Fine Former Constable for Obstructing Officer

A former constable on the Pickering Township Police Department, Donald Dand, has been fined \$10 and costs for obstructing the Sergeant of the Department while in the performance of his duties. The charge, laid by Sgt. David Freeman, was heard before Magistrate F. S. Ebbs in the Whidby Police Court.

Sgt. Freeman told the Court that at 12.20 a.m. September 26th he had been called to Rouge Hills Drive by Andrew Dand, accused's father, regarding an alleged assault. When he arrived there, he said, he could see nothing of the complainant but farther along the road, at the Rouge Hill Golf and Country Club, he said, he saw a circle of people and Mr. Dand, Sr., beckoning him to come along. He arrived there, he said, and found about 30 people, some with bottles in their hands and one stuffing a bottle in a hip pocket.

Andrew Dand, he said, had advised him that he had not been called out to look after this matter but he had informed Mr. Dand that he could not permit the consumption of beer outside on a club parking lot. At this point, he said, Donald Dand, the accused stepped from the circle, stood in front of him and after some conversation ordered him to remove both himself and the cruiser from the premises.

At that time, said the Sergeant, he could hear several of the persons present muttering "Why don't you go and catch some criminals?"

"I decided discretion was the better part of valor," continued the Sergeant, "so I called for assistance."

Some 15 minutes later, Constable Bob Watson arrived, he said, and a search was made of the scene. A number of empty bottles were covered by a blanket, he said, and more were hidden by a coat.

As they completed the search he said, Donald Dand stepped up to him and said "Freeman I'll get you. I'll get you when you are out of uniform." At this point he was arrested.

Constable Watson took the stand and stated that he had heard part of this conversation and had heard Dand say he would see the Sergeant out of his uniform.

The accused took the stand and stated that the empty

Wheat Club Has Splendid Year

A very successful 60-Bushel Winter Wheat Club was held in Ontario County this year.

This high yield club is sponsored by the Maple Leaf Milling Co., Toronto and the Ontario County Soil and Crop Improvement Association.

Contestants must use registered winter wheat. They must sow a minimum of five acres and they can use any means at their disposal to secure the highest yield possible.

The results of the high yield Winter Wheat Club is as follows:

Dunrobin Farms, Beaverton, No. 3, Cornell 59; field score 94; yield 66.4 total 226.8;

Wm. Heron, Blackwater, Cornell 59; 94, 36, 206;

Ross H. Miller, Sunderland, Dawson's Golden Chaff; 59, 53.6, 196.2;

No. 2, Dawbul; 59, 52, 193;

Gordon B. Fisher, Ashburn, Dawbul; 91, 48.8, 188.6;

1, Dawson's Golden Chaff; 92, 47.2, 186.4;

Otto Kahn, Brooklin, No. 1, Dawson's Golden Chaff; 90, 44.8, 179.6.

The Maple Leaf Milling Co. has withdrawn from this project for 1955. If the Ontario County Winter Wheat growers wish to carry on this high yield club, it will be necessary to find a new sponsor. Probably this will be the Ontario County Soil and Crop Improvement Association or one of the Ontario County Agricultural Societies.

bottles had been delivered with the wood for the corn roast. He denied that any beer had been consumed that night. He admitted telling Sergeant Freeman to leave. His father also testified that he had seen no drinking and stated that the empty bottles had been delivered with the wood.

His Worship ruled that Donald Dand had no right to accost Sgt. Freeman while he was performing his duties which, in this case, happened to be investigation into possible violations of the Liquor Control Act. "He might have incited a small riot," said His Worship in levying a fine of \$10 and costs.

Sgt. Freeman stated he was later served with a writ charging trespassing.

BURIED CAR ON BARRIE HIGHWAY, SNAPPED BY TRIBUNE PHOTOGRAPHER

This startling scene of a car practically buried on the Barrie highway was taken early Saturday morning fol-

lowing the big storm, by Jim Thomas, assistant editor and photographer of The Tribune. In addition to the aban-

doned car, huge craters can be seen in the pavement, gouged out by the water. This scene is not far from

the Holland Marsh where devastation was so widespread. The two-lane Barrie Highway is still closed to

traffic and will be for some time until the great lake of water in the marsh recedes. Latest plans for reclaiming

the land, call for using the highway as a dyke and pumping the water from the inner area.
