

Markham Well Within Budget Says Treasurer

Markham Township Treasurer D. Ryder reports that the municipality has kept well within its budget during the seven month period ending on July 31st. In a financial statement tabled with Council, the treasurer reported that departmental expenditures are within one exception well below the budgetary figure set for 1955.

Only the expenditure for the consulting engineer has already exceeded the budgetary figure. The sum of \$5,000 was set aside for the fees of a Consulting Engineer while actually \$5,970 has been spent to date. However, of this total figure \$2,475 is recoverable in the form of a Provincial subsidy from the Department of Highways. Any work done by the Consulting Engineer on roads and bridges is subject to Provincial subsidy.

A breakdown of some of the expenditures shows that to date in the case of the Planning Board that body has spent \$3,180 of its total outlay of \$10,000. Part of the Planning Board budget is recoverable from the administrative fees now being charged from potential subdividers. Other expenditures to date include general administration budget \$33,000, expenditure \$14,945; hospitalization budget \$6,000, expenditure \$2,305; relief budget \$4,000, expenditure \$2,902; police budget \$36,500, expenditure \$24,662; Fire budget \$7,500, expenditure \$2,232.

A summary of receipts is as follows: Dog tax, estimated \$3,500 collected \$1,706; License and permits, estimated \$3,000, collected \$2,973; Fines estimated \$2,000, collected \$2,701; Penalties, estimated \$4,000, collected \$557.

Greenwood and Fourth Line Fight for Playoff

(Continued from page 10)

without the services of two of their top performers in Stan McMullen and Grant Carson. According to reports, both players are enjoying a trip to the East Coast.

Greenwood 8, Claremont 2

Greenwood won and lost the same game on Monday night. Due to the absence of their two-man pitching staff, Neil Pascoe and Bill Brent, they were forced to borrow the services of Claremont hurler, Lloyd Pascoe. Although Greenwood took the game from Claremont by an 8-2 count they were forced to forfeit the contest before it started.

The whirlwind righthander had little trouble with his usually hard-hitting team mates. Claremont were able to get only five hits in the seven inning game and they were retired in one, two, three order in the first, fourth and seventh innings.

Greenwood, on the other hand, continued their steady performance both in the field and at bat. They scored single runs in the second and third innings and romped home with six tallies in the fourth. Les Wilson and Joe Izatt were best for Greenwood. Jim Cruikshank and Geo. Jerome were the top batsmen for Claremont. The loss by default was a heart-breaker for Greenwood who are presently battling hard for a playoff position.

Claremont 7, Peach's 6

A home run clout by Claremont's first sacker, Geo. Jerome in the fifth inning proved to be the winner on Friday night as the homesters edged Peach's 7-6 in seven innings.

A walk to Wayne Redshaw and singles by Gord Gauslin and Reg Sanderson counted 2 runs for Claremont in the first inning. Singles by Gauslin and Pilkey and a two bagger by Jim Cruikshank added three more runs for the winners in the second. In the third inning, Peach's came to life in the batting department and clipped righthander Bill Towner for three singles, a double and a home run to deadlock the score at 5-5. A single and a home run by Geo. Jerome and another single by Reg Sanderson counted two more runs for Claremont. A double by Dent Smith and a two base error scored a single run for Peach's in the sixth but they could not squeeze another man across the plate as the side went down in order in the seventh.

Gord Gauslin had a perfect night, clipping pitcher Bruce Middleton for four singles in four trips to the plate. Reg Sanderson had two singles and Geo. Jerome had a single and a home run. Gord Lewis credited himself with a double and a single in four times at bat. Carl Timbers and Jack Warner each had two singles.

Greenwood 7, Fourth Line 4

Greenwood captured a crucial contest from the Fourth Line on Friday night by a score of 7-4. The winners chalked up five runs in the first inning and added single scores in the second and fifth innings. The Fourth counted lone runs in

the second, third, fifth and sixth innings.

The majority of the Greenwood runs were unearned and errors played a big part in the Fourth Line loss. Given a five run lead in the first inning, righthander Neil Pascoe coasted through the seven inning contest and was never in serious trouble. Bruce Redshaw started on the hill for The Fourth with Geo. Alsop taking over in relief.

Bill McCarthy counted two of Greenwood's seven runs. Bill Mitchell, Bill Maxwell, Bill Elliott, Neil Pascoe and Don Linton counted the others. Jack Hill and Allan Redshaw each scored twice for The Fourth. Bob Ashenhurst counted the other tally.

GOOD EATING

Canada's cheese and fish are eagerly imported by other countries, who greatly appreciate the excellence of both foods. However, Canadians do not eat enough of either their excellent cheese or their especially fine fish. Both of these foods are rich in calcium and other important minerals, as well as protein and vitamins.

Canadian Cows Win in Colombia

Canadian Holsteins dominated the show at the annual exhibition at Bogota, the capital city of Colombia. Twelve of the 17 individual classes and all four group classes were headed by animals either imported from Canada, or of Canadian blood-lines. Both the Grand and Reserve Grand Champion females were Canadian bred cows.

The Grand Champion female was Glen Atholl Jamaica Sovereign, bred by Wm. Marshall & Sons and developed by J. D. Innes, both of Woodstock, Ont., who sold her two years ago to her present owner, Luis Izquierdo. She was also named Best Uddered Female. Last year's Royal Winter Fair Grand Champion, also owned by Izquierdo, had to be content with the Reserve Grand Championship. The famous four-times All-Canadian, Spring Farm Sovereign Supreme, who was sold in 1950 for \$20,000, sired the 1st prize Get-of-Sire and six winners in the Junior classes. A son of the All-Canadian Aged Bull of 1949 was first prize senior bull calf.

Geo. M. Clemons, secretary of the Holstein-Friesian Association of Canada, was present. He stated that this was the strongest show he had yet seen in Latin America, the winners in most cases being comparable to the best at our North American shows.
