

GORMLEY

On Wednesday evening, Nov. 24th, Mr. John Fisher, well-known radio newsmen and commentator, spoke to a large assembly at the Aurora High School, under the auspices of the Women's Institute of Central York District. In his usual direct and hearty manner he proceeded to delineate the Canadian character which is prone to hold back and deprecate, rather than take full credit and advertise to the world. Our homes hold relics of the past which was both colorful and adventurous—full of honor and romance—yet we do not take those measures which are necessary to keep our history intact and forever in the mind of our children. The need of really good museums, parks, fountains, gardens to commemorate our heritage. There are so few of these in Canada. Mr. W. E. Hanna, President of the York Pioneers, spoke on the splendid influence the Womens Institute has had in bringing to the attention of the public, the many beauties of our own Sharon Temple—home of many of the original utensils and equipment carved out by our forefathers. Miss Anna P. Lewis showed some lovely slides depicting the interiors of Sharon Temple. At the close, Mrs. Morley of Vondorf, dressed in a beautiful "bustle" dress of fifty years ago, sang two old songs—in her sweet voice.

Mr. David Ouchterlony gave a very interesting concert for the special benefit of our school children at the Buttonville Community Hall on Saturday afternoon, Nov. 27th. His understanding kindness and interest in children was very evident. He is a past master at obtaining audience participation—and had the children eagerly competing for his attention. As Mr. Ouchterlony remarked, the children were well above average in their knowledge and were a credit to their music teachers and directors. It is hoped that we will be able to have Mr. Ouchterlony return at some near date to give another of his "concerts."

Parents and friends interested in our local school are invited to attend the regular monthly meeting of the Gormley Home and School Association on Monday evening, Dec. 13th, at the schoolhouse, S.S. No. 7, Markham. Plans will be under way for our annual concert given by the pupils and their teachers. Christmas carols will be sung and refreshments served. Mrs. M. J. Farquharson, Grade Mother for Grade 3, will be Social Convener.
