Mr. and Mrs. Percy Tarr and Gordon, and Miss Vera Tarr motored to New Liskeard and Kirkland Lake on the holiday week-end and visited friends and relatives and while there attended the fiftieth wedding anniversary of their cousins, Mr. and Mrs. Arthur Fisher.

A cordial invitation is given to all the members and friends of the Stouffville United Church W.A. to attend our monthly meeting to be held Oct. 18 at 8 p.m. in the church parlors. Mrs. Delbert Booth will be in charge of devotions and Miss Marilyn and Roberta Bone will sing. Mrs. A. King who has recently returned from the West, will tell us some of the interesting events of her trip.

The death occurred in Toronto last week of Mrs. Hiram Lott, widow of a former Stouffville shoe merchant. She was in her 90th year, and had been making her home with a son, Ernest, who survives her. Mrs. Lott was the former Miss Davis and the family moved to Stouffville from Atha. Mr. Lott built the A. C. Burkholder home recently sold, and purchased the Underhill shoe business. The late Mrs. Lott is related to numerous members of the Davis family locally.

Stouffville branch of Canadian Mothercraft Society opened in Oct. 1945. On Tuesday, Sept. 28th, 1954, members of the executive and mothers gathered for a farewell tea and presentation to Miss Walker, mothercraft nurse for over 5 years.

As Stouffville has grown, so have her medical facilities and whereas at opening there were two overworked doctors, she now has six doctors plus public health doctor, nurse and clinic.

It was felt that Mothercraft could serve a greater need in a less congested area.

The executive wishes to thank the United Church for its generosity in providing suitable quarters, the Lions Club for financial backing and all who have contributed to bake sales, concerts, in support of the work.

### Local Delegates At Youth For Christ Conference

Delegates from twelve communities representing 20 high schools are gathering in Hamilton at the Centenary United Church, October 8-9 for the launching of the Youth for Christ High School Club program in Canada. Guest speaker at the Conference is Mr. Jack Hamilton of Wheaton, Illinois, director of the Youth for Christ International High School Club program.

Under Hamilton's direction the YFC Club program has spread to 41 states and 5 foreign countries in seven years, and now numbers 1500 clubs reaching several hundred thousand high school youth monthly, and serves as a definite bulwark against teenage delinquency.

"In many places," says Hamilton, "the Bible has been forced out of the schools. Our job is to put it back through the lives of clean-cut students who place spiritual values above everything else."

U. S. President Andrew Jackson once stated, "The Bible is the rock upon which this Republic rests." In this generation the Bible is not used in our high schools nor are its precepts generally followed as a result. Though church attendance is on the increase, so is teenage delinquency (29% in the last four years). Today's youth need the Bible; through YFC Clubs and the young people it embraces—the Bible is reaching them.

Stouffville is represented at the Conference by 7 young people sent as delegates by the local Youth for Christ rally under the direction of Mr. Don Ratcliff.

Bob, who is playing NHL hockey with Chicago Black Hawks, was joined in the windy city this week by Mrs. Hassard and baby son, George. Armstrong is also a hockey player, member of the Toronto Maple Leafs.

Thanksgiving Sunday and Monday passed quietly in Stouffville with the Sabbath weather making it a real stay-at-home day. Rain and fog persisted most of the day and kept even the usual capacity church crowds below average. Monday proved a little better and Monday evening saw a heavy line of traffic proceeding back to the city from the Haliburton highlands and other northern haunts.

Mr. and Mrs. Lambert Malloy and family were in attendance at the opening NHL hockey game in Toronto on Saturday night, as guests of Roy Conacher, member of the Chicago Black Hawks, and connected with sports in Leaside during Mr. Malloy's term there as teacher.

Mr. Scott's cuts required more than fifty stitches. His lunch service, however, will not be interrupted by the mishap. Mr. Douglas Crawford will continue the service and the Sales Arena Restaurant business will not be interrupted.

### Marauding Bears Menace Beekeepers

Bears are very plentiful in the north country this year and are proving a real menace to beekeepers whose beehives are being raided nightly. Byer Bros. local beekeepers shot two of the bruisers last week, Edwin being the marksman and Walter felled another on Friday night. The animals were not overly large, running a hundred to a hundred and fifty pounds.

Mr. Byers told the Tribune that the bears were never worse in the Madoc district than this year. They come right onto the lot and tear the hives apart, scooping out the honey with their big paws. They will completely wreck a yard in a short time.

Rev. Richard Reilly is the General Secretary of the United Missionary Society, which maintains its headquarters in Elkhart, Indiana. He is recently returned from India, where he spent over five years laboring as a missionary.

ish high school and proceed on to Bible school, college, and seminary, and has also been able to secure a private airplane pilot's license.

Rev. Reilly has worked as a youth evangelist with the "America Back to God" movement, pastored a church in Indiana, and served as the first full-time Director of Elkhart County Youth For Christ. Then God called him to be a missionary to India, that land of 362 million souls who are still in darkness. Here he served as principal of the Raghunathpur Bible Institute, two years as Director of Calcutta Youth For Christ, and the Eastern Representative of Youth for Christ. It was under his leadership that Youth For Christ began a broadcast over the world's most powerful short wave station, Radio Ceylon.

Rev. Reilly has scores of miraculous incidents to relate. His overwhelming enthusiasm about missionary work thrills every listener. No one can hear him without visualizing the inevitable results of not taking the Gospel abroad. Still no one can hear him without visualizing the working of God among the crowds of India. Rev. Reilly will be speaking in the Stouffville United Missionary Church, from October 17th to 21st. Sunday services will commence at 11 a.m., evening service at 7:30 p.m., each week night at 8:00.
