**UNITED MISSIONARY CHURCH**  
Stouffville

TIME OF SERVICES — 3.00 and 8.00 p.m.  
Afternoon subject — "Some Fundamental Aspects of Holiness."

Evening subject — "The Discipleship of the Shadows."  
GUEST SPEAKER — Dr. J. A. Huffman, Minister, Educator, Author and Lecturer, Founder of Bethel College at Mishawaka, Indiana.

—MAKE PLANS TO ATTEND THESE SERVICES—

Dr. Huffman

Rev. Quinton J. Everest of South Bend, Indiana, is coming to the Stouffville Area on May 12th. Watch for further announcement.

Mr. and Mrs. George Elliott attended the Fuller Brush Co. banquet dinner in the Prince George Hotel, Saturday evening. Mr. Elliott is the Fuller Brush dealer for Whitchurch township.

Stouffville Fire Brigade made two rush calls on Monday and Tuesday, but fortunately no damage resulted in either blaze. About 7.30 on Monday evening, a space heater flared up in the rear of the Admirer Grill and a frightened tenant put in an alarm. The fire brigade was already out when the call came, carrying out a practice run to the east end and soon responded to the alarm down town. On Tuesday morning a grass fire in the rear of the rear of the Rev. Morton home on Montreal St. threatened to get out of control but was soon subdued by the local brigade.

### WEDDING

Heimbecker—Mallory.  
Miss Ruth Mallory, daughter of Reverend and Mrs. Allan Mallory, 891 S.W. 25th Street, Fort Lauderdale, Florida, became the bride of Clinton Heimbecker on Sat., April 3.

The double-ring ceremony took place at 1 p.m. in the Fort Lauderdale Assembly of God church. The Reverend Philip Brauchler officiated.

The bride wore a gown of white embroidered nylon with matching accessories and orchid corsage. Her attendant, Mrs. Shirley Holbrough of Orlando, Florida, was gowned in pink with matching accessories, and corsage of sweetheart roses.

Leslie Holbrough was best man for the bridegroom, who is the son of Mr. and Mrs. Carl Heimbecker of Glen Christie, Ont.

Reception followed the ceremony at the Chic Hous in Fort Lauderdale. After a tour of Florida and the Eastern States, the couple will reside in Kitchener, Ontario, where the bride's father formerly pastored the Pentecostal Tabernacle on Benton Street.

### PROTESTING PAINT SHOP ON LLOYD AVENUE

Mr. Wes. Jack, Lloyd Avenue, appeared before Stouffville Council last week to protest the granting of a building permit for a paint shop to Mr. Les. Wilson, a nearby neighbour. Mr. Jack stated that he is definitely not opposed to the Masonic Order in any way but takes issue with the same Land Restriction bylaw because it has allowed a permit to be issued to Mr. Wilson.

Both men appeared before the municipal council when a strenuous protest was aired in connection with the erection of the new Masonic Hall in the west end, but Mr. Jack wishes to disassociate himself from any protest in connection with the hall. Mr. Wilson for his part pointed out to council that restrictions on this new subdivision had not been enforced at any time as to the type of building to be erected there.

# Our Local and Personal Happenings

The Stanley Theatre will present a full matinee of cartoons at 2 p.m. on Easter Monday afternoon.

Mrs. Geo. Lawson, west end has been removed to the Brierbush Hospital, friends will regret to learn.

There will be a special Easter Sunrise Service held in the Stouffville United Missionary Church on Sunday morning at 7 a.m. The speaker will be Dr. J. A. Huffman, one of America's most outstanding ministers.

A Ford tractor at the Stewart McQuay auction sale in Whitchurch Township last week sold for \$1,080 and a plow along with it for \$430. The sale conducted at lot 15, con. 7 was handled by S. Pollard, his first sale in eighteen years.

Work has been resumed on the municipal clock tower much to the satisfaction of those local citizens who find that they depend considerably on the big time-piece located there. Work of rebuilding had been discontinued when the original contractors proved unsatisfactory.

Work has commenced on a new wing being erected on the west side of the Stouffville Nursing Home. The Home has been using accommodation in the former Dr. Neil Smith residence for some time but finds this inconvenient and thus the decision to add a new wing to the main house on the corner. The new building will give the Home accommodation for twelve more beds. Russ Forfar is the contractor.

Some residents have been awakened at night recently by the fog horn sound of diesel locomotives nearby and on investigation we find that they weren't dreaming. Diesel locomotives are being tried out on the C.N.R. line here, hauling long freight trains at night. First test run was made last Wednesday night.

### Thieves Break In

Thieves broke into the Stouffville Co-op plant here on Wednesday night and made off with a number of electrical appliances and \$1 in cash. At the same time a number of radiators were stolen from the Auto Wreckers on Stouffer St. Local Provincial Police are investigating and we understand the radiators have been recovered in Toronto.

Renewing acquaintances at Kingston on Saturday night at the Stouffville-Oshawa hockey game was Mrs. Carman Powell, wife of a former high school principal here. Mrs. Powell was the former Merian Cook, daughter of the late Geo. Cook and the family resided on Edward St. Friends will regret to learn that Mr. Powell suffered a coronary last Christmas and has been incapacitated since that time. He is presently in London although the family is living in Bath where Mr. Powell was teaching.

The sad news reached town early last week of the tragic death of Bill Chidley in his 21st year. Bill was the only child of Mr. and Mrs. Wilbur Chidley and was killed in a train and car collision at Shubenacadie, near Halifax, N.S. His grandfather, the Rev. W. H. Chidley, will be remembered as a former Christian Church minister in Stouffville. Bill was also a nephew of Mr. and Mrs. Harry Paisley and used to spend many of his summer holidays here in town at their home. He was greatly interested in ponies and horses and had been studying for a veterinarian at Guelph College. Failing in some of his course he had just completed arrangements to return to the University at Halifax.

Mr. Harry Paisley left at noon last Thursday to attend the funeral, which took place at Glace Bay.

Mr. and Mrs. J. K. Agnew of Stouffville were visitors in New York City last week, making the round trip by air.

Mr. E. R. Good just returned home Monday after a three-week trip to Florida. Mr. Good travelled to the sunny south by train, going through Washington.

Miss W. McKay, teacher of Grade II in the Stouffville Public School has resigned her position here and will join the staff of a London, Ontario school.

More than twenty were received into membership of the Stouffville United Church on Sunday morning, coming by transfer from other communities and denominations.

Mr. Cec Hendricks, operator of Hendrick's Hardware store has installed a new electric sign which will add both to the attractiveness of the Main Street and his place of business.

Levi Mustard is presently in hospital where he is undergoing a further operation in connection with an amputated leg which Mr. Mustard sustained in an accident last year.

Friends will be pleased to know that local businessman Erle Lehman is progressing favorably in hospital and is able to be up out of bed a little each day. Erle was stricken with rheumatic fever some weeks ago.

Mrs. Harmon Hoover has returned to her home on Baker Ave. after spending a couple of weeks with relatives in Toronto. Mrs. Hoover also visited with Mrs. Marjorie Cook, formerly of Stouffville and who is leaving shortly for England. She also experienced a ride on Toronto's new subway.

Stouffville Planning Board meeting on Friday night, discussed with Mr. Win. Timbers the possible development of his property recently annexed to town. The large composite map of Stouffville showing all new sub-divisions, streets, boundaries, etc., was tabled before the Board on Friday night. Copies are being prepared this week and the Board will proceed with the zoning of the municipality for residential, commercial and industrial purposes, at their next regular meeting.

### Double Bereavement

Mr. Arthur Heaton received the sympathy of neighbours and friends this week as he received word from Toronto of a double bereavement, his mother, the late Sarah Elizabeth Heaton and his sister-in-law, Mrs. Walter Heaton. The late Sarah Heaton passed away on April 6th in her 89th year. She is survived by four sons, Arthur, Stouffville, Joseph, Walter and Stephen of Toronto, and four daughters, Edith (Mrs. Hemphill), Alice (Mrs. Hodgkinson), Betty (Mrs. Briggs) and Ida (Mrs. Sparks).

The funeral was conducted to Rest Haven Memorial Gardens on Friday afternoon. Mrs. Walter Heaton followed her mother-in-law to the grave on April 11th after a lingering illness. She was in her 64th year.

Mrs. W. D. Atkinson, Mrs. F. Brown, Mrs. K. Campbell, Miss Gertrude Todd and Mrs. A. M. Wood motored to Brampton Wednesday of last week attending sessions of "Toronto Conference Branch of the W.M.S. of the United Church of Canada" in St. Paul's Church. The choir of "The Latvian Society of Brampton" sang several numbers, the ladies wearing hand-made costumes, some of them were 300 years old. These had been passed on from generation to generation. The evening address was by Mrs. Hugh D. Taylor, Overseas Missions Executive Secretary, of the Dominion Board who re-

## Partridge Crashes Local Factory

Mrs. McGill, superintendent of the Ladies' Wear of Canada factory on the second floor of the Ratcliff Bldg. is shown here holding a plump partridge which crashed through the upper pane in one of the factory windows. The bird headed through the window with such force that it travelled the full width of the factory over the heads of the startled workers, finally plummeting to the floor.

turned Christmas day from visiting Korea. She told of the Child Welfare Centres, Refugee Camps, and Camps for Amputees; the Amputees often choose between starvation or suicide. Mrs. Taylor urged increased donations and bales of supplies. Estimates for 1955 for Dominion Board work had to take a cut of twenty-five thousand dollars because of lack of funds. More women are needed in our organizations to give work and pray.

## More Milk... Higher Quality ...with less time, work and equipment

**Faster Milking** increases milk yield... you get all the milk each milking; you keep milk production high throughout lactation. Here are two exclusive CO-OP Universal features that make machine milking faster... simpler:

**CALF-NOSE INFLATIONS**—patented off-center openings do away with "crawling," eliminate need for stripping with but rare exceptions. Large size accommodates flow of easy milkers as well as hard milkers.

**CALF-NOSE CLAW**—scientifically designed, it places heavier milking action where it is needed—on the heavier-milking rear quarters. Thus, all four quarters finish milking at approximately the same time.

**PLUS Protected Low Vacuum** CO-OP Universal Milkers milk fast and efficiently on only 10 to 11-inches of vacuum... controlled and protected by a weight-type relief valve and a mercury-column vacuum gauge.

Remember, too, there is a CO-OP Universal Milker to best fit your individual needs. Only your cooperatively-owned CO-OP Universal Division makes a complete line of milking machines: Standard Calf-Nose Milkers... Short-Tube Milkers... Floor and Track-type Portable Milkers.
