Lake Wilcox Trustees Rent Five Classrooms In Aurora

The Trustees of Lake Wilcox Public School Board have announced that five classrooms have been rented in the old Public School in Aurora for the school year. The rent will be \$100 per month for the five rooms, in addition to the cost of heating, \$145 per month, which will be borne by the ratepayers. Rent for three rooms last year amounted to \$90 per month.

To these figures add the cost of bus transportation and it means a heavy drain on taxpayers. As the Department of Education does not pay grants on temporary accommodation, these expenses will all be drawn from the Trustees levy.

Plan Addition

Plans are in the making for an addition to the Lake Wilcox School but as yet no approval has been received from the Ontario Municipal Board. Trustees do not expect the proposed addition would be ready before Easter. The School at Lake Wilcox which was opened in 1950 was overcrowded on opening day and trustees have been faced with the problem of providing increased temporary accommodation each year, at an increasing cost to the ratepayers.

Fined for Indecent Act

Kenneth Harmon, 30, of Markham, was fined \$50 and costs by Magistrate F. S. Ebbs, in Whitby Police Court when he pleaded guilty to a charge of indecently exposing himself in front of two young girls' near Brougham on September 9th. Evidence in the case was given by Constable Steve Pointon, of the Whitby Detachment of the Ontario Provincial Police.

Markham Twp. Support For Scarboro Hospital

VANDORF

Buttontown-Markham Township support for the new Scarborough General Hospital drive was discussed last week at a meeting of representative Markham citizens and a delegation from Scarborough. W. H. Champion, Unionville, was named chairman of a ways and means committee to investigate the possibility of a general canvass in Markham for the \$2,500,000 general hospital, now building less than five miles from the Markham-Scarboro line.

Mr. Champion said it would be evidence of Scarborough General Hospital interest if Markham representation on the hospital's advisory board were invited. He said it was vital to the security of both townships that a large, completely-equipped general hospital should bring all modern facilities to the area.

Among those present at the meeting in Markham Municipal offices, Buttontown, were: From Unionville—J. B. Dawkins, Fred Billingsley, J. Douglas Haddock, Mrs. Donald D. Strickland, Miss Cora Brodie, Unionville Junior Farmers; Mrs. Eva Coathup, President, Markham-Unionville Business & Professional Women's Club; Mrs. J. B. Dawkins, rep. Unionville York Home & School Assoc.; Mrs. C. Russell-Brown, M.B.E., President, Unionville Women's Institute.

From Markham—Morgan D. Durrant.

Also present were Reeve Oliver E. Crookford, A. M. Campbell and Murray Macklin, Scarborough Councilors; Mrs. Mona Campbell, Ajax; Mr. Paul Morton and Miss Marjorie Stepan, Toronto, Mr. and Mrs. A. E. Leeder, Scarborough; Mr. A. M. Reavie, Scarborough.

It was decided to invite representatives of Markham Township organizations to a meeting at Markham Municipal Office, Buttontown, Tuesday, September 26th.

Markdale Ousts Brooklin in Playoffs

Brooklin Stevenson Motors faded out of the Ontario Intermediate "C" playoffs on Saturday night when they were blanked 6-0 by Markdale in the third and deciding game. Markdale counted two runs in the first inning, two in the sixth, one in the seventh and another in the eighth. M. Freeman on the mound for the winners allowed but two hits, a single to Graham and a double to Till.

Ill nature caused by excessive heat brings on many fights, but fortunately the participants are too nearly exhausted to injure each other seriously.

"MORE GRADE 'A' LARGE ON FUL-O-PEP"

says Lloyd Thomas of Rockwood, Ontario, who writes:

I find that Ful-O-Pep Egg Mash Pellets with their Cereal Grass content do an excellent job for my laying flock.

We have found, too, that by feeding Ful-O-Pep Growing Mash Pellets with Oats we raise a nice large pullet, not too fat, and in good condition to come into the laying pen ready to produce large eggs.

Why Margarine?

By J. E. Kidd

Crowding the markets now is seen
That goody make-up margarine.
A substitute for butterfat,
Though poor, I must admit at that;
So, in my humble way I vow
To eulogize the dairy cow,
Destined to grace the byre or stall—
No worthier animal at all.
Now, to substantiate my claim,
Her worthy qualities must name;
For, since the ancient days of yore,
She wholesome butter kept in store;
Vast quantities of milk untold,
Nature's own food for young and old,
And also most nutritious cheese.
