges. Why did you not do something about it?" "I did not know what to do," replied Sawyer.

"All you had to do was tell the police officer the truth", said the crown. "All charges against this young man dismissed", said Magistrate Hollinrake.
