Fire Fighters THROW OUTRED

No-not a Communist, but the fire-engine red that goes with clanging bells, screaming sirens and racing fire trucks.

The Kent Fire Brigade, in England, has gone against tradition and now uses vehicles of aluminum-for three good reasons: No more painting, Less gas...we mean petrol. And better roadability and handling because of the lighter-weight aluminum bodies. We'd guess there's a further premium that the Kent folk enjoy: pride in their fire brigade when it flashes by in its gleaming new dress. Few materials can match aluminum for its fresh and lasting good looks.

ger, the Lord whom ye seek the messenger of the covenan he shall come." Forthe identity of "my messenger," see Matthew 11:10. "The Lord" here is, Jehovah, so identifying "the messenger of the covenant with Jehovah. Is the reference here to our Lord's presentation in the Temple, or to His cleansing of the Temple? The latter seems more in keeping with the whole passage.

the day of his coming? ... like a refiner's fire, and like fuller's soap." This looks back to the phrases "whom ye seek" and ing away from the path of obe-"whom ye delight in." They did not realize now His appearing would bring to light their iniquity. Notice the figures to describe the cleansingburning and washing.

purifier of silver . . . the sons

be pleasant as in former years."

people. When the offering of the priest is holy, so will be the offering of the temple. The prophet recalls the earlier sacrifices, such as those of Moses and David.

Verse 5-"And I will come near to you in judgment . . . a swift witness . . ." Notice the category of sins that will be brought to judgment, culminating in a want of the fear of God. God is both witness

and judge. Verse 6-"For I am the Lord, I change not; therefore ye sons of Jacob are not consumed." God's unchanging faithfulness to His covenant had preserved His people (("ye sons of Jacob"), although He had chastened them for their sins, It was not their virtue or their righteousness that had kept

them from destruction. have we spoken against thee?" An example of the dialogue style of Malachi. So insensible had the people become that they could not perceive their guilt even when their sins were exposed. Compare verse S. See also Jude 15.

Verse 14—"It is vain to serve God . . . that we have walked so big dividends of a worldly sort as they wished, they were ready to secure their ends by other means. Who asked them to walk "mournfully" before

the Lord? See Psalm 100. Verse 15-". . . we call the proud happy; yea, they that tempt God are even delivered." This indicates their new and rebellious attitude: pride and wickedness are the criteria of happiness and good fortune and

God does nothing about it! · Verse 16- "Then they that feared the Lord spake often one to another . . . and a book of remembrance was written for them that thought upon his name." In contrast is the godly conversation of those who fear God, conversation that pleased Him and was regorded before Him for suitable reward. The fear of the Lord produces reverential thoughts, and these in turn produce godly conversa-

Verse 17—"And they shall be mine in that day." Another reading might be, "And they shall be a peculiar treasure to me in that day which I am making." So the Septuagint and the Vulgate, Instead of objects of judgment, the godly will be

God's jewel. Verse 18-Then shall ye discern between the righteous and the wicked." The distinction, drawn in this passage, hetween the righteous and the

wicked will be fully seen in that day. The Heart of the Lesson Malachiks ministry seemed to have special reference to the priests. He found them per-

forming their Temple tasks in. very perfunctory manner. They were content to go through the external observances, but were neither teaching the people the Law of the Lord as was their duty, nor were they honoring the Law in their own lives. The result was that the people were driftdience and becoming rebellious. It is over against this situation that Malachi prophesied the coming of the "messenger of the covenant," whose ways should be prepared for Him by an earlier messenger referred
