Stouffville Horse Show Dominion Day, July 1st

Stouffville's annual Horse Show, sponsored by the local Legion, is being staged next Thursday, Dominion Day, July 1st and a fine entry list is being assembled. The show has proved increasingly popular in the few years since it began and has steadily grown in quality and number of entries.

The park surroundings are most pleasant for such an affair and visitors are urged to bring their picnic baskets and enjoy the holiday at the horse show in Stouffville.

Buttonville will be playing a scheduled softball game in the park under the lights in the evening.

loped skirt. Her finger tip veil of illusion tulle was caught to a coronet of pearls and rhinestones and she carried a cascade bouquet of white roses, gladioli, and stephanotis.

The attendants, Miss Helen Paisley as maid of honour, Miss Janet Cummings of Vancouver and Miss Velma Miller of Unionville as bridesmaids, wore identical gowns of sky blue antique taffeta featuring long hooped skirts gathered to a fitted vee-neck bodice with matching hats of same material. They carried cascades of shades of pink roses and carnations. The best man, Kenneth Noxon of Unionville, and ushers Adolph Feidler of New York City, Fred Clark of Chatham, Court Noxon and Earl Paisley of Unionville, all wore white flannels and navy jackets.

The flower girl, petite Beth Paisley, niece of the bride, was very pretty in a wide hooped dress of sky blue antique taffeta with puffed sleeves and Peter Pan collar, and matching bonnet. The ring bearer was David Paisley, nephew of the bride.

Mrs. Chas. Nolan played the wedding music and accompanied Mrs. Claude Brillinger who sang "The Lord's Prayer" and "I'll Walk Beside You."

The wedding reception followed on the spacious lawn of the Paisley home. Mrs. Paisley received the guests in a dress of navy lace with a pink flower hat and a corsage of Johanna Hill roses. Mrs. Cummings wore a pink lace dress with pale blue flower hat and corsage of pink roses. Guests were present from New York, Nova Scotia, Saskatchewan, Regina, Vancouver, Ottawa, Montreal and Timmins.

For travelling the bride wore a turquoise linen suit with pink hat and accessories. After the honeymoon, which is to be at Sharbot Lake and points east, the couple will reside in Toronto.

Uxbridge Tp. To Dissolve School Area - Definite

At a special meeting of Uxbridge Township Council on Monday evening, a bylaw was passed stating that the present Public School Area Board be dissolved and the Clerk be instructed to prepare a bylaw setting up the original school sections as existed before the school area system was formed. The bylaw is to be prepared this week.

Clerk John Ashenhurst stated that to his knowledge only one other Area Board had ever been dissolved in the Province. In a vote held last year, ratepayers in the township voted 361-219, in favour of dissolving the Area Board. A bylaw to this effect was drawn up on March 8th of this year and presented to the Dept. of Education. The Area Board will carry on until the end of the year.

Council members in discussing the changeover were not certain who had the responsibility of setting up the individual school boards and appointing the trustees. Councillor Earl Dowsell felt that it would be the responsibility of either the Inspector and the Dept. of Education or Council.

"The Area Board was formed by Council so I think it only natural that the separate board system would be re-organized also by Council," stated Councillor Clarence Bunker.

Dep. Reeve John Ball was of the opinion that the school sections should take the same form as was the case before the Area Board was organized.

Clerk John Ashenhurst stated that anyone who was not satisfied with his location within a section had the right to appeal within twenty days.

Miss Vera Brillinger entertained her Sunday School class of beginners at her home on Saturday afternoon.

Mr. Frank Lehman and his bride-to-be were guests of honor at a miscellaneous shower at the home of Mr. and Mrs. R. Sproston on Saturday night.

Misses Myrtle and Ruth Steckley spoke at Heise Hill Church on Sunday night and told of their trip through Western Canada and the States.

Master Kenneth Heise had his friends in for his birthday party on Monday.

Miss Alma Steckley, nurse-in-training at the East General Hospital, Toronto, spent the weekend at her home.

Mr. and Mrs. Amos Baker and family and Mrs. Jessie Baker and Bertie of Vaughan had Sunday dinner with Mr. and Mrs. Geo. Cober.

Mr. Henry Steckley has given his barn "the new look" with a coat of paint.

Mr. and Mrs. Roy Brillinger, Mr. and Mrs. Roy Wideman, Miss Annie Steckley, and Mr. Orla Heise attended the funeral of their uncle, Mr. Nathaniel Williams at Lockport, N.Y. on Sunday.

Miss Stella Heise of Upland, California, is visiting her father, Mr. L. B. Heise for several months.

Mr. Ross Leitch and son Bobby of Centre Is., and Mr. and Mrs. Jim Kennedy and Ray of Willowdale spent Sunday with Mr. and Mrs. C. E. Steckley.

The Gormley W.I. will meet on Wed., June 30, at the home of Mrs. R. Elias. Motto — We should use our ability to make a good starter as well as a good finisher. Roll Call — An improvement I would like to see in my community.

Stores in Stouffville will be open all day until six o'clock next Wednesday owing to the holiday on Thursday.

On Saturday night, July 10th, a Bingo will be held in the Stouffville Arena in aid of the local minor baseball.

Pupils of Grade 5 with their teacher, Miss Hossie, and of Grade 6 with their teacher Mr. Bolkmaster, enjoyed a bus trip to Midhurst Park on Wednesday of this week.

May Be Budgeting Into Bankruptcy Says LeMasurier

(Continued from page 1)
 "Markham township is being forced to pay higher county rates, receive lesser school grants, and because of its close proximity to Toronto has to take an extra burden by trying to maintain its own road system on a budget totally inadequate for the purpose."

"Our roads, particularly in summer, provide short cuts for motorists attempting to miss traffic jams. These motorists are mostly from larger centres, and Markham taxpayers must maintain these roads in a good state of repair."

He said more than 80 per cent of auto licenses are sold to Toronto and fringe areas. "If this is so, why should we not receive greater road grants?"

He said he felt the county council should budget only for what they could count on getting; not on any possible relief from "undue burden" Ontario might make, which, in any case, wouldn't come about until late this year.

Mr. Tomlin was the Markham leader's sole supporter. He said: "The department of municipal affairs, in permitting the raising of tax money by old-fashioned methods, indicates to me the need for reorganization, such as is going on in one other department at the moment."

He said he hoped "newspaper headlines" would bring his protests to the attention of Hon. George Dunbar, department minister, adding: "This is only one phase of the problem which is falling on urban centres in the country; how are we going to explain to the tax payers what we're going to get for the dollars we tax them for?"

"Every year more and more municipalities are petitioning to secede from counties—this is not our intention, but it's a problem that's going to go on growing."

In the county, after the 12 Metropolitan municipalities are taken out, there are seven towns and villages, and seven more townships; largest in assets and taxation, is Markham; smallest in assets is Stouffville, with a population of 1,893.

Tax methods criticized by deputy Tomlin work this way: At the fiscal year's outset for each county municipality, each works out its planned requirements, and strikes a mill rate to bring in that money.

This has been done by most, but only one, Woodbridge, has set taxes high enough to cover the amounts needed to pay over—at the proposed 11.8 mill rate—the county share to the county.

The others, as Reeve LeMasurier said, "must go back to the taxpayers, and ask for more money. That's almost impossible."

The application for relief, now being prepared by county lawyer J. D. Lucas, will likely be heard this fall. County warden John Rye, East Gwillimbury reeve, opposed any move to halt yesterday's budget, taking the majority view the tax should be raised, "in order to prove to the province there is an undue burden in the first place."

However, despite the vigorous opposition from the Markham and Richmond Hill reeves, leave Elton Armstrong from King moved a resolution to accept the budget report and the motion carried.
