MARKHAM ELECTION This Monday

(Continued from Front Page) marks of alleged unfair practices. He charged the reeve with receiving pay for Sunday work and meetings not attended. He said he had called for a special meeting and his request had not been granted. Mr. Hooper also claimed non-payment for the personal loss of \$120 worth of chickens and spoke of homes being built without permits. Win. Timbers, also proposed for the office of reeve, spoke briefly. He claimed that good men on the township staff had been discharged and that in his opinion the roads were in a deplorable state. The inexperience of those in office, he claimed, was responsible for many errors and discrepancies. The Planning Board, he said, was an essential part of the township administration, but he claimed members were not allowed to stay long enough to get their proper bearings on what is required in the best interests of the township. Ex-Reeve Griffin, Thornhill businessman and candidate in Ward I, claimed he was sorry to see that Ward system introduced. Mr. Griffin said that if elected he would request a full investigation of the police dept. from bottom to top. The road dept. also, he claimed, needed investigating. Donald Deacon and Clifford King, two other office-seekers, spoke briefly.
