## Local Doctor Saves Lake Family from Asphyxiation

Dr. F. J. Button of Stouffville was responsible for saving the lives of Mr. and Mrs. Fred Donaldson and their two children, Douglas 4 and Bobby 10 months, on Tuesday evening when he entered their Musselman's Lake cottage home and found the family in a semi-conscious condition from coal gas fumes.

Dr. Button received the urgent message from Mr. Donaldson who called from a nearby pay phone. Upon his arrival at the Lake, the local physician found it difficult to locate the cottage. After considerable searching he forced open the door and made the discovery. Mrs. Donaldson was lying in a cot and the two children were in bed. Mr. Donaldson was near collapse. The small home reeked with gas. Dr. Button opened all the windows and revived the stricken family. A few more hours and the entire family would have been wiped out.

## CHERRYWOOD

The Women's Association of Cherrywood United Church held its annual business meeting in the Church Hall on Thursday. Various reports were read and accepted. Rev. R. A. King conducted the election and installation of the following officers: Pres. Mrs. R. Tindall; Vice Pres.—Mrs. Geo. Todd; Secretary—Mrs. N. Laughlin; Corresponding Secy.—Mrs. W. Holmes; Treasurer—Mrs. D. Melne; Flower and Fruit—Mrs. Wes. Petty. The devotional part of the meeting was taken by Mrs. F. Ireson who read the Christmas Story from Luke 2:8-20, emphasizing that as Love came at Christmas, so should we show love to Him and give our hearts as the only truly worthy gift.

Christmas Carols were sung and the meeting closed with the repetition of the W. A. Benediction. In the evening the ladies sponsored a Pot Luck Supper which was enjoyed by all who attended.

A happy Xmas party was given by the Sunday School teachers for their pupils, on Saturday. They enjoyed a delightful Christmas Story on film, "When the Littlest Camel Kneel", as well as carol singing and games. Supper was served and the children went home well pleased with the afternoon's entertainment.

Mr. and Mrs. D. Melne and Margaret spent the weekend with Mr. and Mrs. Lewis at Port Colborne.

White (Salt) Service was held on Sunday with 35 people enjoying it. The number of gifts received by the school at the sale will be observed.

Boxing day was very popular in singing carols out on Mill St. The people, The girls from 19 years ago, by is being revived by groups of young people. The girls from 19 to right are: Kay Brown,
