CANNINGTON-BOYNTON
Victoria Square United Church was the scene of a beautiful fall wedding on Saturday afternoon, October 16, at 3 o'clock, when Helen Bernice Boynton, youngest daughter of Mr. and Mrs. Stanley Boynton was united in marriage with Lloyd John Curtis Canning, eldest son of Mr. and Mrs. Treanor Canning, Gormley. Rev. A. C. Huston performed the double-ring ceremony amidst a setting of ferns, yellow, bronze, and white mums.

The soloist, Mrs. Allan Orr, sang "O Perfect Love", before the bridal party entered the church, and "A Wedding Prayer" during the signing of the register. She was accompanied at the organ by Miss Coral Peckins.

The bride, given in marriage by her father looked lovely in an applique net over taffeta strapless gown, the skirt of which followed in a train. Over the gown was a lace redingote with collar trimmed with tiny pearls. Her finger-tip veil was held in place by a coronet of pearls; her jewellery was a double strand of pearls, the gift of the groom. She carried a cascade of red roses, fern and white mums with streamers.

The matron of honor was Mrs. Al Rope of Toronto, who wore an olive green taffeta shot, with gold waltz-length strapless gown with matching jacket, headdress and half mitts. The bridesmaids were Misses Grace Boynton and Margaret Canning, sisters of the bride and groom respectively. Grace wore rose taffeta shot with copper waltz-length strapless gown with matching jacket, headdress and mitts. Margaret wore a gold taffeta shot with copper, waltz-length strapless gown with matching jacket, headdress and half mitts. The matron of honor and bridesmaids carried cascades of yellow and bronze mums and ferns.

The flower girls, Misses Carol Bilyea and Margaret Sandie, cousin and niece respectively of the bride, were gowned alike in floor-length rose taffeta shot with copper dresses, with matching headdresses and half mitts. They carried nosegays of pink roses and pink carna-

mons and ferns. The groomsmen were Nelson Buchanan, and the ushers were David Boynton and Donald Canning, brothers of the bride and groom respectively. The groom, best man and ushers wore navy trousers with cream flannel jackets and black bow ties.

For the reception which was held in the church basement, the bride's mother received the guests in a pale blue taffeta dress with lace inserts in the skirt and a lace jacket. Her hat was the same colour and navy accessories. Her corsage was pink roses and white baby mums. The groom's mother assisted, wearing a navy blue crepe dress with navy accessories. Her corsage was pink roses and white baby mums.

For her honeymoon the bride donned a dark grey gabardine suit with pink blouse and pink accessories, and a dark grey top-coat. Her corsage was red roses. On their return they will reside in their new home recently built on the groom's father's farm.

Out of town guests were present from Toronto, Beeton, Port Colborne and Richmond Hill.

342 Delinquent Dog Owners in Pickering Township

Some 342 residents in Pickering Twp. have failed to renew their dog tag license for this year. The arrears at the present time amounts to \$1,377. Clerk Lloyd Johnson informed Council that the owners have been notified of their debts but have failed to co-operate. Councillor Hugh Michell suggested that the license fee should be added to the owners' tax bill. "It's not a tax, it's a license," argued Dep. Reeve Balston.

The Deputy Reeve claimed that the majority of unpaid licenses were due mainly to neglect on the part of the owners. Some \$4,000 has been collected. It was suggested that someone be hired to complete the job, but no individual was selected.

Clerk Johnson informed Council that 250 tax appeals had been received. A Court of Revision will hear the appeals some time in November.

A representative of the Chester Hill Development Company appeared before Council to discuss the building of water mains, an infiltration gallery and pumps to supply water to some 600 homes in the Rouge Hills area, south-west of the Rouge River. The representative stated that he hoped to get the plant in operation by Spring.

The survey that shows mothers-in-law as being harder to get along with than other in-laws merely confirms a foregone conclusion.

Seriously Injured When Police Car Hits Washout

Sgt. Art Harrison of Vancor Detachment Ontario Provincial Police, was so disturbed Saturday morning about flood conditions that, though he was off duty, he jumped into his cruiser at his home and headed up the Don Mills Road for Vancor. The morning was foggy and rain was falling. Sgt. Harrison failed to see a washout thirty feet wide in the road at Pleasantville in time to

avoid a crash. Removed to York County Hospital, he was later taken to the General Hospital in Toronto, where he has since had to undergo plastic surgery. He suffered a broken jawbone, broken cheekbones and fractured nose. There were multiple less serious injuries to his body. The cruiser, which had gone only 2,000 miles, was a total wreck.

If parents would show their children how to be good, they wouldn't have to spend so much time trying, and usually failing, to teach them to be good.

MEMO TO ADVERTISERS

The Hallmark of Circulation Integrity

In the same way that STERLING on silver signifies a standard of known value, so is this A.B.C. emblem a symbol of FACTS about the circulations of newspapers and periodicals. It is the emblem of membership in the Audit Bureau of Circulations* and is assurance to advertisers that the circulations of member publications are measured, audited and reported in accordance with the rigid standards that have been mutually approved and adopted by advertisers and publishers. Here's why our membership

in the A.B.C. is important to our advertisers and ourselves: At regular intervals one of the Bureau's large staff of experienced circulation auditors makes a thorough inspection and audit of our circulation records. The results of this exacting audit show: how much circulation we have; where it goes; how it was obtained; and many other FACTS that advertisers need as a sound basis for their advertising investments. This audited information is published by the Bureau in easy-to-read A.B.C. reports which are available to our advertisers on request.

*The Audit Bureau of Circulations, of which this newspaper is a member, is a cooperative, nonprofit association of 3,575 advertisers, advertising agencies and publishers. Organized in 1914, A.B.C. brought order out of advertising chaos by establishing: A definition for paid circulation; rules and standards for auditing and reporting the circulations of newspapers and periodicals.

The Stouffville Tribune is a member of the Audit Bureau of Circulations
