BUSINESS OPPORTUNITY  
We are looking for a reliable  
party, man or woman, in your  
district, who wants to purchase  
and operate a chain of automatic  
machines for distributing pro-  
ducts in everyday use. We will  
procure locations for you, and  
set you up in business. This can  
be handled in your spare time,  
and need not interfere with your  
present employment. Handled  
in spare time hours, it can be  
built up into a profitable and  
pleasant part-time business.  
Physical condition or education  
is of no great importance. No  
selling, or soliciting. Your in-  
come will start with the first sale  
of these products.  
This is not a "get-rich-quick"  
business, but it should give you a  
steady, dependable income for  
the rest of your life. If you are  
suited to business, a cash invest-  
ment of \$995 is all that is re-  
quired. Your investment is pro-  
tected by stock and equipment,  
which you will own, backed by a  
guarantee against mechanical  
defects by the manufacturer.  
Up to 75% gross profits can be  
made on sales.  
If you can qualify, and have  
the necessary capital, and a sin-  
cere desire for financial security,  
then write at once for further  
information about obtaining  
your own business, giving de-  
tails about yourself, including  
age, address, and telephone num-
