WEDDING

BOVAIR-ELLAS
A pretty Spring wedding took place on Saturday, May 15th, in Victoria Square United Church when Rev. A. C. Huston united in marriage Betty

Ann, youngest daughter of Mr. and Mrs. Roy Bovair, Gormley, and Clemath Frederick, son of Mr. and Mrs. Russell F. Ellas of Gormley. The wedding music was played by Mrs. Howard Baker and the soloist, Mr. Howard Baker, sang "I

Love You Truly" and "Be-cause"

Given in marriage by her father, the bride made a pretty picture in a gown of white satin under filmy double nylon net with lace insets in the stand-out skirt. The top made of lace was covered with a self-colored, long-sleeved lace jacket with lace covered buttons. Her three tier finger tip illusion wedding veil was gathered to a half crown calot style head-dress of satin and lace with pearls as an edging. She carried a shower of red roses, stephanotis and fern with swansonsias cascading down tied with baby white ribbon. The maid of honour was her sister, Miss Audrey Bovair, dressed in coral double nylon net bouffant skirt over rayon satin. The bodice was lace with sweet-heart neckline. The matching headress was made from coral net braided and entwined with pearls. She carried a nosegay of yellow and coral roses, white carnations and stephanotis. The groomsmen were Mr. Robert Petch and the ushers were Mr. Douglas Murphy of New Toronto, cousin of the groom and Mr. Elmer Ratke of Toronto, uncle of the bride.

The bride's mother was dressed in a figured navy silk dress with Navy accessories and a corsage of red roses. The groom's mother was dressed in Navy tissue faille with white accessories and corsage of white carnations and red and yellow roses.

Approximately 85 guests attended the reception in the home of the groom's parents. They were from St. Catharines Midland, Toronto, Peterborough, Brantford.

For a trip to Detroit the bride chose a beige suit with black and white accessories and a corsage of white carnations and red roses.

Mr. Asa Byers, native of this district, as well as Mrs. Byers, are engaged in erecting a new home on the 10th of Markham just below town next to their son John. Mr. Byers has been resident in Toronto for more than thirty years and the couple are returning to the country.

Helping Beautification Campaign

C. G. McKenzie (right) and his gardener helper Jack Sherk, loosen up some rough ground by Mr. McKenzie's new home on Harold St. Working in

one's garden and sprucing up your flower beds is all part of the annual beautification campaign in which Stouffville citizens can cooperate.

Here Mr. E. R. Good, past-president of the Stouffville Horticultural Society was caught by The Tribune camera going to work on

one of his flower beds flanking Main St. Stouffville is blessed with a most energetic group of horticulturalists of which Mr. Good is one.

Additional safety signs were erected at the Public School last week in an effort to further slow down motorists and truckers when passing the school zone. The new signs are in the image of a policeman about four and a half feet high, and have been placed on the boulevard, one at either end of the danger zone.

Stouffville Planning Board under the chairmanship of Mr. A. G. Thompson met in regular session on Friday night and commenced work on the town zoning bylaw which it is hoped if implemented by council will provide protection for home owners and for the remaining portions of land which would make good industrial property within the corporation limits. It is expected that a new appointment will be made by council at the June meeting to fill vacancy caused by the death of Mr. Alfred Mole, who was vice chairman of the Board.

HORTICULTURAL MEETING

A meeting of the Horticultural Society will be held in the basement of the United Church on Monday, May 31 at 8 o'clock. The speaker is to be Mrs. Thelma Boucher of Kingston. Mrs. Boucher writes for Garden Magazines under the heading of "From My Garden Scrap Book". There will be a flower show in connection with this meeting and the prize list will be in next issue of Tribune. The Society needs 12 more members to reach the 500 mark.

Owing to next Monday being the 24th of May and a staff holiday, The Tribune will be issued one day later than usual, on Friday.

The Stouffville Cemetery Commission has announced that Sunday, June 20th, will be the annual Decoration Service in the Stouffville Cemetery.

Mr. F. L. Crawford will visit Stouffville within the next few days and will call on friends of The Lord's Day Alliance. He will appreciate a hearty welcome and response when called upon. Valuable work is being performed by this organization in safeguarding the national weekly day of rest for Canadian workers against commercial exploitation, and enabling the individual freedom to use the day for worship, rest and culture.

Next Monday will be May 24th and a public holiday and there will be the usual visiting in town and the letting off of firecrackers. The crackers are available in town and no doubt some will also be brought in from out of town. Rather than private individuals putting on their own fireworks display in their own backyard, it has been suggested that all come to the town park where one big display would result. Firecrackers have been connected with May 24th for many years and certainly add to the holiday if properly handled. If you are contemplating rousing the neighborhood with a firecracker display, bring them along to the park and add to the joint effort.

NOTICE TO RATEPAYERS

Township of Whitchurch

PUBLIC DUMPS

will be open to public at following places on the following dates:

WEST SIDE — Mrs. Percy Ash's Dump, con. 1, C.F.R.B. sideroad, May 22 & 24 & June 4 & 5.

EAST SIDE — Jacob Grove's Dump, lot 16, con. 7 east, May 22 & 24 & June 4 & 5. No animal or vegetable matter to be dumped in these places.

JOHN W. CRAWFORD, Clerk.

Local and Personal Happenings

The Tribune has several new Remington Portable typewriters for rent.

The new office which has been established above the Houston Drug Store Block has now been completed and Dr. R. B. Mitchell is occupying his new premises.

Mrs. Mabel Baker of Toronto has returned home after spending a week with her sister and brother-in-law, Mr. and Mrs. O. Madill, east of the town.

You can rent a new Remington Portable typewriter from The Tribune on a weekly or monthly basis—several now available.

BICYCLE CLUB

Chief Constable Hilliard of the local O.P.P. detachment has asked us to announce that all boys of public school age are invited to come to the municipal hall this Friday night at 7.30, where it is hoped to form a bicycle club. The bikes will be inspected so that the group may be a more safety-conscious group. The local officers are interested in boys' work and ask the parents' co-operation in having the young lads attend this meeting.

Cemetery Commission

Stouffville Cemetery Commission meeting last week agreed to increase the price of plots in the local burying ground from \$75 up to \$90 for a full plot or from \$25 to \$30 for a single grave. Maintenance costs at the cemetery have gone up so tremendously that former rates do not begin to cover the expense of keeping the grounds in presentable condition. There was also discussion on the landscaping of the grounds around the Williamson Memorial Chapel completed a year ago.

GRADUATES FROM O.A.C.

Three students among the graduating class at O.A.C. this week are of local interest. Miss Christine Robb, daughter of Mr. and Mrs. John Robb, 8th Con. of Markham, was an honour graduate in household science. She has taken a position with the Swift Company. Donald Hope, son of Mr. and Mrs. Fred Hope, just east of Stouffville, was an honour graduate with his B.S.A. degree and he will join the staff of Canada Packers. Robert Logan, son of Professor and Mrs. H. A. Logan, 9th Con. of Whitechurch, also received his B.S.A. degree with second class honours.

BUS TOUR

Arrangements have been made by the local Horticultural Society with Gray Coach Lines for an extended tour on Wednesday, June 16th. At least one 45-passenger bus will leave Stouffville at about 7 a.m. for Kitchener for a guided tour of the famous rock gardens and other beauty spots of that city and vicinity.

A pot-luck picnic lunch in Kitchener Park will solve the problem of noon-day refreshment. From Kitchener the party will proceed to Conestoga and West Montrose where is situated Ontario's sole remaining big covered bridge.

Proceeding thence to Elora the lovely scenic gorges and pictured rocks of the Grand River will delight the eyes of all who will grasp this opportunity to enjoy what promises to be a very rewarding experience.

Tickets are now available from directors of the Society and should be purchased immediately as all seats should be definitely spoken for before June first.

Home & School Club Association organized in Stouffville last fall and although most of the officers had little or no experience in Home & School Club work their enthusiasm plus excellent co-operation of parents and teachers has carried the year to a successful conclusion.

We were fortunate in obtaining Mrs. Lamorieux, former H. & S. President, of Milliken, as program director. Highlights such as our beautiful Easter meeting with excellent singing by Milliken public school choir and talks by Rev. D. R. McKillean, also our Theatre night which netted us \$57.50, were just two of our interesting meetings.

Our May meeting brought a splendid talk by Constable Hilliard. He placed the responsibility squarely on the shoulders of the parents, for teaching the children safety methods of living and driving, and also to observe the rules at all times themselves.

It was voted to provide certificates for the graduates of the Home Guardians' Course—a new course for baby-sitters defined by Mr. Watson, taken extra-murally, and taught by Miss Hosie.

Election of officers took place and resulted as follows: President, Mr. Bill Gardner; Vice President, Mrs. Garfield Brown, Mrs. Salmon; Secretary, Mr. Lloyd McClean; Rec. Sec. Mrs. Skinner; Treas., Mrs. Brubacher; Executive members, Mrs. DeWitt, Mrs. Hamilton, Mrs. Lamorieux, Mrs. Mole, Mrs. Cadieux.

Mrs. P. E. Greenfield and Miss Allie Bragg, of Bowmanville, also Mr. H. A. Nicholls of Winnipeg, were week-end visitors at the home of Miss Ethel Byam.

The Holden home, corner of Albert St. south and Main St., has been disposed of by Mrs. Delbert Holden to Rev. H. Gregory Adams of Toronto and an auction sale of Mrs. Holden's household effects was conducted there last week. Mrs. Holden's new residence is on Park Rd. north.

Stouffville Lions Club members are preparing to hold their annual summer carnival again this year on Wednesday, June 30th. A one hundred dollar doll dressed in 52 bills will be one of the attractions this year as a lucky draw, and there will be an old-time dance with a real old-time orchestra.

Your contributions to the Salvation Army Red Shield Campaign in Stouffville should be left at Houston's Drug Store, headquarters for the local drive. The Salvation Army began its social service work in Toronto with a small Rescue Home for fallen women in 1886. This was followed in 1890 by a Prison Gate home for men. Since that time the work of this Army of Mercy in Greater Toronto has grown to include 50 different services such as caring for the aged, the underprivileged, the homeless, the sick, the parentless child, family welfare and a missing persons bureau. Now these modern Samaritans, who are ever on the alert to give aid and moral support to the unfortunate, find themselves in need of helping hands. Grace Hospital, which is used by many residents of this area, is very overcrowded and inadequate. The Salvation Army needs monetary assistance to help them build a new wing, and to maintain existing services. Please be as generous as possible because dollars given to the Salvation Army are turned into human happiness and relief from suffering.

Mr. and Mrs. Harold Spofford also Rev. and Mrs. Douglas Davis arrived back in town last week after holidaying for several weeks in Florida.

Mrs. K. R. Davis and daughter, Miss Mary, arrived in town last week after a trip to England where they visited Mrs. Davis' daughter, Mrs. Miller (Betty).

A move by the local Utilities Commission to have the town street lights come on just a little earlier would be appreciated. Lights are presently not coming on until nine o'clock and town streets are quite dark for at least twenty minutes prior to this time.
