BEWARE OF CHIMNEY FIXERS

Residents are warned to beware of several men going about representing themselves as chimney experts. These strangers have duped a number of older residents into having their chimneys fixed and then paying a fabulous sum for the dobbing of a little colored plaster. The town municipal office reports that these men have also been operating here without the required permit.

Around thirty members from the B. & P. Club and the Women's Institute, Stouffville, went by bus one evening recently to a Food & Folk Fashion Show at Eaton Auditorium, Toronto.

This is the time for seasonal oddities. Last weekend Mrs. Wm. Simpson picked enough fresh raspberries off the bushes to make a berry pie. The Simpson home is near Ballantrae.

Please keep Monday, Oct. 17 open, as pictures will be shown by Dr. Jessie Brodie in the Stouffville United Church auditorium. Collection will be taken for W.A. work and lunch will be served by the ladies, following the program.

NOTICE
E. A. Grubin, R.O., Optometrist, will be at his office in Stouffville, Monday and Tuesday, Oct. 17 and 18. Phones 5632 and 2531.

Mrs. J. O. Totton of Richmond Hill, well-known in Stouffville, is progressing as well as can be expected during her illness which has confined her to her home for some time.

Two champion sweet potatoes have been on display in the Tribune office window this week. Each spud weighs 3 1/2 pounds and they were grown by Mrs. Wm. Reaman, 2nd concession of Uxbridge. Mrs. Reaman told The Tribune that she had only eight hills but the harvest yield filled a tomato hamper. A number of the potatoes weighed two to two and a half pounds.

Mr. and Mrs. John Williamson, Markham, have returned home from a 2200 mile trip which took them by motor to the Maritimes, and down the Atlantic seaboard. The couple travelled through much of the badly flooded area south of Boston where the devastation that followed the recent hurricane floods is unbelievable. Mr. and Mrs. Williamson are well known in Stouffville.

Mr. and Mrs. Wilmot Stover enjoyed a very pleasant motor trip to Huntsville and Algonquin Park last week.

Mr. and Mrs. Bayliss, Mrs. King, Mrs. Calvery and children of Toronto, Mr. and Mrs. Ted Cross and family of Uxbridge, Mr. and Mrs. Turney and Mr. and Mrs. Earl Wood and family of Lindsay were Thanksgiving guests of Mr. and Mrs. Albert King.

Two of our local citizens, Mr. Henry Ogden and Mr. Gord (Polly) Minton had their driveways paved last week. Several firms are now in the business of doing driveway paving and make an excellent job. The two driveways completed in town are on two new homes just on the westend outskirts.

Traffic through town was extremely heavy on Monday evening, the last holiday of the season. Exceptionally fine weather prevailed for those who wished to take a jaunt into the country or make the final trip to the summer cottage.

Do you know that municipal elections are less than two months off. Don't let it be said that here in Stouffville municipal affairs stack up like depression time mortgages—high principles but no interest.

Folks who depend on the town clock to keep them on the right time each day have been missing the lights that normally illuminate the big timepiece at night. A couple of the faces have been darkened now for some weeks.
